Item 1.01. Entry into a Material Definitive Agreement.

Indenture and Senior Notes due 2021

On December 16, 2016, Starwood Property Trust, Inc., a Maryland corporation (the "Company"), issued \$700 million aggregate principal amount of its 5.000% unsecured senior notes due 2021 (the "Notes") under an indenture, dated as of December 16, 2016 (the "Indenture"), between the Company and The Bank of New York Mellon, as trustee. The Notes were issued in a private offering exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), to qualified institutional buyers within the United States in accordance with Rule 144A under the Securities Act and to non-U.S. persons in offshore transactions in accordance with Regulation S under the Securities Act. The Notes are subject to restrictions on transfer and may only be offered or sold in transactions exempt from or not subject to the registration requirements of the Securities Act and other applicable securities laws.

The Company used a portion of the \$687.2 million net proceeds from the offering to repay the amount outstanding under its existing \$653.2 million term loan agreement and intends to use the remaining proceeds for other general corporate purposes, which may include the payment of liabilities and other working capital needs.

The Notes are senior unsecured obligations of the Company and will mature on December 15, 2021. The Notes bear interest at a rate of 5.000% per year. Interest on the Notes will be paid semi-annually in arrears on each June 15 and December 15, commencing June 15, 2017, to the persons who are holders of record of the Notes on the preceding June 1 and December 1, respectively.

The following is a brief description of the terms of the Notes and the Indenture.

Possible Future Guarantees

When the Notes are first issued they will not be guaranteed by any of the Company's subsidiaries and none of the Company's subsidiaries will be required to guarantee the Notes in the future, except that, under certain circumstances and subject to certain exceptions set forth in the Indenture, one or more of the Company's Domestic Subsidiaries (as defined in the Indenture) (except for certain Excluded Subsidiaries or Securitization Entities (each as defined in the Indenture)) may be required to guarantee the payment of the Notes (the "Springing Guarantee Covenant").

Ranking

The Notes will be:

- *pari passu* in right of payment with all of the Company's existing and future senior unsecured indebtedness and senior unsecured guarantees;
- effectively subordinated in right of payment to all of Company's existing and future secured indebtedness and secured guarantees to the extent of the value of the assets securing such indebtedness and guarantees;
- senior in right of payment to any of the Company's future subordinated indebtedness and subordinated guarantees; and
- effectively subordinated in right of payment to all existing and future indebtedness, guarantees and other liabilities (including trade payables) and any preferred equity of the Company's subsidiaries (other than any Domestic Subsidiaries that may become guarantors of the Notes).

If any of the Company's subsidiaries becomes a guarantor of the Notes, its guarantee will be:

- a senior unsecured obligation of such guarantor;

-
- *pari passu* in right of payment with all existing and future senior unsecured indebtedness and senior unsecured guarantees of such guarantor;
 - effectively subordinated in right of payment to all existing and future secured indebtedness and secured guarantees of such guarantor to the extent of the value of the assets securing such indebtedness and guarantees; and
 - senior in right of payment to any future subordinated indebtedness and subordinated guarantees of such guarantor.

Such guarantor's guarantee of the Notes and all other obligations of such guarantor under the Indenture will automatically terminate and such guarantor will automatically be released from all of its obligations under such guarantee and the Indenture under certain circumstances set forth in the Indenture. In addition, the Springing Guarantee Covenant and, if any of the Company's Domestic Subsidiaries has guaranteed the Notes, such guarantor's guarantee of the Notes and all other obligations of such guarantor under the Indenture will be automatically suspended and be of no force or effect on and after any date that (a) the Notes have investment grade credit ratings from each of two specified rating agencies and (b) no Default or Event of Default (each as defined in the Indenture) has occurred and is continuing, subject to automatic reinstatement of such covenant and any such guarantees if the Notes cease to have an investment grade credit rating from both of those two rating agencies.

Optional Redemption

Prior to September 15, 2021, the Company may redeem some or all of the Notes at any time and from time to time at a price equal to 100% of the principal amount thereof, plus the applicable "make-whole" premium as of, and accrued but unpaid interest, if any, to, but excluding, the applicable date of redemption. On and after September 15, 2021, the Company may redeem some or all of the Notes at any time and from time to time at a price equal to 100% of the principal amount thereof plus accrued but unpaid interest, if any, to, but excluding, the applicable date of redemption.

In addition, prior to December 15, 2019, the Company may redeem up to 35% of the Notes using the proceeds of certain equity offerings at a price equal to 105.000% of the principal amount thereof, plus accrued but unpaid interest, if any, to, but excluding, the applicable date of redemption.

Change of Control

If a Change of Control Triggering Event (as defined in the Indenture) occurs, the Company will be required (unless the Company has exercised its right to redeem all of the Notes by sending a notice of redemption) to offer to repurchase all of the outstanding Notes at a purchase price equal to 101% of the principal amount thereof plus accrued but unpaid interest to, but excluding, the applicable Change of Control Payment Date (as defined in the Indenture).

Covenants

The Indenture contains covenants that, subject to a number of exceptions and adjustments, among other things:

- limit the ability of the Company and its subsidiaries to incur additional indebtedness;
- require that the Company and its subsidiaries maintain Total Unencumbered Assets (as defined in the Indenture) of not less than 120% of the aggregate principal amount of the outstanding Unsecured Indebtedness (as defined in the Indenture) of the Company and its subsidiaries; and
- impose certain requirements in order for the Company to merge or consolidate with another person.

Certain of these covenants will be automatically suspended and will be of no force or effect on and after any date that (a) the Notes have investment grade credit ratings from each of two specified rating agencies and (b) no

Default or Event of Default has occurred and is continuing, subject to automatic reinstatement of such covenants if the Notes cease to have an investment grade credit rating from both of those two rating agencies.

Events of Default

The Indenture also provides for Events of Default which, if any of them occurs, would permit or require the principal of and accrued and unpaid interest on all the outstanding Notes to become or to be declared due and payable.

The foregoing summary of the Indenture is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached hereto as Exhibit 4.1 and incorporated herein by reference.

Registration Rights Agreement

In connection with the issuance of the Notes, the Company entered into a registration rights agreement with J.P. Morgan Securities LLC, as representative of the initial purchasers, dated as of December 16, 2016 (the "Registration Rights Agreement"), pursuant to which the Company agreed to use its commercially reasonable efforts to (a) consummate an offer to exchange the Notes for its notes with terms substantially identical to those of the Notes no later than 360 days after the date of the initial issuance of the Notes or (b) if such exchange offer is not consummated, file and keep effective a shelf registration statement with respect to resales of the Notes. If the Company fails to satisfy its registration obligations under the Registration Rights Agreement, the Company will be required to pay additional interest to the holders of the Notes as specified in the Registration Rights Agreement.

The foregoing summary of the Registration Rights Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached hereto as Exhibit 4.2 and incorporated herein by reference.

Credit Agreement

On December 16, 2016, the Company entered into a Credit Agreement (the "Credit Agreement") by and among the Company, as borrower, certain subsidiaries of the Company from time to time party thereto, as guarantors, the lenders from time to time party thereto, and JPMorgan Chase Bank, N.A., as administrative agent.

The Credit Agreement provides for a credit facility in an initial aggregate principal amount of \$400 million (the "Credit Facility"), consisting of a term loan in an aggregate principal amount of \$300 million (the "Term Loan") and a revolving credit facility in a maximum aggregate principal amount of \$100 million (the "Revolver"). The Credit Facility also includes an "accordion" feature which allows the Company, subject to certain terms and conditions, to increase the commitments under the Credit Facility by up to \$200 million. The Company expects to use the proceeds of the Term Loan, together with cash on hand, to (i) pay certain transaction fees and expenses in connection with entering into the Credit Agreement, (ii) repay certain existing indebtedness and (iii) provide for ongoing working capital requirements and general corporate purposes.

The maximum aggregate outstanding principal amount under the Credit Facility is limited by a borrowing base calculated periodically based on specified percentages of the value of certain mortgage loans (and A-Note and B-Note and senior and junior participation interests therein), mezzanine loans, equity interests in commercial real property, commercial mortgage-backed securities, residential mortgage-backed securities and servicing and special servicing rights held by the Company's subsidiaries, subject to certain adjustments. The Credit Facility is required to be guaranteed by certain of the Company's subsidiaries that directly or indirectly hold such assets, and such guarantees are secured by substantially all of the assets of such subsidiaries. In the event any subsidiary of the Company provides a guaranty of the Notes, such subsidiary would be required to also provide an unsecured guaranty of the Credit Facility, which guaranty of the Credit Facility would be subject

to suspension or termination as and when such guaranty of the Notes is suspended or terminated, as applicable.

Depending on the type of borrowing by the Company, the applicable interest rate under the Credit Facility is calculated at a per annum rate equal to (a) LIBOR plus 2.25% or (b) (i) the greatest of (x) the prime rate, (y) the federal funds effective rate plus 0.5% or (z) one-month LIBOR plus 1.00% plus (ii) 1.25%. The unused portion of the Revolver will also be subject to an unused fee that will be calculated at a per annum rate equal to 0.25%.

4

The Credit Facility has a maturity date of December 16, 2020; provided that the Company may, at its election, extend each of the Revolver and the Term Loan for six months (provided that no more than two such elections shall be permitted). Each such extension will be subject to satisfaction of certain conditions precedent, including payment of an extension fee to the lenders in an amount equal to 0.10% of the sum of the aggregate outstanding principal balance of the Term Loan and the aggregate outstanding commitments under the Revolver. The outstanding amounts under the Credit Facility may be prepaid at any time without premium (except for certain customary break funding payments in connection with Eurocurrency loans). The Credit Facility is subject to mandatory prepayment if the aggregate outstanding principal balance thereof exceeds the current borrowing base, in an amount equal to such excess. Mandatory prepayments of the Revolver do not result in a permanent reduction of the lenders' commitments thereunder.

The Credit Agreement contains customary representations and warranties, conditions to borrowing and events of default, the occurrence of which would entitle lenders to accelerate the amounts outstanding. The Credit Agreement also contains covenants that restrict, among other things, the ability of the Company and its subsidiaries to create liens, make certain investments, incur indebtedness, merge or consolidate, dispose of assets, pay dividends, repurchase or redeem capital stock and unsecured or subordinated indebtedness, change the nature of their businesses, enter into certain transactions with affiliates and change their fiscal year. In addition, the Credit Agreement requires the Company to maintain minimum liquidity, a minimum fixed charge coverage ratio, a maximum leverage ratio, a minimum tangible net worth and a minimum interest coverage ratio.

The foregoing summary of the Credit Agreement is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached hereto as Exhibit 4.3 and incorporated herein by reference.

6

aforsaid), in each case as if such incurrence, repayment, purchase, acquisition or origination, as the case may be, had occurred on the first day of the Four Quarter Period;

(2) the incurrence and repayment of any Indebtedness of such Person or any of its Subsidiaries (other than the incurrence or repayment of any Indebtedness which is covered by clause (1) above), including any repayment of any Indebtedness with the proceeds from the incurrence of Indebtedness covered by this clause (2) or in connection with the related transaction referred to in clause (3) of this definition, in each case that occurred during the Four Quarter Period or at any time subsequent to the last day of the Four Quarter Period and on or prior to the Determination Date, as if such incurrence or repayment had occurred on the first day of the Four Quarter Period, but only to the extent the incurrence or repayment of such Indebtedness was made in connection with a transaction or series of related transactions described in clause (3) below that meets the significance test set forth in such clause (3); provided, however, that such calculation shall not give pro forma effect to the incurrence of any Indebtedness described in this clause (2) if such Indebtedness is not outstanding as of the Determination Date; and

which were sold, disposed of, purchased, acquired or originated as aforesaid), in each case as if such sale, disposition, purchase, acquisition or origination had occurred on the first day of the Four Quarter Period, but, anything in this clause (3) to the contrary notwithstanding, only if the Investments, Persons or other securities or assets sold, disposed of, purchased, acquired or originated in such transaction or such series of related transactions, as the case may be, met, at the time of such transaction or series of related transactions (or, at the option of the Company, would have met, as of the last day of the Four Quarter Period), the conditions specified in clause (1), (2) or (3) of Rule 1-02(w) of Regulation S-X promulgated by the SEC (as such Rule is in effect on the Issue Date but substituting 20% for 10% each place 10% appears in such Rule and assuming that the Company was the “registrant” and that the Investments, Persons or other securities or assets sold, disposed of, purchased, acquired or originated in such transaction or series of related transactions constituted a “subsidiary” of the Company within the meaning of such Rule), with the calculation of whether any such conditions are met to be made in accordance with GAAP.

If any Indebtedness bears a floating rate of interest and if pro forma effect is being given to the incurrence of such Indebtedness, the interest expense on such Indebtedness will be calculated as if the rate in effect on the Determination Date had been the applicable rate for that portion of the Four Quarter Period during which such Indebtedness was not outstanding (taking into account any Interest Rate Agreement applicable to such Indebtedness if such Interest Rate Agreement has a remaining term in excess of 12 months). 7

by the Company for that portion of the Four Quarter Period during which such Indebtedness was not outstanding. - (i) the average daily balance of such Indebtedness during the applicable Four Quarter Period or such shorter period for which such facility was outstanding, or

ARTICLE 2

THE NOTES

SECTION 2.01. Amount of Notes Unlimited.

The aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited and the Company may issue an unlimited principal amount of Additional Notes under this Indenture having identical terms as the Notes initially issued under this Indenture on the Issue Date (other than issue date, and, if applicable, issue price, the first Interest Payment Date and the date from which interest will accrue, and except that any such Additional Notes may, but need not, be subject to or include transfer restrictions, provide for or be entitled to the payment of Additional Interest or be entitled to rights under a Registration Rights Agreement); provided that if any Additional Notes are not fungible with the Notes initially issued on the Issue Date for U.S. federal income tax purposes, such Additional Notes will have separate CUSIP and ISIN numbers from the Notes initially issued on the Issue Date. The Company may issue Additional Notes in compliance with the terms of this Indenture, including the provisions of Section 4.07. The Notes initially issued on the Issue Date, any Additional Notes subsequently issued under this Indenture and any Exchange Notes that may be issued will be treated as a single class for all purposes under this Indenture.

36

SECTION 2.02. Form and Dating; Denominations.

The Notes (including Global Notes) and the Trustee’s certificate of authentication thereon shall be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made a part of this Indenture. The Notes shall bear such legends as may be required by Appendix A hereto (which is incorporated in and expressly made a part of this Indenture) and may have such other notations, legends or endorsements required by law, stock exchange rule, agreements to which the Company is subject, if any, or usage. The Company shall approve the forms of the Notes and any notation, legend or endorsement on them. Each Note shall be dated the date of its authentication. The Notes shall be issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

Unless otherwise provided in an Officers’ Certificate, Notes shall be issued initially in the form of one or more Global Notes in registered form without coupons, which shall be deposited with the Note Custodian, duly executed by the Company and authenticated by the Trustee as hereinafter provided, and shall bear the applicable legends required by Appendix A. The aggregate principal amount of a Global Note may from time to time be increased or decreased by adjustments made on the records of the Registrar and the Note Custodian, and on the “Schedule of Increases or Decreases in Global Note” attached to such Global Note.

Notes may be issued in the form of Certificated Notes in registered form without coupons and that do not bear a Global Note Legend, duly executed by the Company and authenticated by the Trustee as hereinafter provided, in exchange for interests in Global Notes only in the circumstances and manner set forth in Section 2.15 and in compliance with the provisions, if applicable, of Appendix A.

SECTION 2.03. Execution and Authentication.

An Officer shall sign the Notes for the Company by manual, facsimile or electronic image scan (e.g., pdf) signature.

If an Officer whose signature is on a Note was an Officer at the time of such execution but no longer holds that office at the time the Trustee authenticates the Note, the Note shall nevertheless be valid.

The Trustee shall authenticate Notes for original issue on the Issue Date in the aggregate principal amount of \$700,000,000 (the “Initial Notes”) upon receipt by the Trustee of a written order of the Company in the form of an Officers’ Certificate. In addition, the Trustee shall from time to time thereafter authenticate Additional Notes in unlimited amount (so long as not otherwise prohibited by the terms of this Indenture, including without limitation, Section 4.07) for original issue and the Trustee shall from time to time authenticate Exchange Notes in exchange for an equal aggregate principal amount of outstanding Initial Notes and/or Additional Notes, as the case may be, in any exchange offer pursuant to a Registration Rights Agreement, in each case upon receipt by the Trustee of a written order of the Company in the form of an Officers’ Certificate.

37

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by

the Company to the Trustee for authentication, together with a written order of the Company in the form of an Officers' Certificate for the authentication and delivery of such Notes, and the Trustee in accordance with such written order of the Company shall authenticate and deliver such Notes.

A Note shall not be valid until an authorized signatory of the Trustee manually signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Company to authenticate the Notes. Unless limited by the terms of such appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such authenticating agent. An authenticating agent has the same rights as an Agent to deal with the Company and Affiliates of the Company.

SECTION 2.04. Registrar and Paying Agent.

The Company shall maintain an office or agency in New York, New York where (a) Notes may be presented or surrendered for registration of transfer or for exchange (the "Registrar"), (b) Notes may be presented or surrendered for payment (the "Paying Agent") and (c) notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company may also from time to time designate (without notice to Holders) one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and where such notices and demands may be served and may from time to time rescind or change such designations; provided, however, that no such designation, rescission or change shall relieve the Company of its obligation to maintain an office or agency in New York, New York for such purposes. The Company may change or remove any Paying Agent, Registrar or co-Registrar without notice to any Holder so long as there is a Paying Agent and Registrar in New York, New York. The Company will give prompt written notice to the Trustee of any such designation, rescission, removal or change referred to in the two immediately preceding sentences. The Company or any of its Domestic Subsidiaries may act as Registrar, co-Registrar or Paying Agent. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company, upon notice to the Trustee but without notice to Holders, may appoint one or more co-Registrars and one or more additional paying agents reasonably acceptable to the Trustee and may rescind the appointment of and change any such co-Registrars or additional paying agents. The term "Paying Agent" includes any additional paying agent.

The Company shall enter into an appropriate agency agreement with any Agent not a party to this Indenture, which agreement shall implement the provisions of this Indenture that relate to such Agent. The Company shall notify the Trustee of the name and address of any such Agent. If the Company fails to maintain a Registrar or Paying Agent, the Trustee shall act as such.

The Company hereby appoints the Trustee, acting through its Corporate Trust Office in New York, New York, as initial Paying Agent and Registrar for the Notes.

SECTION 2.05. Paying Agent To Hold Money in Trust.

On or prior to 11:00 a.m. (New York City time) on each due date of principal of, or premium, if any, or interest on any Note, the Company shall deposit with the Paying Agent a sum sufficient to pay such principal, premium, if any, and interest so becoming due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that the Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, or interest on the Notes and shall notify the Trustee of any default by the Company in making any such payment. If the Company or a Domestic Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.05, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Company shall furnish to the Trustee, in writing at least five Business Days before each Interest Payment Date and at such other times as the Trustee may reasonably request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.07. Transfer and Exchange.

Subject to Section 2.15 and, if applicable, the provisions of Appendix A, when Notes are presented to the Registrar or a co-Registrar with a request to register the transfer of such Notes or to exchange such Notes for an equal principal amount of Notes of other authorized denominations, the Registrar or co-Registrar shall register the transfer or make the exchange as requested if its requirements and any applicable requirements under Appendix A for such transaction are met; provided, however, that the Notes surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Company and the Registrar or co-Registrar, duly executed by the Holder thereof or his or her attorney duly authorized in writing. The Company, the Registrar, any co-Registrar and the Trustee may require a Holder to furnish such endorsements and transfer documents as any of them may reasonably request in connection with the registration of transfer or exchange of Notes, in addition to any documents that otherwise are required or may be required as provided in this Indenture (including Exhibit A hereto). A Note may not be transferred or exchanged unless such Note shall have been surrendered at an office or agency maintained by the Company for such purpose. To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate and deliver Notes at the Registrar's or co-Registrar's request. No service charge shall be imposed by the Company, the

Trustee or any Registrar, Paying Agent or co-Registrar for any registration of transfer or exchange (other than pursuant to Section 2.08), but the Company, the Registrar or any co-Registrar may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith.

All Notes issued upon any registration of transfer or exchange of other Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such registration of transfer or exchange.

To the fullest extent permitted by applicable law, prior to the due presentment of any Note for registration of transfer or exchange, the Company, the Trustee and any Agent may deem and treat the Person in whose name such Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal, premium, if any, and (subject to the Record Date provisions of the Notes) interest on such Notes and for all other purposes, and none of the Company, the Trustee or any Agent shall be affected by notice to the contrary.

The Registrar or any co-Registrar shall not be required to register the transfer of or exchange any Note (i) during a period beginning at the opening of business 15 days before the mailing (or, if not mailed, other transmittal) of a notice of redemption of Notes and ending at the close of business on the day of such mailing (or other transmittal), (ii) selected for redemption in whole or in part pursuant to Article 3, except the unredeemed portion of any Note being redeemed in part, or (iii) tendered for repurchase pursuant to a Change of Control Offer and not validly withdrawn.

Any Holder of a beneficial interest in a Global Note shall, by acceptance of such beneficial interest, agree that transfers of beneficial interests in such Global Notes may be effected only through a book-entry system maintained by the Depository for such Global Note (or its agent), and that ownership of a beneficial interest in the Note shall be required to be reflected in a book-entry system.

SECTION 2.08. Replacement Notes.

If a mutilated Note is surrendered to the Trustee or if the Holder of a Note claims that the Note has been lost, destroyed or stolen, and if the Company and the Trustee receive evidence to their satisfaction of the ownership and loss, destruction or theft of such Note, the Company shall issue and the Trustee shall authenticate a replacement Note if the Trustee's requirements are met and subject to satisfaction of any additional requirements, if applicable, as may be set forth in Appendix A hereto. Such Holder must provide an indemnity bond or other indemnity, sufficient in the judgment of both the Company and the Trustee to protect the Company, the Trustee and any Agent from any loss which any of them may suffer if a Note is replaced. The Company may charge such Holder for the reasonable expenses of the Company, the Trustee and any Agent in replacing a Note pursuant to this Section 2.08, including reasonable fees and expenses of counsel to the Company, the Trustee or any Agent, as well as any transfer tax or similar governmental charge payable in connection therewith.

Every replacement Note is an additional obligation of the Company.

To the fullest extent permitted by applicable law, the provisions of this Section 2.08 shall be exclusive and shall preclude all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.09. Outstanding Notes.

Notes outstanding at any time are all the Notes that have been authenticated by the Trustee except those cancelled by it, those delivered to it for cancellation, those reductions and increases in the interests in Global Notes effected by the Trustee, the Registrar or the Note Custodian in accordance with the provisions hereof, and those described in this Section as not outstanding. A Note does not cease to be outstanding because the Company or any of its Affiliates holds the Note (subject to the provisions of Section 2.10).

If a Note is replaced pursuant to Section 2.08 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless a Responsible Officer of the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser, as such term is defined in Section 8-303 of the Uniform Commercial Code as in effect in the State of New York. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement thereof pursuant to Section 2.08. If the principal amount of any Note is considered paid under Section 4.01, it ceases to be outstanding and interest ceases to accrue. If on any Redemption Date, maturity date, Change of Control Payment Date or any other date on which a payment of principal of a Note is due, the Trustee or Paying Agent (other than the Company or an Affiliate thereof) holds U.S. Legal Tender in an amount sufficient to pay all of the principal, premium, if any, and interest due on such Note payable on that date, then on and after that date such Note ceases to be outstanding and interest on it ceases to accrue.

SECTION 2.10. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any of its Affiliates shall be disregarded, except that, for the purposes of determining whether the Trustee shall be protected in conclusively relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be disregarded.

SECTION 2.11. Temporary Notes.

Until definitive Notes are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, Holders of temporary Notes shall be entitled to the same rights, benefits and privileges as Holders of definitive Notes. Anything herein to the contrary notwithstanding, the Notes may be in typewritten form.

SECTION 2.12. Cancellation.

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar, any co-Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee, at the written direction of the Company, and no one else, shall cancel and dispose of all Notes surrendered for registration of transfer, exchange, payment or cancellation in accordance with its customary

41

procedures and deliver a certificate of such disposal to the Company upon its written request therefor unless the Company directs the Trustee to deliver canceled Notes to the Company. The Company may not issue new Notes to replace Notes it has redeemed, paid or delivered to the Trustee for cancellation. If the Company or any Affiliate shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.12.

SECTION 2.13. Defaulted Interest.

If the Company defaults in a payment of interest on the Notes, the Company shall pay the defaulted interest, plus, to the extent lawful, any interest payable on the defaulted interest at the rate provided in the last paragraph of Section 4.01, in any lawful manner. The Company may pay the defaulted interest to the Persons who are Holders on a subsequent special record date. The Company shall fix or cause to be fixed any such special record date and the related payment date and shall promptly mail or cause the Trustee (at the request and expense of the Company) to mail (or, in the case of Global Notes, otherwise transmit in accordance with the Depository's applicable procedures) to each Holder, with a copy to the Trustee (if mailed or transmitted by the Company), a notice that states the special record date, the payment date and the amount of defaulted interest to be paid.

SECTION 2.14. CUSIP and ISIN Numbers.

The Company in issuing the Notes may use CUSIP and/or ISIN numbers, and if so, the Trustee shall use the CUSIP and/or ISIN numbers in notices of redemption, repurchase, Change of Control Offers or exchanges and on checks or advice of payment as a convenience to Holders; provided, however, that neither the Company nor the Trustee shall have any responsibility for any defect in the CUSIP or ISIN numbers that appear on any Note or any such notice, check or advice of payment, and any such notice or advice of payment may state that no representation is made as to the correctness or accuracy of such CUSIP or ISIN numbers and that reliance may be placed only on the other identification numbers printed on the Notes, and no such redemption, repurchase, Change of Control Offer, exchange, advice or payment shall be affected by any defect in or omission of any such numbers.

SECTION 2.15. Book-Entry Provisions for Global Notes.

(a) Unless otherwise specified in an Officers' Certificate or as provided in 2.15(b) below, the Global Notes shall (i) be registered in the name of the Depository or a nominee of such Depository, (ii) be delivered to the Note Custodian for such Depository and (iii) bear such legends as may be required by Appendix A hereto.

Members of, or participants in, the Depository ("Participants") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository or the Note Custodian, or under the Global Notes, and the Depository may be treated by the Company, the Trustee and any Agent as the absolute owner of the Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by

42

the Depository or impair, as between the Depository and its Participants, the operation of Depository's customary procedures governing the exercise of the rights of a Holder or beneficial owner of any Note.

(b) Transfers of Global Notes shall be limited to transfers in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Notes may be exchanged for Certificated Notes only as follows and subject, if applicable, to the further requirements set forth in this Indenture, including Appendix A hereto. Certificated Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in Global Notes if (1) the Depository notifies the Company that the Depository is unwilling or unable to continue as depository for the Global Notes or ceases to be a clearing agency registered under the Exchange Act (if such registration is required by applicable law) and the Company does not appoint a successor Depository for the Notes within 90 days after the Company receives such notification or becomes aware that the Depository has ceased to be so registered, as the case may be, (2) the Company, at its option and subject to the Depository's procedures, notifies the Trustee in writing that the Company elects to cause the issuance of Certificated Notes or (3) there shall have occurred and be continuing an Event of Default. The Trustee and the Registrar shall have no obligation to effect an

exchange of Global Notes for Certificated Notes pursuant to clause (3) of the immediately preceding sentence until receipt of a written request from the Company. In all cases, Certificated Notes delivered in exchange for any Global Note or beneficial interests therein will be registered in the names, and issued in any authorized denominations, requested by or on behalf of the Depositary (in accordance with its customary procedures) and, if applicable, will bear the applicable restrictive legends referred to in Appendix A hereto unless the Company determines otherwise or such legend shall have been removed as provided in Appendix A hereto, and in any event subject, if applicable, to the requirements set forth in Appendix A hereto.

ARTICLE 3

REDEMPTION

SECTION 3.01. Notices to Trustee.

If the Company elects to redeem Notes pursuant to Section 5 of the Notes, it shall notify the Trustee in writing of the Redemption Date, the principal amount of Notes to be redeemed and whether the redemption is being made pursuant to paragraph (a), (b) or (c) of Section 5 of the Notes.

The Company shall give each notice to the Trustee provided for in this Section 3.01 at least five days before notice of redemption is required to be mailed (or otherwise transmitted) to Holders pursuant to Section 3.03 (unless a shorter notice shall be agreed to by the Trustee in writing); provided that such notice may be revoked by the Company by written notice to the Trustee at any time prior to the time on the date specified by the Company for the Trustee to forward notice of such redemption to Holders as provided in Section 3.03 or, if the Company does not request the Trustee to forward notice of such redemption to Holders, at any time prior to the Company's giving of the notice of such redemption to Holders pursuant to Section 3.03.

43

SECTION 3.02. Selection of Notes To Be Redeemed.

If less than all the Notes are to be redeemed at any time, selection of the Notes for redemption will be made by the Trustee pro rata or by lot; provided that, in the case of Notes represented by one or more Global Notes, interests in the Global Notes will be selected for redemption by the Depositary in accordance with its applicable procedures therefor. Notes shall be redeemed in a minimum principal amount of \$1,000 and integral multiples of \$1,000 in excess thereof; provided that the remaining principal amount of any Note redeemed in part shall be \$2,000 or an integral multiple of \$1,000 in excess thereof. Provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Trustee shall notify the Company promptly of the Notes or portions of Notes to be redeemed.

SECTION 3.03. Notice of Redemption.

Subject to the provisions of Section 3.05, notice of any redemption of the Notes will be mailed by the Company by first-class mail, postage prepaid, or, if the Notes are represented by one or more Global Notes and if the Depositary's applicable procedures so provide, transmitted in accordance with the Depositary's applicable procedures therefor, at least 30 but not more than 60 days before the applicable Redemption Date to each Holder of Notes to be redeemed at its registered address (or at such other address or in such other manner as may be provided by the Depositary's applicable procedures). Each notice for redemption shall identify the Notes (including the CUSIP number) to be redeemed and include statements to substantially the following effect (with such changes therein or additions thereto as the Company in its sole discretion may deem appropriate):

(1) the Redemption Date;

(2) the redemption price (or, if not then ascertainable at the time, a general statement regarding how the redemption price will be calculated) and that accrued and unpaid interest, if any, on the Notes to be redeemed shall be paid to, but excluding, the applicable Redemption Date (subject to the right of the Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to such Redemption Date);

(3) the name and address of the Paying Agent;

(4) that the Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price plus accrued interest, if any;

(5) if less than all the outstanding Notes are to be redeemed, the identification and principal amounts of the particular Notes to be redeemed and stating that on and after the Redemption Date, upon surrender of that Note, the Holder will receive, without charge, a new Note or Notes of authorized denominations for the principal amount of the Note remaining unredeemed (or, in the case of Global Notes, appropriate adjustments of the principal amount of a Global Note will be made, as applicable);

(6) that, on and after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption as long as the Company has deposited

44

with a Paying Agent, on or before the applicable Redemption Date, funds in an amount sufficient to pay the redemption price of the Notes or portions thereof called for redemption on such Redemption Date and accrued and unpaid interest, if any, thereon to, but excluding, such Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to such Redemption Date), and the only remaining right of the Holders of the Notes or portions thereof called for redemption will be to receive payment of the redemption price and such accrued and unpaid interest, if any, upon surrender of the Notes to be redeemed to the Paying Agent; and

(7) any conditions to such redemption as determined by the Company in its sole discretion, and, if such redemption is subject to conditions, the Company may at its option also include a statement to the effect that the Redemption Date may be delayed, on one or more occasions and in the Company's sole discretion, either (at the Company's option) to a date specified by the Company in such notice or a subsequent notice to Holders (subject, if the Company shall so elect, to the satisfaction of any or all such conditions or the Company's written waiver of any such conditions that are not satisfied) or until such time as any or all such conditions have been satisfied or waived by the Company in writing, and that, if any such condition shall not have been satisfied as and when required (as determined by the Company in its sole discretion and taking into account any election by the Company to delay such Redemption Date), then (unless the Company shall have waived in writing any such conditions that are not satisfied), the Company shall have no obligation to redeem the Notes called for redemption on such Redemption Date (as the same may have been delayed by the Company as aforesaid) and may cancel such proposed redemption and rescind such notice of redemption, or any other statement that the Company in its sole discretion may deem necessary or advisable concerning matters described in Section 3.05 or to implement any provision of Section 3.05.

At the Company's written request (which shall specify the date and, at the option of the Company, the time at which the notice of redemption shall be given), the Trustee shall give the notice of redemption in the Company's name and at the Company's expense unless the Company shall have revoked such notice of redemption as provided in Section 3.01. In such event, the Company shall provide the Trustee with the information required by this Section 3.03 at least five days prior to the Trustee giving the notice of redemption, unless the Trustee consents to a shorter period.

The notice, if mailed (or otherwise transmitted) in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail (or to transmit such notice in accordance with the Depository's applicable procedures) or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note.

45

SECTION 3.04. Effect of Notice of Redemption.

Once notice of redemption is mailed (or otherwise transmitted) in accordance with Section 3.03 and all conditions (if any) to such redemption are satisfied as and when required (as determined by the Company in its sole discretion and taking into account any election by the Company to delay the applicable Redemption Date as provided in Section 3.05) or the Company waives in writing any such conditions that are not satisfied, (i) Notes called for redemption become due and payable on the Redemption Date (or, if the Company has delayed such Redemption Date, the applicable delayed Redemption Date (as defined in Section 3.05), as the case may be) and at the applicable redemption price plus accrued and unpaid interest, if any, to, but excluding, the applicable Redemption Date (or delayed Redemption Date, as applicable) (subject to the right of Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to such Redemption Date), (ii) upon surrender to the Paying Agent, such Notes or portions thereof called for redemption shall be paid at the redemption price plus accrued and unpaid interest, if any, thereon to, but excluding, the applicable Redemption Date (or, if the Company has delayed such Redemption Date, to, but excluding, the applicable delayed Redemption Date, as the case may be), except that the interest payable on any Interest Payment Date falling on or prior to such Redemption Date (or delayed Redemption Date, as the case may be) shall be paid to the Persons who were the Holders of record at the close of business on the applicable Record Date, and (iii) on and after the applicable Redemption Date (or, if the Company has delayed such Redemption Date, the applicable delayed Redemption Date, as the case may be) interest shall cease to accrue on Notes or portions thereof called for redemption.

SECTION 3.05. Conditions to Redemption.

(a) Any redemption of the Notes may, at the Company's sole discretion, be subject to one or more conditions precedent, which shall be described in the related notice of redemption to Holders of Notes, which conditions may include, without limitation, completion of one or more Qualified Equity Offerings, other securities offerings or other financings, transactions or events. If such redemption is subject to satisfaction of one or more conditions precedent, such notice to Holders of Notes may (at the option of the Company) include a statement to the effect that the Redemption Date may be delayed, on one or more occasions and in the Company's sole discretion, either (at the Company's option) to a date specified by the Company in such notice or in a subsequent notice to such Holders (subject, if the Company shall so elect, to satisfaction of any or all such conditions or the Company's written waiver of any such conditions that are not satisfied) or until such time as any or all of such conditions have been satisfied or waived by the Company in writing, and that, if any such conditions shall not have been satisfied as and when required (as determined by the Company in its sole discretion and taking into account any election by the Company to delay such Redemption Date), then (unless the Company shall have waived in writing any such conditions that are not satisfied), the Company shall have no obligation to redeem the Notes called for redemption on such Redemption Date (as the same may have been delayed by the Company as aforesaid) and may cancel such proposed redemption and rescind any notice of such redemption. In order to delay any Redemption Date (or to further delay any delayed Redemption Date (as defined below)), the Company shall provide written notice to the Trustee at least two Business Days before such Redemption Date (or such delayed Redemption Date, as the case may be), to the effect that the Company has elected to delay such Redemption Date (or such delayed Redemption Date, as the case may be) and specifying the new Redemption Date (a "delayed Redemption Date") (which

46

may, at the Company's option, be specified as the date on which any or all conditions to such redemption are satisfied (as determined by the Company in its sole discretion) or waived by the Company), and the Trustee shall provide such notice to each Holder of the Notes that were to be redeemed in the same manner in which the notice of redemption was given. The Company may delay any Redemption Date on one or more occasions.

(b) If all conditions precedent (if any) to any redemption of the Notes shall not have been satisfied as and when required (as determined by the Company in its sole discretion and taking into account any election by the Company to delay such Redemption Date) or waived by the Company in writing and the Company has not elected to delay (or further delay) the applicable Redemption Date (or the applicable delayed Redemption Date, as the case may be), the Company shall provide written notice to the effect that the Company has elected to cancel such redemption to the Trustee prior to close of business two Business Days prior to such Redemption Date (or such delayed Redemption Date, as the case may be). Upon the Trustee's receipt of such notice, the notice of such redemption shall be automatically rescinded and such redemption shall be automatically cancelled and the Company shall have no obligation to redeem the Notes called for redemption. Promptly after receipt of such notice, the Trustee shall provide such notice to each Holder of the Notes that were to have been redeemed in the same manner in which the notice of redemption was given.

SECTION 3.06. Deposit of Redemption Price.

Prior to or on the Redemption Date, subject to the satisfaction of any conditions specified in the applicable notice of redemption pursuant to Section 3.05, the Company shall deposit with the Paying Agent (or, if the Company or a Domestic Subsidiary is the Paying Agent, shall segregate and hold in trust) money sufficient to pay the redemption price of and accrued interest, if any (subject to the right of Holders of record on the relevant Record Date to receive interest due on an Interest Payment Date falling on or prior to the Redemption Date (or delayed Redemption Date, as applicable)), on all Notes to be redeemed on the Redemption Date (or delayed Redemption Date, as applicable), other than Notes or portions of Notes called for redemption that have been delivered by the Company to the Trustee for cancellation.

SECTION 3.07. Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Company shall execute and the Trustee, upon written request from the Company, shall authenticate and mail or deliver (including by book-entry transfer) to the applicable Holder (at the Company's expense) a new Note registered in the same name and bearing the same legends, if any, as the Notes surrendered for redemption, equal in principal amount to the unredeemed portion of the Note surrendered (it being understood that, notwithstanding anything in this Indenture to the contrary, no Officers' Certificate or Opinion of Counsel will be required for the Trustee to authenticate and mail or deliver any such new Note).

SECTION 4.01. Payment of Notes.

The Company shall pay the principal of, and premium, if any, and interest on, the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium and interest shall be considered paid on the date due if on such date the Trustee or the Paying Agent holds money sufficient to pay the principal, premium and interest due on such date. Interest (including, without limitation, Additional Interest, if any) on the Notes shall be computed on the basis of a 360-day year comprised of twelve 30-day months. The Trustee shall have no responsibility to monitor whether Additional Interest is due and payable or to calculate the amount of any Additional Interest which may become due and payable.

Unless otherwise provided in the applicable Registration Rights Agreement, the Company shall pay Additional Interest, if any, in the same manner, at the same times and to the same Persons as interest otherwise payable on the Notes entitled to receive such Additional Interest. Additional Interest, if any, shall be payable under the circumstances and at the rate specified in the applicable Registration Rights Agreement, which Registration Rights Agreement may provide for the payment of Additional Interest on some, but not all, of the Notes.

The Company shall pay the principal of and premium, if any, on, and may pay interest on, any Certificated Notes at the office or agency maintained by the Company for such purpose in New York, New York as required by Section 4.02, upon surrender of such Certificated Notes by the Holders thereof at such office or agency. Interest on any Certificated Notes may also be paid, at the Company's option, by check mailed to the addresses of the Holders entitled thereto appearing in the registry books of the Registrar or by wire transfer to accounts in the United States of America specified by such Holders.

The Company will pay principal of, and premium, if any, and interest on, Global Notes registered in the name of the Depository or its nominee in immediately available funds to the Depository or its nominee, as the case may be, as the Holder of such Global Note.

The Company will pay interest on overdue principal of, and, to the extent permitted by applicable law, on overdue premium, if any, and overdue installments of interest on, the Notes at a per annum rate equal to the interest per annum otherwise borne by the Notes, to, but excluding, the date on which such overdue principal, premium or interest, as the case may be, is considered paid or provided for as provided in the first paragraph of this Section 4.01 or is otherwise paid or provided for.

SECTION 4.02. Maintenance of Office or Agency.

The Company shall maintain in New York, New York the office or agency required under Section 2.04. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency in New York, New York (unless such office or agency is an office of the Trustee). If at any time the Company shall fail to maintain any such required office or agency in New York, New York or shall fail to furnish the

48

Trustee with the address thereof, the presentations, surrenders, notices and demands referred to in Section 2.04 may be made or served at the address of the Trustee set forth in Section 11.02.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind or change such designations, all as further provided in Section 2.04.

The Company hereby initially designates the Corporate Trust Office of The Bank of New York Mellon in New York, New York, which on the date hereof is located at 101 Barclay Street, Floor 7W, New York, New York 10286, as such office of the Company in accordance with this Section 4.02 and Section 2.04.

SECTION 4.03. Compliance Certificate; Notice of Default.

(a) The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company, an Officers' Certificate signed by the principal executive officer, the principal financial officer or the principal accounting officer of the Company and one other Officer of the Company and also signed (to the extent required by the TIA) by two Officers of each Guarantor, if any, stating that a review of the activities of the Company and its Subsidiaries has been made under the supervision of the signing Officers with a view to determining whether the Company and each Guarantor, if any, has complied with all conditions and covenants applicable to it under this Indenture and further stating, as to each such Officer signing such certificate, that to such Officers' knowledge, the Company and each Guarantor, if any, during such preceding fiscal year has kept, observed, performed and fulfilled each such covenant and condition and no Default or Event of Default occurred during such year and at the date of such certificate there is no Default or Event of Default that has occurred and is continuing or, if such signers do know of any such Default or Event of Default, the certificate shall describe such Default or Event of Default and the status thereof.

(b) The Company shall deliver to the Trustee promptly, and in any event within 30 days, after any Senior Officer of the Company obtains knowledge of a Default or Event of Default an Officers' Certificate specifying the Default or Event of Default and describing its status and the action taken or proposed to be taken in respect thereof.

SECTION 4.04. Waiver of Stay, Extension or Usury Laws.

To the extent permitted by applicable law, the Company and each Guarantor, if any, covenants that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other similar law that would prohibit or forgive the Company or such Guarantor, as applicable, from paying all or any portion of the principal of, or premium, if any, or interest on, the Notes or the Guarantee of any such Guarantor, as applicable, as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture and, to the extent permitted by applicable law, the Company and each Guarantor, if any, hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

49

SECTION 4.05. Suspension of Covenants and Guarantees.

(a) Section 4.10 (other than the portions thereof relating to the release of any Guarantor from its Guarantee of the Notes), Section 4.07, Section 4.08, and clauses (2) and (4) of Section 5.01(a) (collectively, the "Suspended Covenants") will automatically cease to apply to the Notes and will be of no force or effect on and after any date that (A) the Notes have an Investment Grade Rating from both Rating Agencies and (B) no Default or Event of Default has occurred and is continuing with respect to the Notes.

(b) If on any date thereafter the Notes do not have an Investment Grade Rating from both Rating Agencies, the Suspended Covenants will be automatically reinstated, effective as of such date (the "Reversion Date") and will be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until such date as (x) the Notes shall again have an Investment Grade Rating from both Rating Agencies and (y) no Default or Event of Default shall have occurred and be continuing with respect to the Notes (in which event the Suspended Covenants will automatically cease to apply, effective on and after such date, to the Notes until such time as the Notes do not have an Investment Grade Rating from both Rating Agencies); provided, however, that no Default, Event of Default or other breach of any kind shall be deemed to exist or to have occurred under this Indenture, the Notes or the Guarantees, if any, of the Notes with respect to the Suspended Covenants or any Guarantees (which also shall be suspended as provided below) based on, and none of the Company, any of the Guarantors, if any, or any of the Company's Subsidiaries shall, with respect to the Suspended Covenants or any Guarantees, bear any liability for, any actions taken or events occurring during any Suspension Period (as defined below) or any actions taken at any time pursuant to any agreement or instrument entered into or obligation arising or incurred during any Suspension Period, regardless of whether such actions, events, agreements, instruments or obligations would have been permitted if the

Suspended Covenants and Guarantees, if any, remained in effect during the Suspension Period. The period of time from and including the date of suspension of the Suspended Covenants to but excluding the Reversion Date or, if there is no Reversion Date, through and including the final maturity date of the Notes is referred to as a “Suspension Period.” For purposes of clarity, it is understood that there may be one or more Suspension Periods and one or more Reversion Dates with respect to the Notes.

(c) On the Reversion Date with respect to the Notes and anything in this Indenture to the contrary notwithstanding, all Indebtedness incurred during the applicable Suspension Period will be deemed to have been outstanding on the Issue Date so that it is classified under clause (4) of the definition of “Permitted Indebtedness,” subject to the right of the Company to classify and reclassify all such Indebtedness (or any portions thereof) as contemplated by the provisions described in the paragraph immediately following the definition of “Permitted Indebtedness.”

(d) All of the Guarantees, if any, of the Notes and all of the obligations of the Guarantors, if any, under such Guarantees and this Indenture will be automatically suspended and will be of no force or effect during any Suspension Period but will be automatically reinstated (except in the case of a Guarantor whose Guarantee of the Notes shall have been released and terminated pursuant to Section 10.05) on the applicable Reversion Date, if any.

50

(e) The Company shall deliver an Officers’ Certificate to the Trustee notifying the Trustee of the commencement of any Suspension Period or the occurrence of any Reversion Date promptly (but in no event later than ten Business Days) after such commencement or occurrence, as the case may be, and that the Trustee shall have no obligation to monitor or determine whether a Suspension Period or a Reversion Date has occurred or exists; provided that any failure by the Company to deliver any such Officers’ Certificate shall not constitute a Default or Event of Default.

SECTION 4.06. Change of Control Triggering Event.

(a) Upon the occurrence of a Change of Control Triggering Event, each Holder of Notes will have the right (unless the Company has exercised its right to redeem all of the then outstanding Notes pursuant to Section 5 of the Notes by sending (or causing the Trustee to send) a notice of redemption) to require that the Company purchase all or a portion of such Holder’s Notes pursuant to the offer described below (a “Change of Control Offer”) at a purchase price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but excluding, the applicable Change of Control Payment Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to the Change of Control Payment Date) (the “Change of Control Purchase Price”).

(b) Within 30 days following the date upon which the Change of Control Triggering Event shall have occurred, the Company must (unless the Company has exercised its right to redeem all of the Notes pursuant to Section 5 of the Notes by sending (or causing the Trustee to send) a notice of redemption) send, by first class mail, a notice to each Holder of Notes (or, in the case of Global Notes, send such notice in accordance with the applicable procedures, if any, of the Depository), with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. Such notice shall state:

(1) that the Change of Control Offer is being made pursuant to this Indenture and that all Notes that are validly tendered and not withdrawn will be accepted for payment;

(2) the Change of Control Purchase Price and the purchase date, which must be a Business Day no earlier than 30 days nor later than 60 days from the date such notice is mailed (or otherwise transmitted), other than as may be required by law (the “Change of Control Payment Date”);

(3) that any Note not tendered will continue to accrue interest;

(4) that any Note accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on and after the Change of Control Payment Date (unless the Company shall default in the payment of the Change of Control Purchase Price of the Notes) and the only remaining right of the Holder will be to receive payment of the Change of Control Purchase Price upon surrender of the applicable Note to the Paying Agent;

(5) that Holders electing to have a portion of a Note purchased pursuant to a Change of Control Offer may only elect to have such Note purchased in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof; provided that the remaining principal amount of

51

any such Note surrendered for repurchase in part shall be \$2,000 or an integral multiple of \$1,000 in excess thereof;

(6) that if a Holder elects to have a Note purchased pursuant to a Change of Control Offer it will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” on the reverse of or attached to the Note duly completed, to the Person and at the address specified in the notice (or, in the case of Global Notes, to surrender the Notes and provide the information required by such form in accordance with the applicable procedures, if any, of the Depository) prior to the close of business on the third Business Day prior to the Change of Control Payment Date;

(7) that a Holder will be entitled to withdraw its election if the Company receives, not later than the close of business on the third Business Day preceding the Change of Control Payment Date, a facsimile transmission or letter setting forth the name of such Holder, the principal amount of Notes such Holder delivered for purchase, and a statement that such Holder is withdrawing its election to have such Notes purchased; and

(8) that if any Note is purchased only in part a new Note will be issued in principal amount equal to the unpurchased portion of the Note surrendered.

(c) On or before the Change of Control Payment Date for the Notes, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes (in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof) validly tendered and not withdrawn pursuant to the Change of Control Offer; provided that if, following repurchase of a portion of a Note, the remaining principal amount thereof would be less than \$2,000, then the portion of such Note so repurchased shall be reduced so that the remaining principal amount of such Note outstanding immediately after such repurchase is \$2,000;

(2) deposit with a Paying Agent an amount equal to the payment due in respect of all Notes or portions thereof so tendered and not withdrawn;

(3) deliver or cause to be delivered to the Trustee for cancellation the Notes so accepted for payment; and

(4) deliver to the Trustee an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the applicable provisions of this Indenture.

(d) The Company, the depository, if any, appointed by the Company for such Change of Control Offer or a Paying Agent, as the case may be, shall promptly mail or deliver (or, in the case of Global Notes, deliver in accordance with the applicable procedures, if any, of the Depository) to each tendering Holder an amount equal to the Change of Control Purchase Price of the Notes validly tendered by such Holder and not withdrawn and accepted by the Company for purchase. Further, the Company shall promptly issue a new Note, and the Trustee, upon written request from the Company, shall authenticate and mail or deliver (including by book-entry transfer) such new Note to such Holder, in a principal amount equal to any unpurchased

52

portion of the Note accepted for payment (it being understood that, notwithstanding anything in this Indenture to the contrary, no Officers' Certificate or Opinion of Counsel will be required for the Trustee to authenticate and mail or deliver any such new Note). Any new Note not so accepted shall be promptly mailed or delivered (including by book-entry transfer) by the Company or the Trustee to the Holder thereof.

(e) Interest on Notes (or portions thereof) validly tendered and not withdrawn pursuant to a Change of Control Offer will cease to accrue on and after the applicable Change of Control Payment Date (unless the Company shall default in the payment of the Change of Control Purchase Price of the Notes).

(f) If the Change of Control Payment Date is on or after a Record Date and on or before the related Interest Payment Date for the Notes, any accrued and unpaid interest on the Notes to, but excluding, the Change of Control Payment Date will be paid to the Persons in whose names the applicable Notes are registered at the close of business on the applicable Record Date.

(g) The Company will not be required to make a Change of Control Offer for the Notes upon a Change of Control Triggering Event if a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture that are applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer. Notwithstanding anything in this Indenture to the contrary, a Change of Control Offer may be made in advance of a Change of Control or a Change of Control Triggering Event conditioned upon the occurrence of such a Change of Control or Change of Control Triggering Event, if a definitive agreement regarding such Change of Control is in effect at the time of making the Change of Control Offer.

(h) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that any securities laws or regulations conflict with the provisions of this Indenture relating to a Change of Control Offer, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under such provisions of this Indenture by virtue thereof.

(i) The provisions of this Indenture relating to the Company's obligation to make an offer to repurchase the Notes as a result of a Change of Control Triggering Event (including the definitions relating thereto) and the terms of any such offer may, subject to the limitations set forth in Section 9.02, be waived or modified with the written consent of the Holders of a majority in aggregate principal amount of the outstanding Notes.

53

SECTION 4.07. Limitation on Incurrence of Additional Indebtedness.

(a) The Company will not, and will not permit any of its Subsidiaries to, directly or indirectly, create, incur, assume, guarantee or otherwise become liable for payment of (collectively, "incur") any Indebtedness (including, without limitation, Acquired Indebtedness) other than Permitted Indebtedness and other than as provided in paragraph (b) below.

(b) Notwithstanding the foregoing, the Company or any of its Subsidiaries may incur Indebtedness (including, without limitation,

Acquired Indebtedness) if, on the date of the incurrence of such Indebtedness and immediately after giving effect to the incurrence of such Indebtedness and the repayment, repurchase, defeasance, redemption or other discharge of any other Indebtedness with the proceeds of the Indebtedness being so incurred or in connection with the transactions pursuant to which such Indebtedness is being incurred, on a pro forma basis:

(1) the Consolidated Fixed Charge Coverage Ratio of the Company is greater than 1.5 to 1.0; and

(2) no Default or Event of Default shall have occurred and be continuing or would occur as a consequence of incurring such Indebtedness.

SECTION 4.08. Maintenance of Total Unencumbered Assets.

The Company will maintain Total Unencumbered Assets of not less than 120% of the aggregate outstanding principal amount of the Unsecured Indebtedness of the Company and its Subsidiaries, in each case determined on a consolidated basis in accordance with GAAP.

SECTION 4.09. Reports to Holders.

(a) Whether or not required by the rules and regulations of the SEC and so long as any Notes are outstanding, the Company will mail or otherwise transmit to the Holders of the outstanding Notes:

(1) all quarterly and annual financial information that would be required to be contained in Items 6, 7, 7A and 8 of Part II of a filing with the SEC on Form 10-K and Items 1, 2, and 3 of Part I of a filing with the SEC on Form 10-Q, as applicable, if the Company were required to file such forms pursuant to the Exchange Act and the applicable rules and regulations of the SEC thereunder and, with respect to the annual information only, a report on the Company's annual financial statements by the Company's independent public accounting firm, in each case within 15 days after the last day of the applicable time period for filing with the SEC (plus any applicable extensions of such time period) specified in the relevant form or in the rules and regulations of the SEC or any other applicable laws, rules or regulations; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports pursuant to the Exchange Act and the applicable rules and regulations of the SEC thereunder, in each case within three Business Days after the last day of the applicable time

54

period for filing with the SEC (plus any applicable extensions of such time period) specified in Form 8-K or in the rules and regulations of the SEC or any other applicable laws, rules or regulations; provided, however, that no such report will be required to be furnished to the extent such report would be required by Items 1.04, 3.01, 3.02, 3.03, 5.02(e), 5.03, 5.04, 5.05, 5.06, 5.07 or 5.08 of Form 8-K;

provided, however, that, in the event that the Company is not subject to the reporting requirements of Sections 13(a) or 15(d) of the Exchange Act, (i) the time periods for filing of the foregoing information and reports (collectively, the "Financial Reports") specified in the relevant forms or rules and regulations of the SEC or any other applicable laws, rules or regulations as described in clauses (1) and (2) above shall be those applicable to a non-accelerated filer or shall otherwise be the longest available time period under such forms, rules and regulations of the SEC or other applicable laws, rules or regulations, as the case may be, (plus any applicable extensions of such time period) and (ii) the Financial Reports (A) will not be required to comply with Section 302 or Section 404 of the Sarbanes-Oxley Act of 2002, or related Items 307 and 308 of Regulation S-K promulgated by the SEC, or Item 10(e) of Regulation S-K or Regulation G (with respect to any non-GAAP financial measures contained therein) promulgated by the SEC, (B) will not be required to include information required by Item 601 of Regulation S-K promulgated by the SEC, (C) will not be required to include financial statements for any acquired entity, businesses or assets (whether acquired by merger, consolidation, acquisition of assets or Capital Stock or otherwise) unless such acquisition has occurred and such financial statements would be required by Rule 3-05 of Regulation S-X promulgated by the SEC to be included in an annual report on Form 10-K, quarterly report on Form 10-Q or current report on Form 8-K of the Company, as the case may be; provided that, notwithstanding that such Rule 3-05 or any other law, rule or regulation would require that some or all of such financial statements be audited, the Company may nonetheless deliver unaudited financial statements unless the Company shall have obtained such audited financial statements in connection with such acquisition, and provided, further, that the Company shall in no event be required to provide any financial statements as of dates or for periods earlier or other than the dates or periods that would otherwise be required by such Rule 3-05 for any such acquisition, and (D) will not be required to include the schedules identified in Rule 5-04 of Regulation S-X promulgated by the SEC. For purposes of clarity, it is understood and agreed that (x) the Company may, in its sole discretion, include in any of the Financial Reports information in addition to that specified in clauses (1) and (2) above and any information that it would otherwise be entitled to omit pursuant to the provisions described above, and (y) no financial statements shall be required for the acquisition or disposition of any entity, business or assets (whether acquired or disposed of by merger, consolidation, acquisition or disposition of assets or Capital Stock or otherwise) unless such acquisition or disposition, as the case may be, shall have occurred.

(b) The Company and the Guarantors, if any, agree to make available to Holders of any outstanding Notes and to prospective purchasers designated by such Holders, upon request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as such Notes (other than Notes held by the Company or an "affiliate" (as defined in Rule 144 under the Securities Act) of the Company) are not freely transferable under the Securities Act.

55

(c) If the Company is a Subsidiary of any direct or indirect parent entity, the Financial Reports required pursuant to Section 4.09 (a) above may be those of such parent entity instead of the Company; provided that, if there are material differences (as determined in good faith by the Company) between the consolidated results of operations and financial condition of such parent entity and its consolidated Subsidiaries, on the one hand, and of the Company and its consolidated Subsidiaries, on the other hand, the quarterly and annual Financial Reports required by Section 4.09(a) will include a presentation (which may be unaudited), either on the face of the financial statements or in the notes thereto, of the financial condition and results of operations of the Company and its Subsidiaries (it being understood and agreed that such presentation may take the form of a condensed consolidating statement of operations and a condensed consolidating balance sheet (in each case without notes thereto) or a presentation similar to that required by Rule 3-10 of Regulation S-X promulgated by the SEC (whether or not such rule is applicable) for the applicable periods).

(d) Anything in this Indenture to the contrary notwithstanding, the Company shall be deemed to have satisfied its obligation to mail, transmit or otherwise furnish any Financial Report or other information pursuant to Section 4.09(a) or Section 4.09(c) above by (a) filing or furnishing such Financial Report or other information (or another document containing the information that would otherwise have been included in such Financial Report or containing such other information, as applicable) with the SEC for public availability or (b) posting such Financial Report or other information (or another document containing the information that would otherwise have been included in such Financial Report or containing such other information) on a website (which may be a password protected website) hosted by the Company or by a third party, in each case within the applicable time period specified above.

(e) If any Financial Report or other information required by this Section 4.09 (or any other document referred to in Section 4.09 (d) above) is not filed, mailed, posted, transmitted or otherwise furnished within the applicable time period specified above and such Financial Report or other information (or other document) is subsequently mailed, filed, posted, transmitted or otherwise furnished, the Company will be deemed to have satisfied its obligations under this Section 4.09 with respect to such Financial Report or other information (or other document), as the case may be, and any Default or Event of Default with respect thereto or resulting therefrom shall be deemed to have been cured and any acceleration of the Notes resulting therefrom shall be deemed to have been rescinded so long as such rescission would not conflict with any applicable judgment or decree.

If delivered to the Trustee, such delivery of any such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of the same shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder.

SECTION 4.10. Future Guarantees.

If, on any date (a "Guarantee Date"), the aggregate Guaranteed Principal Amount of any Domestic Subsidiary of the Company (other than a Domestic Subsidiary of the Company that is an Excluded Subsidiary or a Securitization Entity) exceeds \$2.5 million, the Company will cause such Domestic Subsidiary to execute and deliver to the Trustee, within 30 days after such Guarantee Date (except as set forth in the proviso below), a supplemental indenture pursuant to which such Domestic Subsidiary will unconditionally guarantee the payment of the Notes, jointly and severally with all other Guarantors (if any) of the Notes; provided that, if a Domestic Subsidiary that would have been required to guarantee the Notes but for the fact that it was an Excluded Subsidiary or a Securitization Entity shall be required to guarantee the Notes because it shall have ceased to be an Excluded Subsidiary or a Securitization Entity, or if a Subsidiary that was a Foreign Subsidiary shall be required to guarantee the Notes because it shall have become a Domestic Subsidiary that is not an Excluded Subsidiary or a Securitization Entity, as the case may be, the supplemental indenture referred to above shall be delivered to the Trustee within 30 days after the date such Domestic Subsidiary shall have ceased to be an Excluded Subsidiary or a Securitization Entity or such Foreign Subsidiary shall have become a Domestic Subsidiary that is not an Excluded Subsidiary or Securitization Entity, as the case may be. Anything in this Indenture to the contrary notwithstanding, a Foreign Subsidiary shall not be required to guarantee the Notes or become a Guarantor.

The obligations of each Guarantor, if any, under its Guarantee of the Notes of any series will be limited as provided in Section 10.03.

Anything in this Indenture to the contrary notwithstanding, a Guarantor's Guarantee of the Notes will automatically terminate and be released, all other obligations of such Guarantor under this Indenture will automatically terminate and such Guarantor will be automatically released from all of its obligations under its Guarantee of the Notes and this Indenture under the circumstances set forth in Section 10.05; and all of the Guarantees, if any, of the Notes and all of the obligations of the Guarantors, if any, under this Indenture will be automatically suspended (subject to possible reinstatement) as provided in Section 4.05.

ARTICLE 5

MERGER AND CONSOLIDATION

SECTION 5.01. Merger, Consolidation and Sale of Assets.

(a) The Company will not, in a single transaction or series of related transactions, consolidate or merge with or into any Person, or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the Company's properties and assets determined on a consolidated basis (other than sales, assignments, transfers, leases, conveyances and other dispositions of Securitization Assets, Repurchase Agreement Assets, Investments or other securities or assets, in each case in the ordinary course of business) to any Person, unless:

(1) either

(A) the Company shall be the surviving or continuing Person; or

57

(B) the Person (if other than the Company) formed by such consolidation or into which the Company is merged or the Person which acquires by sale, assignment, transfer, lease, conveyance or other disposition all or substantially all of the Company's properties and assets (the "Surviving Entity"):

(i) shall be an entity organized and validly existing under the laws of the United States or any State thereof or the District of Columbia; and

(ii) shall expressly assume, by supplemental indenture, executed and delivered to the Trustee, the due and punctual payment of the principal of, and premium, if any, and interest on all of the Notes and the performance of every covenant in the Notes and this Indenture on the part of the Company to be performed or observed;

(2) immediately after giving effect to such transaction and, if applicable, the assumption contemplated by Section 5.01(a)(1)(B)(ii) above (including giving pro forma effect to any Indebtedness and Acquired Indebtedness incurred and any repayment, repurchase, defeasance, redemption or other discharge of Indebtedness by the Company or the Surviving Entity, as the case may be, or any of their respective Subsidiaries in connection with such transaction), the Company or such Surviving Entity, as the case may be: (a) shall have a Consolidated Net Worth equal to or greater than the Consolidated Net Worth of the Company immediately prior to such transaction, in each case determined as of the end of the most recent fiscal quarter ending on or prior to the date of such transaction for which financial statements of the Company or the Surviving Entity, as the case may be, are available; or (b) shall be able to incur at least \$1.00 of additional Indebtedness pursuant to Section 4.07(b); or (c) shall have a Consolidated Fixed Charge Coverage Ratio that is equal to or greater than the Consolidated Fixed Charge Coverage Ratio of the Company immediately prior to such transaction (the computations required by clauses (b) and (c) above shall be computed on a pro forma basis giving effect to such transaction as if it had occurred at the beginning of the most recent Four Quarter Period ended on or prior to the date of such transaction for which financial statements of the Company or the Surviving Entity, as the case may be, are available and the other pro forma adjustments set forth in the definition of "Consolidated Fixed Charge Coverage Ratio"). If the transaction involves a Surviving Entity and the Company and the Surviving Entity have different fiscal quarters, then the relevant Four Quarter Period and, for purposes of clause (a) of this paragraph (2), the relevant fiscal quarter, may, at the election of the Company, be based on either the Company's or the Surviving Entity's fiscal quarters;

(3) immediately after giving pro forma effect to such transaction (and treating any Indebtedness that becomes an obligation of the Company or the Surviving Entity, as the case may be, or any of its Subsidiaries as a result of such transaction as having been incurred by the Company or the Surviving Entity, as the case may be, or such Subsidiary at the time of such transaction, and any

58

Indebtedness to be repaid, repurchased, defeased, redeemed or otherwise discharged by the Company or the Surviving Entity or any of their respective Subsidiaries in connection with such transaction as having been repaid, repurchased, defeased, redeemed or otherwise discharged at the time of such transaction), no Default or Event of Default shall have occurred and be continuing;

(4) if the Surviving Entity is not the Company, each Guarantor (unless it is the Surviving Entity, in which case Section 5.01(a)(1)(B) above shall apply) shall have by supplemental indenture confirmed that its Guarantee of the Notes shall apply to such Surviving Entity's obligations under this Indenture and the Notes; and

(5) the Company or the Surviving Entity shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions, limitations and exceptions), each stating that such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition and, if a supplemental indenture is required in connection with such transaction, such supplemental indenture comply with the applicable provisions of this Indenture.

(b) Notwithstanding the provisions of Section 5.01(a), any Subsidiary of the Company may merge or consolidate with or into or transfer all or any part of its properties and assets to the Company or any other Subsidiary of the Company and Sections 5.01(a) and (f) shall not apply to any such transaction.

(c) For purposes of the foregoing, the sale, assignment, transfer, lease, conveyance or other disposition, in a single transaction or series of related transactions, of all or substantially all of the properties and assets of one or more Subsidiaries of the Company (other than sales, assignments, transfers, leases, conveyances and other dispositions of Securitization Assets, Repurchase Agreement Assets, Investments or other securities or assets, in each case in the ordinary course of business), the Capital Stock of which constitutes all or substantially all of the properties and assets of the Company on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Company.

(d) For purposes of clarity, it is understood and agreed that references in this Section 5.01 to sales, assignments, transfers, leases, conveyances and other dispositions of Securitization Assets, Repurchase Agreement Assets, Investments or other securities or

assets in the ordinary course of business shall include, without limitation, any sales, assignments, transfers, leases, conveyances or other dispositions of Securitization Assets, Repurchase Agreement Assets, Investments or other securities or assets (1) that are made (x) to any Securitization Entity for the purpose of enabling such Securitization Entity to securitize the assets so sold, assigned, transferred, leased, conveyed or disposed of or enabling such Securitization Entity to issue Non-Recourse Indebtedness secured by such assets or to enter into any Repurchase Agreements with respect to such assets or (y) to any Person pursuant to a Repurchase Agreement that is otherwise permitted (or not

prohibited) by this Indenture, under which such Person is a buyer of Repurchase Agreement Assets, and (2) that the Company in good faith determines to be consistent with past practice of the Company or any of its Subsidiaries or to reflect customary or accepted practice in the businesses, industries or markets in which the Company or any of its Subsidiaries operates or reasonably expects to operate or that reflect reasonable extensions, evolutions or developments of any of the foregoing (including, without limitation, by way of new transactions or structures), and as a result, none of the foregoing shall constitute a sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the Company's properties and assets, on a consolidated basis or otherwise, for purposes of the other paragraphs of this Section 5.01.

(e) Upon any consolidation or merger or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in accordance with the foregoing in which the Company is not the surviving or continuing entity, as the case may be, the Surviving Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture and the Notes with the same effect as if such Surviving Entity had been named as the "Company" herein and therein, and the Company shall be released from all of its obligations under this Indenture, the Notes and all Registration Rights Agreements; provided that, in the case of a lease of all or substantially all of the properties and assets of the Company, the Company will not be released from its obligation to pay the principal of and premium, if any, and interest on the Notes.

(f) If the Surviving Entity in any transaction described in, and made in compliance with, this Section 5.01 shall be a Guarantor of the Notes, such Guarantor shall be released from its Guarantee of the Notes and all of its other obligations as a Guarantor under this Indenture.

ARTICLE 6

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default. Each of the following events shall be an "Event of Default":

- (1) the failure to pay interest on any of the outstanding Notes when the same becomes due and payable and the default continues for a period of 30 days;
- (2) the failure to pay the principal of and premium, if any, on any of the outstanding Notes when such principal becomes due and payable, at maturity or otherwise (including the failure to make a payment to purchase Notes validly tendered and not withdrawn pursuant to a Change of Control Offer);
- (3) failure by the Company or any Guarantor to comply with any of its other covenants or agreements contained in this Indenture (other than covenants or agreements a default in whose performance would constitute an Event of Default under clause (1) or (2) above) and such default continues for a period of 60 days

after the Company receives written notice (with a copy to the Trustee if given by Holders) specifying the default (and demanding that such default be remedied) from the Trustee or the Holders of at least 25% of the outstanding principal amount of the Notes (except in the case of a default with respect to Section 5.01, which will constitute an Event of Default when the Company receives the written notice specified in this clause (3) (with a copy to the Trustee if given by Holders) but without any requirement that such default continue for 60 days);

(4) the failure to pay at final stated maturity (giving effect to any applicable grace periods and any extensions thereof) the principal amount of any Indebtedness for borrowed money (other than Non-Recourse Indebtedness) of the Company or any Subsidiary of the Company and such payment shall not have been made, waived or extended within 30 days after such final stated maturity (giving effect to any applicable grace periods and any extensions thereof) (a "Payment Default"), or the acceleration of the final stated maturity of any Indebtedness for borrowed money (other than Non-Recourse Indebtedness) of the Company or any Subsidiary of the Company and such acceleration shall not have been rescinded, annulled, waived or otherwise cured within 30 days after receipt by the Company or such Subsidiary of the Company of written notice of any such acceleration (an "Acceleration"), if the aggregate principal amount of such Indebtedness, together with the aggregate principal amount of any other Indebtedness for borrowed money (other than Non-Recourse Indebtedness) of the Company or any Subsidiary of the Company as to which a Payment Default or an Acceleration shall have occurred and shall be continuing, aggregates \$75.0 million or more at any time;

- (5) (a) the Company or a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

- (i) commences a voluntary case or proceeding;
 - (ii) consents to the entry of judgment, decree or order for relief against it in an involuntary case or proceeding;
 - (iii) consents to the appointment of a Custodian of it or for any substantial part of its property;
 - (iv) makes a general assignment for the benefit of its creditors;
 - (v) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it; or
 - (vi) takes any corporate action to authorize or effect any of the foregoing; or
- (b) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

61

(i) is for relief in an involuntary case against the Company or a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law;

(ii) appoints a Custodian for all or substantially all of the property of the Company or a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law; or

(iii) orders the winding up or liquidation of the Company or a Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law;

and in the case of each of (i), (ii) and (iii) of this paragraph (b), such order, decree or relief remains unstayed and in effect for 60 days; or

(6) any Guarantee of the Notes by a Guarantor that is a Significant Subsidiary of the Company ceases (or the Guarantees of the Notes by a group of Guarantors that together would constitute a Significant Subsidiary of Company cease) to be in full force and effect for a period of 30 days, or a Guarantor of the Notes that is a Significant Subsidiary of the Company (or a group of Guarantors of the Notes that together would constitute a Significant Subsidiary of the Company) denies or disaffirms its obligations under its Guarantee (or their obligations under their Guarantees, as the case may be) of the Notes unless such denial or disaffirmation, as applicable, is rescinded, canceled or terminated within 30 days, in each case other than by reason of the release, termination, discharge or suspension of any such Guarantees or Guarantors in accordance with the terms of this Indenture or as a result of the discharge of this Indenture pursuant to Section 8.01 or as a result of Legal Defeasance or Covenant Defeasance pursuant to Section 8.02.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

SECTION 6.02. Acceleration.

If an Event of Default with respect to the Notes (other than an Event of Default specified in clause (5) of the first paragraph of Section 6.01 with respect to the Company) shall occur and be continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of outstanding Notes may, and the Trustee at the request of such Holders shall, declare the principal of and accrued and unpaid interest on all the outstanding Notes to be due and payable by notice in writing to the Company and (if the notice is given by Holders) to the Trustee specifying the Event of Default and that it is a "notice of acceleration," and, upon such a declaration, such principal and accrued and unpaid interest shall become immediately due and payable. If an Event of Default specified in clause (5) of the first paragraph of Section 6.01 with respect to the Company occurs and is continuing, then all principal of, and accrued and unpaid interest on, all of the outstanding Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

62

At any time after any such acceleration, the Holders of a majority in aggregate principal amount of the outstanding Notes by notice to the Trustee and the Company may rescind and cancel any such acceleration and its consequences if (i) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (ii) all existing Events of Default, other than nonpayment of principal of or interest on the Notes that have become due solely because of the acceleration, have been cured or waived, (iii) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, in each case which have become due otherwise than by such acceleration, at the per annum rate specified in the last paragraph of Section 4.01, has been paid; and (iv) the Company has paid the Trustee its reasonable compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances in connection with such acceleration and rescission. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

SECTION 6.03. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, or interest on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. To the fullest extent permitted by applicable law, a delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default, no remedy is exclusive of any other remedy and all available remedies are cumulative.

SECTION 6.04. Waiver of Past Defaults.

The Holders of a majority in principal amount of the outstanding Notes may waive, by their consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, the Notes), any Default or Event of Default and its consequences except a continuing default in the payment of the principal, premium, if any, or interest (including, without limitation, Additional Interest, if any) on any Notes held by any non-consenting Holder (excluding a default in payment resulting from an acceleration that has been or is being waived or rescinded or that has been cured). Upon any such waiver, such Default or Event of Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon.

SECTION 6.05. Control by Majority.

Subject to Section 7.02(g), the Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee under this Indenture. Subject to Section 7.01, however, the Trustee

63

may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability; provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction.

SECTION 6.06. Limitation on Suits.

Subject to Section 6.07, a Holder may not pursue any remedy with respect to this Indenture or the Notes or any Guarantees, unless:

- (1) such Holder shall have previously given to the Trustee written notice of a continuing Event of Default;
- (2) the Holders of at least 25% in aggregate principal amount of the Notes then outstanding shall have made a written request, and such Holder or Holders shall have offered security or indemnity reasonably satisfactory to the Trustee to pursue a remedy; and
- (3) the Trustee has failed to comply with such request and has not received from the Holders of at least a majority in aggregate principal amount of the Notes outstanding a direction inconsistent with such request within 60 days after such notice, request and offer of security or indemnity.

SECTION 6.07. Rights of Holders to Receive Payment.

Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium, if any, and interest on, the Notes held by such Holder on or after the respective due dates expressed or provided for in the Notes, or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

SECTION 6.08. Collection Suit by Trustee.

If an Event of Default specified in clause (1) or (2) of the first paragraph of Section 6.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal, premium, if any, and accrued interest remaining unpaid (together with interest on any overdue interest (to the extent permitted by applicable law) at the rate per annum specified in the last paragraph of Section 4.01) and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee.

SECTION 6.09. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee and the Holders allowed in any judicial proceedings relating to the Company, its creditors or its property and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to

64

the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders (it being understood it shall be under no obligation to do so), to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due the Trustee under Section 7.07. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to, or accept or adopt, on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities.

If the Trustee collects any money or property pursuant to this Article 6, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest; and

THIRD: to the Company.

The Trustee, upon prior notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. Promptly after any record date or payment date is set pursuant to this Section 6.10, the Trustee shall cause notice of such record date or payment date or both, as the case may be, to be given to the Company and each Holder in the manner set forth in Section 11.02.

SECTION 6.11. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

ARTICLE 7

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such rights and powers vested in it by this Indenture and use the same degree of

65

care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture or in the TIA, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of certificates or opinions specifically required by any provision hereof to be furnished to it, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations stated therein).

(c) Notwithstanding anything to the contrary herein, the Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (b) of this Section 7.01.

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05.

Section 7.01. (d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this

(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture or take any action at the request or direction of Holders if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

66

(h) The Trustee shall not be deemed to have notice of a Default or an Event of Default unless a Responsible Officer of the Trustee has received written notice thereof from the Company or any Holder and such notice references the Notes and this Indenture.

SECTION 7.02. Rights of Trustee.

Subject to Section 7.01:

(a) The Trustee may conclusively rely on any document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel.

(c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it reasonably believes to be authorized or within its rights or powers; provided, however, that, subject to paragraph (b) of Section 7.01, the Trustee's conduct does not constitute willful misconduct or negligence.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel with respect to legal matters relating to this Indenture and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(f) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty unless so specified herein.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders of the Notes, unless such Holders have offered to the Trustee security or indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

(h) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate (including any Officers' Certificate), statement, instrument, opinion (including any Opinion of Counsel), notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be

67

enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(k) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity, priority or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes, and it shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or any statement in the Notes other than the Trustee's certificate of authentication.

SECTION 7.05. Notice of Defaults.

If a Default or Event of Default occurs and is continuing and a Responsible Officer of the Trustee receives written notice of such Default or Event of Default, the Trustee shall mail to each Holder notice of the Default or Event of Default within 90 days after written notice of it is received by the Trustee. Except in the case of an Event of Default in payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as its Board of Directors or a committee thereof or a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

SECTION 7.06. Reports by Trustee to Holders.

Within 60 days after May 15 of each year beginning with May 15, 2017, the Trustee shall mail to each Holder a brief report dated as of such date that complies with TIA § 313(a), if and to the extent required by TIA § 313(a). The Trustee shall also comply with TIA § 313(b), 313(c) and 313(d).

SECTION 7.07. Compensation and Indemnity.

The Company shall pay to the Trustee from time to time such reasonable compensation as the Company and the Trustee shall from time to time agree in writing for the

68

Trustee's services hereunder. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including costs of collection, in addition to the compensation for its services, except any such expenses as shall have been caused by the Trustee's own negligence, bad faith or willful misconduct. Such expenses shall include the reasonable fees and out-of-pocket expenses of the Trustee's agents, counsel and accountants. The Company shall indemnify the Trustee against any and all loss, liability, claim, damage or expense (including reasonable attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder. The Trustee shall notify the Company promptly of any claim of which a Responsible Officer has received notice or of which a Responsible Officer has otherwise become aware for which the Trustee or any Trustee Party (as defined below) may seek indemnity. The Company shall defend the claim and the Trustee shall cooperate and shall cause all Trustee Parties to cooperate in the defense. The Trustee and all Trustee Parties may have one firm of separate counsel selected by the Trustee in connection with the defense of such claim and the Company shall pay the reasonable fees and out-of-pocket expenses of such counsel; *provided, however*, that the Company will not be required to pay such fees and expenses if, subject to the approval of the Trustee (which approval shall not be unreasonably withheld), it assumes the Trustee's defense and there is no conflict of interest between the Company, on the one hand, and the Trustee and any Trustee Parties subject to the claim, on the other hand, in connection with such defense as reasonably determined by the Trustee. The Company need not reimburse any expense or indemnify against any loss, damage, claim, liability or expense caused by or resulting from the willful misconduct or negligence of the Trustee or a Trustee Party. The Company need not pay for any settlement made by the Trustee or any Trustee Party without the Company's written consent, such consent not to be unreasonably withheld. All indemnifications and releases from liability granted hereunder to the Trustee shall extend to its officers, directors, employees, agents and successors (collectively, "Trustee Parties").

To secure the Company's payment obligations in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee pursuant to this Indenture, other than money or property held in trust to pay principal of, or premium, if any, or interest on, or other amounts payable to Holders under, the Notes or the Guarantees.

The Company's payment obligations pursuant to this Section 7.07 shall survive the resignation or removal of the Trustee and the discharge or termination of this Indenture. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs expenses after the occurrence of a Default specified in clause (5) of the first paragraph of Section 6.01 with respect to the Company, the expenses are intended to constitute expenses of administration under applicable Insolvency Law.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign at any time by giving 30 days prior written notice of such resignation to the Company. The Holders of a majority in aggregate principal amount of the Notes then outstanding may, upon 30 days prior written notice to the Company and the Trustee, remove the Trustee and may appoint a successor Trustee; provided that so long as no Default or Event of

69

Default has occurred and is continuing, the Company shall have the right to consent to the successor Trustee, such consent not to be unreasonably withheld. The Company may remove the Trustee if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged bankrupt or insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall notify each Holder of such event and shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after that, the retiring Trustee shall transfer, after payment of all sums then owing to the retiring Trustee pursuant to Section 7.07, all money and property held by it as Trustee to the successor Trustee, subject to the lien provided in Section 7.07, whereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall cause to be delivered a notice of its succession to all Holders.

Anything in this Section 7.08 to the contrary notwithstanding but subject to the provisions of Section 7.09, no resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Section 7.08 shall become effective until the acceptance of appointment by the successor Trustee pursuant to this Section 7.08.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the expense of the Company), the Company or the Holders of at least 10% in aggregate principal amount of the Notes then outstanding may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder who has been a bona fide Holder of a Note for at least six months may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Merger.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business to, another corporation or bank, the resulting

70

surviving or transferee corporation or bank, without any further act shall be the successor Trustee; *provided* that such corporation or bank shall be otherwise qualified and eligible under this Article 7.

In case at the time such successor or successors (by merger, conversion, transfer of all or substantially all of its corporate trust business or consolidation) to the Trustee shall succeed to the trusts created by this Indenture any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor Trustee and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any such successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; and in all such cases such certificates shall have the same full force and effect as if they had been authenticated by the predecessor Trustee.

SECTION 7.10. Eligibility; Disqualification.

The Trustee shall at all times satisfy the requirements of TIA § 310(a)(1), 310(a)(2) and 310(a)(5). The Trustee shall have (or, in the case of a corporation included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$50,000,000 as set forth in its (or its related bank holding company's) most recent published annual report of condition. In addition, if the Trustee is a corporation or bank included in a bank holding company system, the Trustee, independently of the bank holding company, shall meet the capital requirements of TIA § 310(a)(2). The Trustee shall comply with TIA § 310(b), subject to the penultimate paragraph thereof; provided, however, that there shall be excluded from the operation of TIA § 310(b)(1) any indenture or indentures under which other securities or certificates of interest or participation in other securities of the Company are outstanding if the requirements for such exclusion set forth in TIA § 310(b)(1) are met.

SECTION 7.11. Preferential Collection of Claims Against Company.

The Trustee shall comply with TIA § 311(a)(1) and 310(a)(5), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated.

DISCHARGE OF INDENTURE; DEFEASANCESECTION 8.01. Discharge of Liability on Notes.

This Indenture will be discharged and will cease to be of further effect (except as to surviving rights of registration of transfer or exchange of the Notes as expressly provided for in this Indenture and except for the Trustee's right to reimbursement of fees and expenses and indemnification as expressly provided for in this Indenture) as to all outstanding Notes, and all of the Guarantees, if any, of the Notes shall be discharged, terminated and released, when:

(1) either

After such delivery or irrevocable deposit, the Trustee upon request shall execute proper instruments acknowledging the discharge of this Indenture and the Company's obligations under the Notes and this Indenture and, if applicable, the obligations of all Guarantors under the Guarantees and this Indenture, except for those surviving obligations specified above.

72

SECTION 8.02. Legal Defeasance and Covenant Defeasance.

(a) The Company may, at its option and at any time, elect to have either Section 8.02(b) or (c) be applied to the Notes upon compliance with the conditions set forth in Section 8.03.

(b) Upon the Company's exercise under Section 8.02(a) of the option under this Section 8.02(b), the Company and the Guarantors, if any, shall be discharged from all of their obligations under the Notes, the Guarantees, if any, and this Indenture ("Legal Defeasance") on the date that the applicable conditions set forth in Section 8.03 shall have been satisfied, and on or after that date any omission to comply with any such obligations shall no longer constitute a Default or Event of Default. Such Legal Defeasance shall mean that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Notes (which shall thereafter be deemed to be outstanding only for purposes of the provisions of this Indenture referred to in clauses (1) through (4) below), the Guarantors, if any, shall be released from all of their obligations under this Indenture and their Guarantees of the Notes, and the Company shall be released from all of its other obligations under this Indenture and the Notes, except that the following provisions of this Indenture shall survive:

(1) the rights of Holders to receive, solely from the trust fund described in clause (1) of the first paragraph of Section 8.03, payments in respect of the principal of, and premium, if any, and interest on the Notes when such payments are due;

(2) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes,

(4) the provisions of this Section 8.02, Sections 8.04, 8.05, 8.06, 8.07 and 11.08 and, if the outstanding Notes have been or are to be called for redemption, Article 3.

On and after the date of Legal Defeasance, payment of the Notes may not be accelerated because of an Event of Default and, upon such Legal Defeasance, the Guarantees, if any, of the Notes and all obligations of the Guarantors under this Indenture and the Guarantees shall automatically terminate.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02(b) notwithstanding the prior exercise of its option under Section 8.01(c).

(c) Upon the Company's exercise under Section 8.02(a) of the option under this Section 8.02(c), the Company and the Guarantors, if any, shall be released and discharged from all of their covenants and agreements under Sections 4.06 through 4.10,

73

inclusive, and clauses (2) and (4) of Section 5.01(a) on the date that the applicable conditions set forth in Section 8.03 shall have been satisfied ("Covenant Defeasance"), and on or after that date the foregoing covenants and agreements shall no longer apply, and the Notes shall be deemed not to be outstanding for purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with any such covenants or agreements, but shall continue to be deemed outstanding for all other purposes hereunder, and the Company and the Guarantors, if any, may omit to comply with and shall have no liability in respect of any term, condition, obligation or limitation set forth in any of the Sections, clauses and other provisions set forth above in this Section 8.02(c), whether directly or indirectly, by reason of any reference elsewhere herein to any such Section, clause or other provision or by reason of any reference in any such Section, clause or other provision to any other Section, clause or provision herein or in any other document and such omission to comply with any covenant or agreement set forth in any such Section, clause or other provision shall not constitute a Default or Event of Default under this Indenture. On and after the date that Covenant Defeasance occurs, (x) the Events of Default described in clauses (1) and (2) (solely insofar as such clauses relate to any failure to pay amounts due in connection with a Change of Control Offer), clause (3) (solely insofar as it relates to the covenants and agreements as to which Covenant Defeasance has occurred), clause (4), clause (5) (except with respect to Company) and clause (6) of the first paragraph of Section 6.01 will no longer constitute Events of Default or otherwise apply and (y) the Guarantors, if any, of the Notes shall be automatically released from all of their obligations under their Guarantees of the Notes and this Indenture and such Guarantees will be automatically released, terminated and discharged.

(d) Subject to compliance with Section 8.02(b) or (c), the Trustee, upon request shall execute proper instruments acknowledging such Legal Defeasance or Covenant Defeasance and the release, termination and/or discharge of the instruments, agreements and other provisions referred to in such Section 8.02(b) or (c), as applicable.

SECTION 8.03. Conditions to Legal Defeasance and Covenant Defeasance.

The following shall be the conditions to Legal Defeasance or Covenant Defeasance:

(1) the Company shall have irrevocably deposited with the Trustee, in trust, for the benefit of the Holders of the Notes cash in U.S. Legal Tender in such amount as will be sufficient, U.S. Government Obligations the scheduled payments of principal of and interest on which will be sufficient (without any reinvestment of such interest), or a combination thereof in such amounts as will be sufficient, as confirmed, certified or attested by an Independent Financial Advisor in writing to the Trustee, to pay the principal of, premium, if any, and interest on the Notes on the stated maturity date thereof or any earlier Redemption Date;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States (which Opinion of Counsel

74

may be subject to customary assumptions, exceptions and limitations) confirming that:

- (a) the Company has received from, or there has been published by, the Internal Revenue Service a ruling; or
- (b) since the date of this Indenture, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel in the United States (which Opinion of Counsel may be subject to customary assumptions, exceptions and limitations) confirming that the Holders of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default shall have occurred and be continuing on the date of such deposit pursuant to clause (1) of this Section 8.03 (other than a Default and Event of Default resulting from borrowing of funds to be applied to make such deposit and any similar or substantially contemporaneous transactions and, in each case, the granting of any Liens in connection therewith);

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any agreement or instrument that, in the judgment of the Company, is material with respect to the Company and its Subsidiaries taken as a whole (excluding this Indenture) to which the Company or any of its Subsidiaries is a party or by which the Company or any of its Subsidiaries is bound;

(6) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions, exceptions and limitations), each stating that all conditions precedent provided for in this Section 8.03 to such Legal Defeasance or Covenant Defeasance, as the case may be, have been complied with; and

(7) the Company shall have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes on the stated maturity date thereof or on the applicable Redemption Date, as the case may be

75

(which instructions may be contained in the Officers' Certificate referred to in clause (6) of this Section 8.03).

Notwithstanding the foregoing, the Opinion of Counsel required by clause (2) of this Section 8.03 with respect to a Legal Defeasance need not be delivered if all Notes not theretofore delivered to the Trustee for cancellation (1) have become due and payable or (2) will become due and payable on their maturity date or any earlier Redemption Date within one year and, in the case of any such redemption, under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

SECTION 8.04. Application of Trust Money.

The Trustee shall hold in trust the U.S. Legal Tender and U.S. Government Obligations deposited with it pursuant to this Article 8 and any principal, interest or other proceeds in respect of such U.S. Government Obligations. It shall apply the deposited money and the proceeds from U.S. Government Obligations through the Paying Agent and in accordance with this Indenture to the payment of principal of, premium, if any, and interest on the Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon the Company's request any U.S. Legal Tender and U.S. Government Obligations or proceeds therefrom held by it as provided in Section 8.01 or 8.03 which are in excess of the amount thereof that would then be required to be deposited to effect an equivalent discharge of the Indenture pursuant to Section 8.01 or an equivalent Legal Defeasance or Covenant Defeasance pursuant to Section 8.02, as evidenced by a written confirmation, certification or attestation by an Independent Financial Advisor delivered to the Trustee.

SECTION 8.05. Repayment to the Company.

The Trustee and the Paying Agent shall promptly deliver to the Company upon request any excess U.S. Legal Tender and U.S. Government Obligations and proceeds therefrom held by them at any time and thereupon shall be relieved from all liability with respect to such money, securities and proceeds. Subject to any applicable abandoned property law, any money, U.S. Government Obligations or proceeds therefrom deposited with or received by the Trustee or any Paying Agent, or held by the Company or any of its Subsidiaries, in trust for the payment of the principal, premium, if any, or interest on any Note, remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Company on its request or (if then held by the Company or any of its Subsidiaries) shall be discharged from such trust and the Holder of such Note shall thereafter look only to the Company as a general creditor for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such money, U.S. Government Obligations and proceeds, and all liability of the Company or any of its Subsidiaries as trustee thereof, shall thereupon cease.

SECTION 8.06. Reinstatement.

If the Trustee or Paying Agent is unable to apply any U.S. Legal Tender and U.S. Government Obligations (or proceeds therefrom) deposited pursuant to Section 8.01 or 8.03 in accordance with Section 8.04 by reason of any legal proceeding or by reason of any order or

76

judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations

under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.01 or 8.03, as applicable, until such time as the Trustee or Paying Agent is permitted to apply all such U.S. Legal Tender and U.S. Government Obligations in accordance with Section 8.04; *provided* that if the Company or any Guarantor has made any payment of principal of, or premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Company or such Guarantor, as applicable, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the U.S. Legal Tender and U.S. Government Obligations held by the Trustee or Paying Agent.

SECTION 8.07. Indemnity for Government Obligations.

The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against U.S. Government Obligations deposited pursuant to Section 8.01 or 8.03 or the principal and interest received on such U.S. Government Obligations.

ARTICLE 9

AMENDMENTS

SECTION 9.01. Without Consent of Holders.

From time to time, the Company, the Guarantors, if any, and the Trustee, without the consent of the Holders of the Notes, may modify, amend or supplement the Notes, any Guarantees or other guarantees thereof or this Indenture:

(1) to cure any ambiguity or omission; or to correct or supplement any provision contained in this Indenture, any Notes or any Guarantees of the Notes which may be defective or inconsistent with any other provision in this Indenture or any of the Notes or Guarantees;

(2) to provide for uncertificated Notes in addition to or in place of Certificated Notes;

(3) to provide for the assumption of the Company's obligations to the Holders of the Notes by a successor to the Company pursuant to the terms of this Indenture;

(4) to make any change that would provide any additional rights or benefits to the Holders of the Notes or that does not adversely affect in any material respect the rights of any Holder of the Notes;

(5) to provide for any Subsidiary of the Company or any other Person to provide a Guarantee or other guarantee of the Notes, to add, novate, confirm or assume a Guarantee or other guarantee of the Notes, to add security to or for the benefit of the Notes or any Guarantee or other guarantee of the Notes, or to confirm and evidence the release, termination or discharge of any Guarantor,

77

Guarantee, other guarantor or other guarantee of the Notes or any Lien with respect to or securing the Notes or any Guarantee or other guarantee thereof, in each case when such release, termination or discharge is provided for under this Indenture, under any Guarantee or other guarantee or under any instrument or agreement creating or evidencing any such Lien, as the case may be;

(6) to conform the provisions of this Indenture, the Notes or any Guarantees of the Notes to the "Description of the Notes" section of the Offering Memorandum;

(7) to comply with any requirement of the SEC in connection with the qualification of this Indenture under the TIA;

(8) to comply with the rules of any applicable Depositary;

(9) to evidence and provide for the acceptance of appointment under this Indenture of a successor trustee;

(10) to add to the covenants of the Company or any Guarantor for the benefit of the Holders of the Notes, to provide that any such additional covenants shall be subject to Covenant Defeasance, to add Events of Default or to surrender any right or power conferred upon the Company or any Guarantor pursuant to this Indenture;

(11) to provide for the issuance and delivery of Additional Notes; and

(12) to provide for the issuance and delivery of Exchange Notes and the consummation of any related exchange offer as contemplated by any Registration Rights Agreement.

The Company shall not be required to notify Holders of modifications, amendments, or supplements made pursuant to this Section 9.01.

SECTION 9.02. With Consent of Holders.

(a) Without limitation to the provisions of Section 9.01, modifications, amendments and supplements of the Notes, any

Guarantees or other guarantees thereof or this Indenture may be made with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including consents obtained in connection with a purchase of, or a tender offer or exchange offer for, the Notes), and compliance with any provision of the Notes, any Guarantees or other guarantees thereof or this Indenture may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including consents obtained in connection with a purchase of, or a tender offer or exchange offer for, the Notes), except that, without the consent of each Holder of Notes, no amendment, supplement or waiver may:

(1) reduce the amount of Notes whose Holders must consent to an amendment, supplement or waiver;

78

(2) reduce the rate of or change or have the effect of changing the time for payment of interest, including defaulted interest, on any Notes, except pursuant to Section 9.02(a)(6);

(3) reduce the principal of or change or have the effect of changing the final stated maturity of any Notes, or change the date on which any Notes may be subject to redemption or reduce the redemption price therefor;

(4) make any Notes payable in currency other than that stated in the Notes;

(5) make any change in provisions of this Indenture providing that the right of each Holder to receive payment of principal of, premium, if any, and interest on the Notes on or after the due dates thereof or to bring suit to enforce such payment shall not be impaired without the consent of such Holder, or permitting Holders of a majority in principal amount of Notes to waive Defaults or Events of Default; or

(6) amend, supplement, waive or modify the Company's obligation to make an offer to repurchase the Notes pursuant to Section 4.06, or reduce the premium payable upon any such repurchase or change the time at which any Notes may be repurchased pursuant to Section 4.06, whether through an amendment, supplement, waiver or modification of provisions in such covenant or any definitions or other provisions in this Indenture or otherwise, unless such amendment, supplement waiver or modification shall be in effect prior to the occurrence of the applicable Change of Control Triggering Event.

A consent to any modification, amendment, supplement or waiver under this Indenture by any Holder of Notes given in connection with a tender or exchange of such Holder's Notes will not be rendered invalid by such tender or exchange.

(b) It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed modification, amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance of the proposed modification, amendment, supplement or waiver.

(c) After a modification, amendment, supplement, or waiver under Section 9.02(a) becomes effective, the Company shall mail (or otherwise transmit) to the Holders affected thereby at their registered addresses a notice briefly describing the modification, amendment, supplement or waiver. Any failure of the Company to mail (or transmit) such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such modification, amendment, supplement or waiver.

SECTION 9.03. Compliance with Trust Indenture Act.

Every modification, amendment or supplement to this Indenture or the Notes or the Guarantees shall comply with the TIA as then in effect.

79

SECTION 9.04. Revocation and Effect of Consents and Waivers.

Until an amendment, waiver, modification or supplement becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the amendment, waiver, modification or supplement is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note or any portion of its Note by notice to the Trustee and the Company received before the date on which such amendment, supplement, modification or waiver becomes effective. An amendment, supplement, modification or waiver becomes effective in accordance with the terms thereof.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described in this Article 9 or required or otherwise permitted to be given or taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at the close of business on such record date (or their duly designated proxies), and only those Persons, shall be entitled to give any consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent or action shall be valid or effective for more than 120 days after such record date.

After an amendment, supplement, modification or waiver becomes effective, it shall be conclusive and binding on every Holder.

SECTION 9.05. Notation on or Exchange of Notes.

If an amendment, supplement, modification or waiver changes the terms of a Note, the Company may require each Holder of a Note to deliver it to the Trustee. The Company shall provide the Trustee with an appropriate notation on the Note about the changed terms and cause the Trustee to return it to the Holder at the Company's expense. Alternatively, if the Company so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity of such amendment, supplement, modification or waiver.

SECTION 9.06. Trustee To Sign Amendments.

The Trustee shall execute any modification, amendment, supplement or waiver authorized pursuant to this Article 9; *provided* that the Trustee may, but shall not be obligated to, execute any such modification, amendment, supplement or waiver which adversely affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall be entitled to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Opinion of Counsel and an Officers' Certificate each stating that the execution of any amendment, supplement or waiver authorized or permitted pursuant to this Article 9 and, if applicable, constitutes the valid and binding obligation of the Company enforceable against the Company in accordance with its terms (subject to customary exceptions). Such Opinion of Counsel shall be at the expense of the Company.

ARTICLE 10

GUARANTEES

SECTION 10.01. Unconditional Guarantee.

Subject to the provisions of this Article 10 and to the fullest extent permitted by applicable law, each Guarantor hereby, jointly and severally with all other Guarantors (if any), unconditionally and irrevocably guarantees, to each Holder of an outstanding Note authenticated and delivered by the Trustee and to the Trustee and its successors: (a)(x) the due and punctual payment of the principal of, and premium, if any, and interest on the Notes when and as the same shall become due and payable, whether at maturity, upon redemption, by acceleration or otherwise, (y) the due and punctual payment of interest on the overdue principal at the rate per annum set forth in the last paragraph of Section 4.01 and (to the fullest extent permitted by applicable law) overdue premium, if any, and interest on the Notes and (z) the due and punctual payment of all other amounts due from the Company to the Holders or the Trustee under this Indenture or the Notes, all in accordance with the terms of this Indenture and the Notes (collectively, the "Guarantee Obligations"); and (b) in case of any extension of time of payment or renewal of any Notes, the due and punctual payment of the Guarantee Obligations in accordance with the terms of the extension or renewal, whether at maturity, upon redemption, by acceleration or otherwise. Failing payment when due of any amount so guaranteed for whatever reason, each Guarantor shall be obligated to pay, upon written demand by the Trustee, the same immediately.

Each of the Guarantors hereby agrees that (to the fullest extent permitted by applicable law) its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Company, any action to enforce the same, or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each Guarantor hereby waives (to the fullest extent permitted by applicable law) the benefit of diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever (in each case except as required by this Indenture). Each Guarantee is a guarantee of payment and not of collection. Each Guarantor hereby agrees (to the fullest extent permitted by applicable law) that, as between it, on the one hand, and the Holders of Notes and the Trustee, on the other hand, (a) subject to this Article 10, the maturity of certain obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of the Guarantees, notwithstanding (to the fullest extent permitted by applicable law) any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (b) in the event of any acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall (to the extent permitted by applicable law) forthwith become due and payable by the Guarantors for the purpose of the Guarantees.

81

SECTION 10.02. Benefits Acknowledged.

Each Guarantor acknowledges that it will receive direct and/or indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to this Indenture and its Guarantee are knowingly made in contemplation of such benefits.

SECTION 10.03. Limitation on Guarantor Liability.

Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or fraudulent conveyance for purposes of any Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal, foreign or state law to the extent applicable to any Guarantor or Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the

obligations of each Guarantor under its Guarantee and this Article 10 shall be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from, or payments made by or on behalf of, any other Guarantor in respect of the obligations of such Guarantor under its Guarantee and this Article 10, result in the obligations of such Guarantor under its Guarantee and this Article 10 not constituting a fraudulent conveyance or fraudulent transfer under such laws or any other applicable federal, foreign or state laws.

SECTION 10.04. Notation of Guarantee Not Required.

Neither the Company nor any Guarantor shall be required to make a notation on the Notes to reflect any Guarantee or any release, termination, suspension or discharge thereof.

The Company shall cause each Domestic Subsidiary that is required to become a Guarantor pursuant to Section 4.10 to execute and deliver to the Trustee a supplemental indenture pursuant to which such Domestic Subsidiary will agree to be a Guarantor under this Indenture, all on the terms and subject to the conditions specified in Section 4.10, subject to release of such Guarantor and to suspension of its Guarantee as provided in Section 4.05 and Section 10.05.

SECTION 10.05. Release of a Guarantor; Suspension of Guarantees.

(a) A Guarantor's Guarantee of the Notes will automatically terminate and be released, all other obligations of such Guarantor under this Indenture will automatically terminate and such Guarantor will automatically be released from all of its obligations under its Guarantee of the Notes and this Indenture:

(1) upon the sale or other disposition of Capital Stock of such Guarantor, or any merger or consolidation of such Guarantor with or into any Person, which results in such Guarantor no longer being a Subsidiary of the Company or the sale or disposition of all or substantially all the assets of such Guarantor (other than to the Company or a Domestic Subsidiary of the Company that is not an Excluded Subsidiary or a Securitization Entity) so long as such sale, disposition, merger or consolidation is permitted (or not prohibited) by this Indenture;

82

(2) upon delivery by the Company to the Trustee of an Officers' Certificate to the effect that such Guarantor is an Excluded Subsidiary, a Securitization Entity or a Foreign Subsidiary (it being understood that the Company may deliver such Officers' Certificate in respect of any Domestic Subsidiary that is a Guarantor if such Domestic Subsidiary subsequently becomes an Excluded Subsidiary, a Securitization Entity or a Foreign Subsidiary);

(3) upon Legal Defeasance, Covenant Defeasance or discharge of the Notes as provided in Section 8.02 or Section 8.01, as applicable;

(4) if such Guarantor is dissolved or liquidated and such dissolution or liquidation is not an Event of Default (excluding an Event of Default under clause (6) of the first paragraph of Section 6.01);

(5) upon the merger of such Guarantor into, or the consolidation of such Guarantor with, (a) a Subsidiary of the Company if the surviving or resulting entity is an Excluded Subsidiary, Securitization Entity or Foreign Subsidiary or (b) the Company or another Guarantor;

(6) if at any time the outstanding Guaranteed Principal Amount of such Guarantor (provided that, anything herein to the contrary notwithstanding, any Debt Securities that would otherwise be included in calculating such Guaranteed Principal Amount shall be excluded from such calculation if (x) such Guarantor's guarantee of such Debt Securities will be released, terminated, suspended or discharged, (y) such Debt Securities will be repaid, repurchased, defeased, redeemed or otherwise discharged or otherwise will cease to be outstanding or (z) such Debt Securities will cease to meet the requirements for inclusion under clause (a), (b), (c), or (d) of the definition of "Guaranteed Principal Amount," in each case contemporaneously with the termination of such Guarantor's Guarantee of the Notes) shall be less than or equal to \$2.5 million, whether as a result of the release, termination, suspension or discharge of such Guarantor's guarantee of any Debt Securities, the repayment, repurchase, defeasance, redemption or other discharge of any Debt Securities, the release, termination, suspension or discharge of the Company's guarantee of any Guaranteed Subsidiary Debt Securities, or otherwise; or

(7) under the circumstances set forth in Section 5.01(f) or if such Guarantor shall cease to be a Subsidiary of the Company.

(b) In the event that any of the Company's Domestic Subsidiaries shall guarantee the Notes, all of the Guarantees of the Notes and all of the other obligations of the Guarantors under this Indenture will be automatically suspended and will be of no force or effect during any Suspension Period, subject to reinstatement of such Guarantees (other than any such Guarantees that shall have been released or terminated as described in Section 10.05(a)) and, in the case of any Guarantors whose Guarantees shall have been reinstated, the other obligations of such Guarantors under this Indenture on the applicable Reversion Date, all in accordance with Section 4.05.

83

(c) The Trustee shall execute an appropriate instrument prepared by the Company evidencing the release of a Guarantor from, and the

termination of, its obligations under its Guarantee and this Indenture or the suspension of such obligations, as applicable, upon receipt of a request by the Company or such Guarantor accompanied by an Officers' Certificate and an Opinion of Counsel (which opinion may include customary assumptions, limitations and exceptions) certifying as to the compliance with the applicable conditions under Section 4.05 or 10.05(a), as applicable; provided, however, that the legal counsel delivering such Opinion of Counsel may rely as to matters of fact on one or more Officers' Certificates of the Company.

SECTION 10.06. Subrogation.

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by such Guarantor pursuant to the provisions of this Article 10; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

SECTION 10.07. Waiver.

THE NOTES

Section 2.1 Forms of Notes

(a) Offering and Sale of Initial Notes and Additional Notes. The Initial Notes will be offered and sold by the Company to the Initial Purchasers pursuant to the Purchase Agreement. The Company may offer and sell Additional Notes from time to time, including, without limitation, offers and sales pursuant to one or more purchase agreements or underwriting agreements between the Company and one or more initial purchasers or underwriters. The Initial Notes will be resold, and Additional Notes (other than Registered Additional Notes) may be resold, initially only (i) to QIBs in reliance on Rule 144A (Notes so resold in reliance on Rule 144A, the “Rule 144A Notes”) and (ii) to Persons other than U.S. persons in reliance on Regulation S (Notes so resold in reliance on Regulation S, the “Regulation S Notes”). Initial Notes or any such Additional Notes (other than Registered Additional Notes) may thereafter be transferred only to, among others, QIBs in reliance on Rule 144A and non-U.S. persons in reliance on Regulation S, subject to the restrictions on transfer set forth herein and the other applicable requirements of the Indenture.

(b) Global Notes. Unless otherwise provided in an Officers’ Certificate delivered to the Trustee, the Initial Notes and Additional Notes that are initially resold pursuant to Rule 144A shall be issued initially in the form of one or more Global Notes (each a “Rule 144A Global Note”), and Initial Notes and Additional Notes that are initially resold pursuant to Regulation S shall be issued initially in the form of one or more Global Notes (each a “Regulation S Global Note”), in each case bearing the Global Notes Legend and the applicable Restricted Notes Legend. Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Increases or Decreases in Global Note” (or a similar schedule) attached thereto (the “Schedule”). The aggregate principal amount of outstanding Notes represented by a Global Note may be increased or decreased, as applicable, from time to time to reflect transfers, exchanges, redemptions, repurchases and cancellation of Notes represented thereby. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Note Custodian, at the direction of the Registrar, in accordance with Section 2.2 of this Appendix A and any applicable provisions of the Indenture.

(c) Book-Entry Provisions. This Section 2.1(c) shall apply only to a Global Note deposited with or on behalf of the Depository.

Prior to the expiration of the Distribution Compliance Period with respect to a Regulation S Global Note, beneficial interests in such Regulation S Global Note may be held only through Clearstream and Euroclear, as Participants in the Depository, provided, that if DTC is not the Depository for such Regulation S Global Note during such Distribution Compliance Period, beneficial interests in such Regulation S Global Note shall be held in accordance with the customary procedures of whomsoever shall be the Depository. After the expiration of the Distribution Compliance Period with respect to a Regulation S Global Note, holders of beneficial interests in such Regulation S Global Note may also hold interests in such Regulation S Global

Note through Participants in the Depository other than Clearstream and Euroclear, provided, that if DTC is not the Depository for such Regulation S Global Note after such Distribution Compliance Period, beneficial interests in the Regulation S Global Note shall be held in accordance with the customary procedures of whomsoever shall be the Depository.

(d) Certificated Notes. Except as provided in Section 2.15 of the Indenture, owners of beneficial interests in Global Notes will not be entitled to receive Certificated Notes in exchange for their interests in such Global Notes.

Section 2.2 Transfer and Exchange.

(a) Transfer Restrictions. So long as they are Transfer Restricted Notes, the Initial Notes and any Additional Notes (other than Registered Additional Notes) may not be offered, sold or disposed of except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and the securities laws of any other applicable jurisdiction.

Neither a Rule 144A Note nor any interest or participation therein may be offered, sold, assigned, transferred, pledged or otherwise disposed of at any time prior to (x) the date which is six months (assuming the Company satisfies the current public reporting requirements of Rule 144) or one year (if the Company does not) after the later of the date of original issue of such Rule 144A Note (or any predecessor thereto) and the last date on which the Company or any "affiliate" (as defined in Rule 144) of the Company was the owner of such Rule 144A Note (or any predecessor thereto) or any interest or participation in such Rule 144A Note or (y) such later date, if any, as may be required by any subsequent change in applicable law (the "U.S. Resale Restriction Termination Date"), except (a) to the Company or any of its Subsidiaries, (b) pursuant to a registration statement which is effective under the Securities Act, (c) for so long as such Rule 144A Note is eligible for resale pursuant to Rule 144A, to a Person the transferor reasonably believes is a QIB acquiring such Rule 144A Note or such interest or participation for its own account or for the account of another QIB to whom notice is given that the transfer is being made in reliance on Rule 144A in a transaction meeting the requirements of Rule 144A, (d) to a non-U.S. person in an offshore transaction within the meaning of, and in compliance with, Regulation S or (e) pursuant to any other available exemption from the registration requirements of the Securities Act, subject to, in each of the foregoing cases, any requirement of law that the disposition of such Rule 144A Note or such interest or participation be at all times within the transferor's control, and to compliance with the securities laws of any other applicable jurisdiction and with the procedures specified in the Indenture (including this Appendix A).

Until the expiration of the Distribution Compliance Period with respect to a Regulation S Note, such Regulation S Note or any interest or participation therein (i) may not be offered, sold, assigned, transferred, pledged or otherwise disposed within the United States (within the meaning of Regulation S) or to, or for the account or benefit of, a U.S. person, except to a Person that the transferor reasonably believes to be a QIB acquiring such Regulation S Note or such interest or participation for its own account or for the account of another QIB to whom notice is given that the transfer is being made in reliance on Rule 144A in a transaction meeting the requirements of Rule 144A and (ii) except as provided in clause (i) above, may not be

App-A-4

offered, sold, assigned, transferred, pledged or disposed of except to a non-U.S. person in an offshore transaction within the meaning of, and in compliance with, Regulation S, and in each case such offer, sale, assignment, transfer, pledge or disposition must comply with the securities laws of any other applicable jurisdiction and with the procedures specified in the Indenture (including this Appendix A). In addition, during such Distribution Compliance Period, beneficial interests in a Regulation S Global Note may only be held through Euroclear or Clearstream or their respective direct or indirect participants.

The remaining provisions of this Section 2.2 are intended to implement the forgoing restrictions. To the extent that any transfer or exchange of Transfer Restricted Notes (including, without limitation, beneficial interests in Restricted Global Notes) is not covered by a specific procedure in the remaining provisions of this Section 2.2, the Company may implement such procedures and impose such conditions to such exchange or transfer (including, without limitation, the delivery of certificates, legal opinions and other documents) as the Company in its sole discretion may deem necessary or appropriate to implement the foregoing restrictions.

(b) Transfer and Exchange of Certificated Notes. If Certificated Notes are issued in exchange for beneficial interests in Global Notes pursuant to Section 2.15(b) of the Indenture, such Certificated Notes will be registered in the names, and issued in any authorized denominations, requested by or on behalf of the Depository (in accordance with its customary procedures) and, if any such Global Notes are Transfer Restricted Notes, the Certificated Notes issued in exchange for interests therein will bear the Certificated Note Restricted Legend and either the Rule 144A Legend or the Regulation S Legend, as applicable, unless otherwise determined by the Company. If Certificated Notes are issued in exchange for beneficial interests in Global Notes, the Registrar shall reflect on its books and records the date and a decrease in the principal amount of the applicable Global Note in an amount equal to the principal amount of the interests being exchanged for Certificated Notes and the Registrar shall instruct the Note Custodian to decrease or reflect on its records a decrease in the principal amount of such Global Note (and

to record such decrease by endorsement on the Schedule attached to such Global Note) in a principal amount equal to the principal amount of such interests being exchanged. If Certificated Notes are issued in exchange for beneficial interests in a Restricted Global Note, then, unless the Company shall otherwise advise the Trustee and the Registrar in writing, such interests may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.2 (including the certification and other requirements set forth in this Section 2.2 intended to ensure that such exchanges comply with Rule 144A, Regulation S or another applicable exemption from registration under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

When Certificated Notes are presented to the Registrar or a co-Registrar with a request:

(x) to register the transfer of such Certificated Notes; or

(y) to exchange such Certificated Notes for an equal principal amount of Certificated Notes of other authorized denominations,

App-A-5

the Registrar or co-Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met and if the requirements for such registration of transfer or exchange set forth in this Appendix A and Section 2.07 of the Indenture shall have been satisfied; provided, however, that if a Certificated Note surrendered for transfer or exchange bears a Restricted Notes Legend, the Registrar or co-Registrar shall not register the transfer or exchange of such Certificated Note (including any such transfer or exchange to the Company or a Subsidiary of the Company) unless (A) such transferor shall have delivered to the Registrar or co-Registrar a certificate to the effect set forth in Exhibit F to the Indenture, appropriately completed and signed by such transferor, (B) in the case of any transfer or exchange pursuant to any transaction that is exempt from registration under the Securities Act (other than a transfer to the Company or one of its Subsidiaries or a transaction pursuant to Rule 144A or Regulation S), such transferor shall have also delivered to the Registrar or co-Registrar (i) if such transfer or exchange is being made pursuant to Rule 144, a legal opinion addressed to the Company and the Registrar or co-Registrar, in form and substance satisfactory to the Company, to the effect that such transfer or exchange is being made in reliance on Rule 144, that the Holder may transfer such Certificated Note without registration under the Securities Act pursuant to Rule 144 and that, accordingly, the Restricted Note Legend on such Certificated Note may be removed or (ii) if such transfer or exchange is not being made pursuant to Rule 144, a legal opinion addressed to the Company and the Registrar or co-Registrar, in form and substance satisfactory to the Company, to the effect that such transfer or exchange may be effected without registration under the Securities Act and (C) such transferor shall have also delivered to the Company and the Registrar or co-Registrar, as the case may be, any additional certifications, legal opinions and other information as may be required by the Company to determine that the proposed transfer or exchange is being made in compliance with the Securities Act and applicable state or other securities laws. In the case of any such proposed transfer or exchange that requires the delivery of a legal opinion as provided for above, the Registrar or co-Registrar shall notify the Company of such proposed transfer or exchange in order to provide the Company with an opportunity to review such legal opinion and request such additional certifications, legal opinions and other information the Company may require.

(c) Transfer and Exchange of Global Notes. (i) The transfer and exchange of beneficial interests in Global Notes shall be effected through the Depository, in accordance with the Indenture (including this Appendix A) and the procedures of the Depository and, if applicable, Clearstream and Euroclear. In the case of any exchange of a beneficial interest in a Rule 144A Global Note for a beneficial interest in a Regulation S Global Note, and any transfer of a beneficial interest in a Rule 144A Global Note to a Person who wishes to take delivery thereof in the form of a beneficial interest in a Regulation S Global Note, in each case being made prior to expiration of the Distribution Compliance Period with respect to such Regulation S Global Note, the beneficial interests in such Regulation S Global Note must be held through an account with a participant in either Euroclear or Clearstream, or both, as the case may be.

(i) Subject to compliance with the other applicable requirements of this Section 2.2(c), if the proposed transfer is a transfer of a beneficial interest in one Global Note to a beneficial interest in another Global Note, (A) the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the

(iv) Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in another Global Note will, upon transfer, cease to be an interest in such original Global Note and will become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for so long as it remains such an interest.

(v) Notwithstanding any other provisions of this Appendix A, a Global Note may not be transferred except as provided in the first sentence of Section 2.15(b) of the Indenture.

(v) Upon any sale or transfer of a Transfer Restricted Note (including any Transfer Restricted Note represented by a Restricted Global Note) pursuant to Rule 144 under the Securities Act:

App-A-10

(A) in the case of any Transfer Restricted Note that is a Certificated Note, the Registrar shall permit the Holder thereof to transfer such Transfer Restricted Note to a Person who takes delivery thereof in the form of a Certificated Note that does not bear a Restricted Notes Legend; and

(B) in the case of any Transfer Restricted Note that is represented by a Restricted Global Note, the Registrar shall permit the owner of a beneficial interest therein to transfer such Transfer Restricted Note to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note,

in either case, if the Holder of such Note or the owner of such beneficial interest, as the case may be, complies with the requirements of the second paragraph of Section 2.2(b) of this Appendix A (assuming for that purpose, in the case of the transfer of a beneficial interest in a Restricted Global Note, that such Restricted Global Note were a Certificated Note that bears a Restricted Notes Legend and that such second paragraph applies to a transfer of such beneficial interest, mutatis mutandis), including, without limitation, the delivery of a legal opinion to the effect specified in such paragraph for a transfer pursuant to Rule 144 and a certificate to the effect set forth in Exhibit F to the Indenture, appropriately completed and signed by the transferor.

(vi) After a transfer of any Transfer Restricted Notes, pursuant to an effective Shelf Registration Statement with respect to such Transfer Restricted Notes, all requirements pertaining to Restricted Notes Legend on such Notes will cease to apply and the Company shall execute and, upon receipt of a written order of the Company in the form of an Officers' Certificate, the Trustee shall authenticate and make available to or upon the order of the Holders thereof: (A) if such Transfer Restricted Notes are then represented by one or more Global Notes, one or more Unrestricted Global Notes equal to the aggregate principal amounts of such Transfer Restricted Notes (provided that, if at the time there is an existing Unrestricted Global Note, then, in lieu of authenticating and delivering a new Unrestricted Global Note, the interests in such Transfer Restricted Notes may instead be transferred to Persons who take delivery thereof in the form of interests in such existing Unrestricted Global Note) or (B) if such Transfer Restricted Notes are then represented by Certificated Notes, Certificated Notes that do not bear a Restricted Notes Legend, in each case equal to the aggregate principal amount of such Transfer Restricted Notes. Concurrently with the issuance of such Notes, the Registrar shall cause the aggregate principal amount of the applicable Restricted Global Notes to be reduced accordingly and shall instruct the Note Custodian to decrease or reflect on its records a decrease in the principal amount of such Restricted Global Note (and to record such decrease by endorsement on the Schedule attached to such Restricted Global Note) in a principal amount equal to the principal amount of such Transfer Restricted Notes so transferred, and shall either cause the aggregate principal amount of the applicable Unrestricted Global Note to be increased accordingly and shall instruct the Note Custodian to increase or reflect on its records an increase in the principal amount of such Unrestricted Global Notes (and to record such increase by endorsement on the Schedule attached to such Unrestricted Global Note) or shall mail or otherwise deliver the Certificated Notes that do not bear a Restricted Notes Legend to the transferees of the Notes so transferred or any Persons designated by such transferees, as the case may be. In

connection with any such transfer of Transfer Restricted Notes, the transferor shall deliver to the Registrar or co-Registrar a certificate in the form of Exhibit F to the Indenture, appropriately completed and signed by such transferor, to the effect that such transfer is being made pursuant to an effective registration statement under the Securities Act, unless the Company waives the delivery of such certificate.

(vii) Upon the consummation of an Exchange Offer with respect to any Transfer Restricted Notes pursuant to which Holders of such Transfer Restricted Notes receive Exchange Notes pursuant to an effective registration statement under the Securities Act in exchange for their Transfer Restricted Notes, the Company shall execute and, upon receipt of an order from the Company in the form of an Officers' Certificate, the Trustee shall authenticate and make available to or upon the order of the Holders thereof whose Initial Notes or Additional Notes have been accepted for exchange by the Company in such Exchange Offer: (A) if such Transfer Restricted Notes are then represented by one or more Global Notes, Exchange Notes represented by one or more Unrestricted Global Notes equal to the aggregate principal amount of such Transfer Restricted Notes that are accepted for exchange by the Company in the Exchange Offer (provided that, if at the time there is an existing Unrestricted Global Note, then, in lieu of authenticating and delivering a new Unrestricted Global Note, the interests in such Transfer Restricted Notes may instead be transferred to Persons who take delivery thereof in the form of interests in such existing Unrestricted Global Note) or (B) if such Transfer Restricted Notes are then represented by Certificated Notes, Exchange Notes represented by Certificated Notes that do not bear a Restricted Notes Legend, in each case equal to the aggregate principal amounts of such Transfer Restricted Notes that are accepted for exchange by the Company in the Exchange Offer. Concurrently with the issuance of such Notes, the Registrar shall, if applicable, cause the aggregate principal amount of the applicable Restricted Global Notes to be reduced accordingly and shall instruct the Note Custodian to decrease or reflect on its records a decrease in the principal amount of such Restricted Global Note (and to record such decrease by endorsement on the Schedule attached to such Restricted Global Note) in a principal amount equal to the principal amount of the Transfer Restricted Notes being exchanged and shall either cause the aggregate principal amount of the applicable Unrestricted Global Note to be increased by a like principal amount and shall instruct the Note Custodian to increase or reflect on its records a like increase in the principal amount of such Unrestricted Global Notes (and to record such increase by endorsement on the Schedule attached to such Unrestricted Global Note) or shall mail or otherwise deliver a like principal amount of Certificated Notes that do not bear a Restricted Notes Legend to the Holders of the Notes so exchanged or any Persons designated by such Holders pursuant to such Exchange Offer, as the case may be. Any Exchange Notes so issued shall be registered in the names of the Holders of the Notes exchanged therefor or in the names of the Persons designated by such Holders in accordance with the terms of such Exchange Offer.

(viii) Registered Additional Notes shall not be required to bear a Restricted Notes Legend.

(e) Cancellation or Adjustment of Global Note. At such time as all beneficial interests in a Global Note have either been exchanged for Certificated Notes or transferred in

App-A-12

exchange for interests in an Unrestricted Global Note, or all of the outstanding Notes shall have been redeemed, repurchased or canceled, such Global Note shall be returned by the Depository to the Trustee for cancellation as provided in Section 2.12 of the Indenture. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Certificated Notes, transferred in exchange for an interest in another Global Note or redeemed, repurchased or canceled or if a beneficial interest in another Global Note is transferred in exchange for an interest in such Global Note or if Additional Notes or Exchange Notes are issued and are to be evidenced by such Global Note, then in each case, the Registrar shall cause the aggregate principal amount of the applicable Global Note or Global Notes to be reduced or increased, as applicable, and shall instruct the Note Custodian to decrease or increase, or reflect on its records a decrease or increase, as the case may be, in the principal amount of such Global Note or Global Notes (and to record such decrease or increase, as the case may be, by endorsement on the Schedule attached to each such Global Note in the applicable principal amount).

(REVERSE OF NOTE)

5.000% Senior Note due 2021

Section 1. Interest

Starwood Property Trust, Inc., a Maryland corporation (the “**Company**,” which term includes its successors under the Indenture referred to below), promises to pay interest on the principal amount of this Note at a rate of 5.000% per annum until December 15, 2021 or such earlier date on which the principal of this Note shall have been paid or duly provided for. The Company will pay interest semi-annually in arrears on June 15 and December 15 of each year (each an “**Interest Payment Date**”) or, if any such day is not a Business Day, on the next succeeding Business Day, commencing June 15, 2017. Interest on the Notes will accrue from the most recent date to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from and including December 16, 2016; *provided* that if this Note is authenticated between a Record Date referred to on the face hereof and the next succeeding Interest Payment Date, interest on this Note shall accrue from such next succeeding Interest Payment Date. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

Section 2. Method of Payment

Interest on the Notes payable on any Interest Payment Date will be paid to the Persons who are the Holders of record of the Notes at the close of business on the Record Date (whether or not a Business Day) immediately preceding such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. Holders must surrender Notes to a Paying Agent to receive payments of principal and premium, if any. The Company will pay the principal of and premium, if any, and interest on the Notes in U.S. Legal Tender. The Company will pay the principal and premium, if any, on, and may pay interest on, any Certificated Notes at the office or agency maintained by the Company for such purpose in New York, New York, upon surrender of such Certificated Notes by the Holders thereof at such office or agency. Interest on any Certificated Notes may also be paid, at the Company’s option, by check mailed to the registered addresses of the Holders entitled thereto or by wire transfer to accounts in the United States of America specified by such Holders. The Company will pay the principal of and premium, if any, and interest on Global Notes registered in the name of the Depository or its nominee in immediately available funds to the Depository or its nominee, as the case may be, as Holder of such Global Notes.

Section 3. Paying Agent and Registrar

Initially, The Bank of New York Mellon, the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may replace or change any Paying Agent, Registrar or co Registrar so long as there is a Paying Agent and Registrar in New York, New York, and may appoint additional Paying Agents and co-Registrars, in each case without notice to Holders. The Company or any of its Domestic Subsidiaries may act as Registrar, co Registrar or Paying Agent.

A-5

Section 4. Indenture

The Company issued the Notes under an Indenture dated as of December 16, 2016 (as amended or supplemented from time to time, the “**Indenture**”) between the Company and The Bank of New York Mellon, as trustee (together with its successors in such capacity, the “**Trustee**”). The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the TIA. The Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. Terms defined in the Indenture and not defined in this Note have the meanings ascribed thereto in the Indenture.

Section 5. Optional Redemption

(a) Prior to September 15, 2021 (the “**Par Call Date**”), the Notes may be redeemed in whole or in part at the Company’s option at any time and from time to time at a price equal to 100% of the principal amount thereof plus the Applicable Premium as of, and accrued but unpaid interest, if any, to, but excluding, the applicable Redemption Date (subject to the right of the Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to such Redemption Date).

“**Applicable Premium**” means, with respect to any Note on any Redemption Date for such Note, the greater of: (1) 1.0% of the principal amount of such Note and (2) the excess, if any, of (a) the present value as of such Redemption Date of (i) the redemption price of such Note on the Par Call Date (such redemption price being 100% of the principal amount of such Note) plus (ii) all required remaining scheduled interest payments due on such Note to, but excluding, the Par Call Date, excluding accrued but unpaid interest to the Redemption Date, computed using a discount rate equal to the Treasury Rate plus 50 basis points, over (b) the principal amount of such Note. Calculation of the Applicable Premium and the Treasury Rate will be made by the Company or on behalf of the Company by such Person as the Company shall designate; provided, however, that such calculation shall not be a duty or obligation of the Trustee.

“**Treasury Rate**” means, with respect to a Redemption Date for any Note, the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) that has become publicly available at least two Business Days prior to the first day on which the Company mails or otherwise transmits the notice of redemption or, in the case of redemption in connection with Legal Defeasance, Covenant Defeasance or satisfaction and discharge pursuant to Section 8.02 or 8.01 of the Indenture, as applicable, at least two Business Days prior to the deposit of trust funds with the Trustee in accordance with the applicable provisions of the Indenture (or, if such Statistical Release is no longer published, any publicly available source of similar market data selected by the Company)) most nearly equal to the period from such Redemption Date to the Par Call Date; provided, however, that if such period is not equal to the constant maturity of the United States Treasury security for which a weekly average yield is given, the Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if such period is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

A-6

(b) On and after the Par Call Date, the Notes may be redeemed in whole or in part at the Company’s option at any time and from time to time at a price equal to 100% of the principal amount thereof plus accrued and unpaid interest, if any, to, but excluding, the applicable Redemption Date (subject to the right of the Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to such Redemption Date).

(c) Prior to December 15, 2019, the Company will be entitled at its option on one or more occasions to redeem the Notes in an aggregate principal amount not to exceed 35% of the aggregate principal amount of the Notes (including any Additional Notes) originally issued prior to the applicable Redemption Date at a redemption price (expressed as a percentage of the principal amount of the Notes to be redeemed) of 105.000%, plus accrued but unpaid interest, if any, to, but excluding, the applicable Redemption Date (subject to the right of the Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to such Redemption Date), with the Net Cash Proceeds from one or more Qualified Equity Offerings; provided, however, that:

- (1) at least 65% of the aggregate principal amount of Notes (including any Additional Notes) originally issued prior to the applicable Redemption Date remains outstanding immediately after the occurrence of each such redemption (other than Notes held, directly or indirectly, by the Company or any of its Affiliates); and
- (2) each such redemption occurs within 180 days after the date of the closing of the related Qualified Equity Offering.

(d) Any redemption of the Notes pursuant to this Section 5 may, in the Company’s sole discretion, be subject to one or more conditions precedent and, in such case, if any such condition is not satisfied as and when required or waived by the Company, the applicable Redemption Date may be delayed by the Company in its sole discretion and the Company in its sole discretion may cancel such redemption and rescind any notice of redemption, all as further provided in the Indenture.

Section 6. Sinking Fund

Except as described in Section 8 below, the Company is not required to make any mandatory redemption, mandatory repurchase or sinking fund payments with respect to the Notes. The Company may at any time and from time to time acquire Notes by means other than a redemption or a repurchase pursuant to Section 8 below, whether by tender offer, open market purchases, negotiated transactions or otherwise.

Section 7. Selection of Notes for Redemption; Notice of Redemption

If less than all of the Notes are to be redeemed at any time, selection of the Notes for redemption will be made by the Trustee pro rata or by lot; provided that, in the case of Notes represented by one or more Global Notes, interests in the Global Notes will be selected for redemption by the Depository in accordance with its applicable procedures therefor.

A-7

Notes shall be redeemed in a minimum principal amount of \$1,000 and integral multiples of \$1,000 in excess thereof; provided that the remaining principal amount of any Note redeemed in part shall be \$2,000 or an integral multiple of \$1,000 in excess thereof. Notice of any redemption will be given as provided in the Indenture at least 30 but not more than 60 days before the applicable Redemption Date to each Holder of Notes to be redeemed.

On and after the Redemption Date, interest will cease to accrue on the Notes or portions thereof called for redemption as long as the Company has deposited with a Paying Agent, on or before the applicable Redemption Date, funds in an amount sufficient to pay the redemption price of the Notes or portions thereof called for redemption on such Redemption Date and accrued and unpaid interest, if any, thereon to, but excluding, such Redemption Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to such Redemption Date), and the only remaining right of the Holders of the Notes or portions thereof called for redemption will be to receive payment of the redemption price and such accrued and unpaid interest, if any, upon surrender of the Notes to be redeemed to the Paying Agent.

Section 8. Repurchase of Notes at the Option of Holders upon Change of Control Triggering Event

Upon the occurrence of a Change of Control Triggering Event, each Holder of Notes will have the right (unless the Company has exercised its right to redeem all of the Notes then outstanding pursuant to Section 5 above by sending (or causing the Trustee to send) a notice of redemption as provided in Article 3 of the Indenture) to require that the Company purchase all or a portion of such Holder's Notes pursuant to a Change of Control Offer at a purchase price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to, but excluding, the applicable Change of Control Payment Date (subject to the right of Holders of record on the relevant Record Date to receive interest due on any Interest Payment Date falling on or prior to the Change of Control Payment Date).

Interest on Notes (or portions thereof) validly tendered and not withdrawn pursuant to a Change of Control Offer will cease to accrue on and after the applicable Change of Control Payment Date (unless the Company shall default in the payment of the Change of Control Purchase Price of the Notes).

Section 9. Guarantees

In the event that one or more Guarantors shall guarantee payment of the Notes as provided in Article 10 of the Indenture, the payment of the principal of, and premium, if any, and interest on, the Notes will be unconditionally and irrevocably guaranteed, jointly and severally, by such Guarantors on the terms, to the extent and subject to the conditions and limitations set forth in the Indenture, including provisions for the release and termination or suspension of such Guarantees and the obligations of each Guarantor from its obligations under its Guarantee of the Notes and the Indenture.

A-8

Section 10. Denominations; Transfer; Exchange

The Notes are issued in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged for an equal principal amount of Notes of other authorized denominations as requested by the Holder if the Registrar's or co-Registrar's requirements and the requirements under the Indenture (including, if applicable, Appendix A of the Indenture) for such transaction are met. The Company, the Registrar, any co-Registrar and the Trustee may also require a Holder to furnish endorsements and transfer documents as any of them may reasonably request in connection with the registration of transfer or exchange of Notes in addition to any documents that are required or may be required as provided in the Indenture (including, without limitation, Appendix A thereto), and the Company, the Registrar, any co-Registrar and the Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith. The Registrar or any co-Registrar shall not be required to register the transfer of or exchange any Note (i) during a period beginning at the opening of business 15 days before the mailing (or, if not mailed, other transmittal) of a notice of redemption of Notes and ending at the close of business on the day of such mailing (or other transmittal), (ii) selected for redemption in whole or in part pursuant to Article 3 of the Indenture, except the unredeemed portion of any Note being redeemed in part, (iii) between a Record Date and the next succeeding Interest Payment Date, or (iv) tendered for repurchase pursuant to a Change of Control Offer and not validly withdrawn.

Section 11. Persons Deemed Owners

Subject to the provisions of the Indenture and to the fullest extent permitted by applicable law, the Holder of a Note may be treated as the absolute owner thereof for all purposes.

Section 12. Unclaimed Money

Subject to any applicable abandoned property law, if money for the payment of principal, premium, if any, or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its request. After any such payment, Holders entitled to the money must look only to the Company as a general creditor and not to the Trustee or Paying Agent for payment.

Section 13. Discharge, Legal Defeasance and Covenant Defeasance; Covenant Suspension

Subject to certain conditions, the Company at any time may terminate some of or all its obligations under the Notes and the Indenture if the Company deposits with the Trustee money and/or U.S. Government Obligations for the payment of principal, premium, if any, and interest on the Notes to redemption or maturity, as the case may be. Subject to certain conditions, certain of the Company's covenants and obligations under

the Indenture may be suspended. Upon any such termination or suspension, any Guarantees of the Notes, and the obligations of any Guarantors under the Indenture and their Guarantees, will also be terminated or suspended, as applicable.

Section 14. Amendment, Waiver, Deemed Consents, Releases

The Indenture, the Notes and any Guarantees or any other guarantees thereof may be modified, amended or supplemented as provided in the Indenture, and compliance with any provision of the Indenture, the Notes or the Guarantees or any other guarantees thereof may be waived, as provided in the Indenture. Any modification, amendment, supplement or waiver shall be conclusive and binding on all present and future Holders of Notes, whether or not notation of such modification, amendment, supplement or waiver is made upon the Notes.

Section 15. Defaults and Remedies

If an Event of Default (other than an Event of Default resulting from certain events of bankruptcy or insolvency relating to the Company) shall occur and be continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the outstanding Notes may, and the Trustee at the request of such Holders shall, declare the principal of and accrued and unpaid interest on all of the outstanding Notes to be due and payable by notice in writing to the Company as provided in the Indenture. If an Event of Default resulting from certain events of bankruptcy or insolvency relating to the Company occurs and is continuing, then all principal of, and accrued and unpaid interest on, all of the outstanding Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Holders of a majority in aggregate principal amount of the outstanding Notes may rescind and cancel any such acceleration and its consequences on the terms and subject to the conditions provided in the Indenture.

Section 16. Individual Rights of Trustee

The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar or co-Registrar may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11 of the Indenture.

Section 17. No Recourse Against Others

A director, officer, employee, incorporator, stockholder, partner or member of, or owner of an equity interest in, the Company or any Guarantor shall not have any liability for any obligations of the Company or any Guarantor under the Notes, the Indenture or the Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note shall be deemed to have waived and released all such liability. Such waiver and release are part of the consideration for issuance of the Notes.

Section 18. Successors

Subject to certain exceptions set forth in the Indenture, when a successor assumes all the obligations of its predecessor under the Notes and the Indenture in accordance with the terms of the Indenture, the predecessor will be released from those obligations.

The Company and any Guarantors shall commence the Exchange Offer promptly after the Exchange Offer Registration Statement is declared effective by the SEC and use their commercially reasonable efforts to complete the Exchange Offer by the Target Registration Date.

The Company and any Guarantors shall commence the Exchange Offer by mailing the related Prospectus, appropriate letters of transmittal and other accompanying documents to each Holder stating, in addition to such other disclosures as are required by applicable law, substantially the following:

- (i) that the Exchange Offer is being made pursuant to this Agreement and that all Registrable Securities validly tendered and not properly withdrawn will be accepted for exchange;
- (ii) the dates of acceptance for exchange (which shall be a period of at least 20 Business Days from the date such notice is mailed) (the “Exchange Dates”);
- (iii) that any Registrable Security not tendered will remain outstanding and continue to accrue interest but will not retain any rights under this Agreement, except as otherwise specified herein;
- (iv) that any Holder electing to have a Registrable Security exchanged pursuant to the Exchange Offer will be required to (A) surrender such Registrable Security, together with the appropriate letters of transmittal, to the institution and at the address and in the manner specified in the notice, or (B) effect such exchange otherwise in compliance with the applicable procedures of the depository for such Registrable Security, in each case prior to the close of business on the last Exchange Date; and
- (v) that any Holder will be entitled to withdraw its election, not later than the close of business on the last Exchange Date, by (A) sending to the institution and at the address specified in the notice, a telegram, facsimile transmission or letter setting forth the name of such Holder, the principal amount of Registrable Securities delivered for exchange and a statement that such Holder is

4

withdrawing its election to have such Securities exchanged or (B) effecting such withdrawal in compliance with the applicable procedures of the depositary for the Registrable Securities.

As a condition to participating in the Exchange Offer, a Holder will be required to represent to the Company and any Guarantors that (1) any Exchange Securities to be received by it will be acquired in the ordinary course of its business, (2) at the time of the commencement of the Exchange Offer it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Securities in violation of the provisions of the Securities Act, (3) it is not an “affiliate” (within the meaning of Rule 405 under the Securities Act) of the Company or any Guarantor and (4) if such Holder is a broker-dealer that will receive Exchange Securities for its own account in exchange for Registrable Securities that were acquired as a result of market-making or other trading activities, then such Holder will deliver a Prospectus (or, to the extent permitted by law, make available a Prospectus to purchasers) in connection with any resale of such Exchange Securities.

As soon as practicable after the last Exchange Date, the Company and any Guarantors shall:

- (i) accept for exchange Registrable Securities or portions thereof validly tendered and not properly withdrawn pursuant to the Exchange Offer; and
- (ii) deliver, or cause to be delivered, to the Trustee for cancellation all Registrable Securities or portions thereof so accepted for exchange by the Company and issue, and cause the Trustee to promptly authenticate and deliver to each Holder, Exchange Securities equal in principal amount to the principal amount of the Registrable Securities tendered by such Holder.

The Company and any Guarantors shall use their commercially reasonable efforts to complete the Exchange Offer as provided above and shall comply with the applicable requirements of the Securities Act, the Exchange Act and other applicable laws and regulations in connection with the Exchange Offer. The Exchange Offer shall not be subject to any conditions, other than that the Exchange Offer does not violate any applicable law or applicable interpretations of the Staff.

(b) In the event that (i) the Company and any Guarantors determine that the Exchange Offer Registration provided for in Section 2 (a) hereof is not available or the Exchange Offer may not be completed because it would violate any applicable law or applicable interpretations of the Staff, (ii) the Exchange Offer is not for any other reason completed by the Target Registration Date or (iii) upon receipt of a written request (a “Shelf Request”) from any Initial Purchaser representing that it holds Registrable Securities that are or were ineligible to be exchanged in the Exchange Offer, the Company and any Guarantors shall use their commercially reasonable efforts to cause to be filed on or prior to that date that is 90 days after the Target Registration Date a Shelf Registration Statement providing for the sale of all the Registrable Securities by the Holders thereof and to cause such Shelf Registration Statement to be declared effective under the Securities Act; provided that no Holder will be entitled to have any Registrable Securities included in any Shelf Registration Statement, or entitled to use the prospectus forming a part of such Shelf Registration Statement, until such Holder shall have delivered a completed and signed Notice and Questionnaire and provided such other information regarding such Holder to the Company as is contemplated by Section 3(b) hereof.

In the event that the Company and any Guarantors are required to file a Shelf Registration Statement pursuant to clause (iii) of the preceding sentence, the Company and any Guarantors shall use their commercially reasonable efforts to file and have become effective both an Exchange Offer Registration Statement pursuant to Section 2(a) hereof with respect to all Registrable Securities and a Shelf Registration Statement (which may be a combined Registration Statement with the Exchange Offer Registration Statement) with respect to offers and sales of Registrable Securities held by the Initial Purchasers after completion of the Exchange Offer.

The Company and any Guarantors shall use commercially reasonable efforts to keep such Shelf Registration Statement continuously effective, supplemented and amended as required by the provisions of Section 3 hereof (A) to the extent necessary to ensure that it is available for resales of Registrable Securities registered pursuant to such Shelf Registration Statement by the Holders of such Registrable Securities entitled to the benefit of this Section 2(b), (B) to ensure that it conforms with the requirements of this Agreement, the Securities Act and the

policies, rules and regulations of the SEC as announced from time to time, and (C) if reasonably requested by a Holder of Registrable Securities with respect to information regarding such Holder, for a period that ends upon the earliest of (i) one year from the date on which such Shelf Registration Statement is declared effective by the SEC, (ii) when all the Registrable Securities covered by such Shelf Registration Statement have been sold pursuant to such Shelf Registration Statement or the Securities cease to be Registrable Securities or (iii) the date when the Holders of such Registrable Securities, other than Holders that are “affiliates” (as defined in Rule 144 under the Securities Act) of the Company or any Guarantors, are able to sell such Registrable Securities without restriction, and without reliance as to the availability of current public information, pursuant to Rule 144 under the Securities Act or any successor rule thereto; provided that the Company and any Guarantors may delay the initial filing or suspend the effectiveness of any Shelf Registration Statement (and suspend the use of the Prospectus that is part of such Shelf Registration Statement) for a period of up to 60 days in any three-month period, not to exceed 90 days in any calendar year, if the Company or any Guarantors determine in good faith that the initial filing or continuing effectiveness of such Shelf Registration Statement would require premature disclosure of material, non-public information that could reasonably be expected to adversely affect the Company or any Guarantors or a financing, acquisition, merger or other material transaction to which the Company or any Guarantors is a party or has under consideration, or such action is otherwise required by law. For the avoidance of doubt, any such suspension by the Company in accordance with the foregoing proviso shall not constitute a Registration Default.

(c) The Company and any Guarantors shall pay all Registration Expenses in connection with any registration pursuant to Section 2 (a) or Section 2(b) hereof. Each Holder shall pay all underwriting discounts and commissions, brokerage commissions and transfer taxes, if any, relating to the sale or disposition of such Holder’s Registrable Securities pursuant to the Shelf Registration Statement.

(d) An Exchange Offer Registration Statement pursuant to Section 2(a) hereof will not be deemed to have become effective unless it has been declared effective by the SEC. A Shelf Registration Statement pursuant to Section 2(b) hereof will not be deemed to have become effective unless it has been declared effective by the SEC or is automatically effective upon filing with the SEC as provided by Rule 462 under the Securities Act.

(e) If a Registration Default occurs, the interest rate on the Registrable Securities will be increased by 0.25% per annum (such interest, the “Additional Interest”) until but excluding the date such Registration Default ends. A Registration Default ends when the Securities cease to be Registrable Securities or, if earlier, (1) in the case of a Registration Default under clause (i) of the definition thereof, when the Exchange Offer is completed, (2) in the case of a Registration Default under clause (ii) of the definition thereof, when the Shelf Registration Statement becomes effective or (3) in the case of a Registration Default under clause (iii) of the definition thereof, when the Shelf Registration Statement again becomes effective. If at any time more than one Registration Default has occurred and is continuing, then, until the next date that there is no Registration Default, the increase in interest rate provided for by this paragraph shall apply as if there occurred a single Registration Default that begins on the date that the earliest such Registration Default occurred and ends on such next date that there is no Registration Default.

3. Registration Procedures. (a) In connection with their obligations pursuant to Section 2(a) and Section 2(b) hereof, the Company and any Guarantors shall:

(i) prepare and file with the SEC a Registration Statement on the appropriate form under the Securities Act, which form (A) shall be selected by the Company and any Guarantors, (B) shall, in the case of a Shelf Registration, be available for the sale of the Registrable Securities by the Holders thereof and (C) shall comply as to form in all material respects with the requirements of the applicable form and include all financial statements required by the SEC to be filed therewith; and use their commercially reasonable efforts to cause such Registration Statement to become effective and remain effective for the applicable period in accordance with Section 2 hereof;

(vi) notify counsel for the Initial Purchasers and, in the case of a Shelf Registration, notify each Participating Holder and counsel for such Participating Holders promptly and, if requested by any such Participating Holder or counsel, confirm such advice in writing (1) when a Registration Statement has become effective, when any post-effective amendment thereto has been filed and becomes effective, when any Free Writing Prospectus has been filed or any amendment or supplement to the Prospectus or any Free Writing Prospectus has been filed, (2) of any request by the SEC or any state securities authority for amendments and supplements to a Registration Statement, Prospectus or any Free Writing Prospectus or for additional information after the Registration Statement has become effective, (3) of the issuance by the SEC or any state securities authority of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, including the receipt by the Company of any notice of objection of the SEC to the use of a Shelf Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) under the Securities Act, (4) if, between the applicable effective date of a Shelf Registration Statement and the closing of any sale of Registrable Securities covered thereby, the representations and warranties of the Company or any Guarantor contained in any underwriting agreement, securities sales agreement or other similar agreement, if any, relating to an offering of such Registrable Securities cease to be true and correct in all material respects or if the Company or any Guarantor receives any notification with respect to the suspension of the qualification of the Registrable Securities for sale in any jurisdiction or the initiation of any proceeding for such purpose, (5) of the happening of any event during the period a Registration Statement is effective that makes any statement made in such Registration Statement or the related Prospectus or any Free Writing Prospectus untrue in any material respect or that requires the making of any changes in

such Registration Statement or Prospectus or any Free Writing Prospectus in order to make the statements therein not misleading and (6) of any determination by the Company or any Guarantor that a post-effective amendment to a Registration Statement or any amendment or supplement to the Prospectus or any Free Writing Prospectus would be appropriate;

(vii) use their commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement or, in the case of a Shelf Registration, the resolution of any objection of the SEC pursuant to Rule 401(g)(2) under the Securities Act, including by filing an amendment to such Registration Statement on the proper form, at the earliest possible moment and provide immediate notice to each Holder or Participating Holder of the withdrawal of any such order or such resolution;

disposition by such Holder of such Registrable Securities as the Company and any Guarantors may from time to time reasonably request.

(c) Each Participating Holder agrees that, upon receipt of any notice from the Company and any Guarantors of the happening of any event of the kind described in Section 3(a)(vi)(3) or Section 3(a)(vi)(5) hereof, such Participating Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Shelf Registration Statement until such Participating Holder's receipt of the copies of the supplemented or amended Prospectus and any Free Writing Prospectus contemplated by Section 3(a)(x) hereof and, if so directed by the Company and any Guarantors, such Participating Holder will deliver to the Company and any Guarantors all copies in its possession, other than permanent file copies then in such Participating Holder's possession, of the Prospectus and any Free Writing Prospectus covering such Registrable Securities that is current at the time of receipt of such notice.

(d) If the Company and any Guarantors shall give a notice pursuant to Section 3(a)(x) hereof to suspend the disposition of Registrable Securities pursuant to a Registration Statement, the Company and any Guarantors shall extend the period during which such Registration Statement shall be maintained effective pursuant to this Agreement by the number of days during the period from and including the date of the giving of such notice to and including the date when the Holders of such Registrable Securities shall have received copies of the supplemented or amended Prospectus or any Free Writing Prospectus necessary to resume such dispositions; provided, however, that no such extension shall be taken into account in determining whether Additional Interest is due pursuant to Section 2(e) hereof or the amount of such Additional Interest with respect to the Registrable Securities covered by or related to such Registration Statement, it being agreed that the suspension of a Registration Statement pursuant to this paragraph shall be treated as a Registration Default for purposes of Section 2(e) hereof in the case of an Exchange Offer Registration Statement required pursuant to Section 2(a) hereof, if such suspension exceeds an aggregate of 30 days in any three-month period or an aggregate of 60 days in any six-month period, and in the case of a Shelf Registration Statement required pursuant to Section 2(b) hereof, if such suspension exceeds an aggregate of 60 days in any three month period or an aggregate of 90 days in any calendar year.

(e) The Participating Holders who desire to do so may sell such Registrable Securities in an Underwritten Offering. In any such Underwritten Offering, the investment bank or investment banks and manager or managers (each an "Underwriter") that will administer the offering

will be selected by the Holders of a majority in principal amount of the Registrable Securities included in such offering.

4. **Participation of Broker-Dealers in Exchange Offer.** (a) The Staff has taken the position that any broker-dealer that receives Exchange Securities for its own account in the Exchange Offer in exchange for Securities that were acquired by such broker-dealer as a result of market-making or other trading activities (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Securities.

The Company and any Guarantors understand that it is the Staff's position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Securities, without naming the Participating Broker-Dealers or specifying the amount of Exchange Securities owned by them, such Prospectus may be delivered by Participating Broker-Dealers (or, to the extent permitted by law, made available to purchasers) to satisfy their prospectus delivery obligation under the Securities Act in connection with resales of Exchange Securities for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

(b) In light of the above, and notwithstanding the other provisions of this Agreement, the Company and any Guarantors agree to amend or supplement the Prospectus contained in the Exchange Offer Registration Statement for a period ending on the earlier of (i) 180 days from the date on which such Exchange Offer Registration Statement is declared effective and (ii) the date on which a Participating Broker-Dealer is no longer required to deliver the Prospectus in connection with such resales, in order to expedite or facilitate the disposition of any Exchange Securities by Participating Broker-Dealers consistent with the positions of the Staff recited in Section 4(a) above. The Company and any Guarantors further agree that Participating Broker-Dealers shall be

10

authorized to deliver such Prospectus (or, to the extent permitted by law, make available) during such period in connection with the resales contemplated by this Section 4.

(c) The Initial Purchasers shall have no liability to the Company, any Guarantor or any Holder with respect to any request that they may make pursuant to Section 4(b) hereof.

5. **Indemnification and Contribution.** (a) The Company and each Guarantor (if any), jointly and severally, agree to indemnify and hold harmless each Initial Purchaser and each Holder, their respective affiliates, directors and officers and each Person, if any, who controls any Initial Purchaser or any Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages and liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred), joint or several, that arise out of, or are based upon, (1) any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or any omission or alleged omission to state therein a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or (2) any untrue statement or alleged untrue statement of a material fact contained in any Prospectus, any Free Writing Prospectus or any "issuer information" ("Issuer Information") filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or any omission or alleged omission to state therein a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, in each case except insofar as such losses, claims, damages or liabilities arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to any Initial Purchaser or information relating to any Holder furnished to the Company or any Guarantors by such Initial Purchaser or Holder expressly for use in any Registration Statement, any Prospectus or any Free Writing Prospectus. In connection with any Underwritten Offering permitted by Section 3, the Company and any Guarantors, jointly and severally, will also indemnify the Underwriters, if any, selling brokers, dealers and similar securities industry professionals participating in the distribution, their respective affiliates and each Person who controls such Persons (within the meaning of the Securities Act and the Exchange Act) to the same extent as provided above with respect to the indemnification of the Holders, if requested in connection with any Registration Statement, any Prospectus or any Free Writing Prospectus or any Issuer Information.

(b) Each Holder agrees, severally and not jointly, to indemnify and hold harmless the Company, any Guarantors, the Initial Purchasers and the other selling Holders, the respective directors of the Company and any Guarantors, each officer of the Company and any Guarantors who signed the Registration Statement, and each Person, if any, who controls the Company, any Guarantors, any Initial Purchaser and any other selling Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act to the same extent as the indemnity set forth in paragraph (a) above, but only with respect to any losses, claims, damages or liabilities (including, without limitation, legal fees and other expenses incurred in connection with any suit, action or proceeding or any claim asserted, as such fees and expenses are incurred) that arise out of, or are based upon, any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with any information relating to such Holder furnished to the Company in writing by such Holder expressly for use in any Registration Statement, any Prospectus and any Free Writing Prospectus.

(c) If any suit, action, proceeding (including any governmental or regulatory investigation), claim or demand shall be brought or asserted against any Person in respect of which indemnification may be sought pursuant to either paragraph (a) or (b) above, such Person (the "Indemnified Person") shall promptly notify the Person against whom such indemnification may be sought (the "Indemnifying Person") in writing; provided that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have under paragraph (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided, further, that the failure to notify the Indemnifying Person shall not relieve it from any liability that it may have to an Indemnified Person otherwise than under paragraph (a) or (b) above. If any such proceeding shall be brought or asserted against an Indemnified Person and it shall have notified the Indemnifying Person thereof, the Indemnifying Person shall retain counsel reasonably satisfactory to the Indemnified Person to represent the Indemnified Person and any others entitled to indemnification pursuant to this Section 5 that the Indemnifying Person may designate

in such proceeding and shall pay the fees and expenses of such proceeding and shall pay the fees and expenses of such counsel related to such proceeding, as incurred. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified

Person unless: (i) the Indemnifying Person and the Indemnified Person shall have mutually agreed to the contrary; (ii) the Indemnifying Person has failed within a reasonable time to retain counsel reasonably satisfactory to the Indemnified Person; (iii) the Indemnified Person shall have reasonably concluded that there may be legal defenses available to it that are different from or in addition to those available to the Indemnifying Person; or (iv) the named parties in any such proceeding (including any impleaded parties) include both the Indemnifying Person and the Indemnified Person and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood and agreed that the Indemnifying Person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all Indemnified Persons, and that all such fees and expenses shall be reimbursed as they are incurred. Any such separate firm (x) for any Initial Purchaser, its affiliates, directors and officers and any control Persons of such Initial Purchaser shall be designated in writing by J.P. Morgan, (y) for any Holder, its directors and officers and any control Persons of such Holder shall be designated in writing by the Majority Holders and (z) in all other cases shall be designated in writing by the Company. The Indemnifying Person shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Indemnifying Person agrees to indemnify each Indemnified Person from and against any loss or liability by reason of such settlement or judgment. No Indemnifying Person shall, without the written consent of the Indemnified Person, effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnification could have been sought hereunder by such Indemnified Person, unless such settlement (A) includes an unconditional release of such Indemnified Person, in form and substance reasonably satisfactory to such Indemnified Person, from all liability on claims that are the subject matter of such proceeding and (B) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person.

(d) If the indemnification provided for in paragraphs (a) and (b) above is unavailable to an Indemnified Person or insufficient in respect of any losses, claims, damages or liabilities referred to therein, then each Indemnifying Person under such paragraph, in lieu of indemnifying such Indemnified Person thereunder, shall contribute to the amount paid or payable by such Indemnified Person as a result of such losses, claims, damages or liabilities (i) in such proportion as is appropriate to reflect the relative benefits received by the Company and any Guarantors on the one hand and by the Holders on the other from the offering of the Securities and the Exchange Securities or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) but also the relative fault of the Company and any Guarantors on the one hand and the Holders on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, as well as any other relevant equitable considerations. The relative fault of the Company and any Guarantors on the one hand and the Holders on the other shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company and any Guarantors or by the Holders and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(e) The Company, any Guarantors and the Holders agree that it would not be just and equitable if contribution pursuant to this Section 5 were determined by pro rata allocation (even if the Holders were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in paragraph (d) above. The amount paid or payable by an Indemnified Person as a result of the losses, claims, damages and liabilities referred to in paragraph (d) above shall be deemed to include, subject to the limitations set forth above, any legal or other expenses incurred by such Indemnified Person in connection with any such action or claim. Notwithstanding the provisions of this Section 5, in no event shall a Holder be required to contribute any amount in excess of the amount by which the total price at which the Securities or Exchange Securities sold by the Holder or, in the case of a Holder that is a Holder only as an Initial Purchaser, the total discounts and commissions received by such Initial Purchaser with respect to the Securities or Exchange Securities sold by such Initial Purchaser, exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The Holders' obligations to contribute pursuant to this Section 5 are several and not joint.

(f) The remedies provided for in this Section 5 are not exclusive and shall not limit any rights or remedies that may otherwise be available to any Indemnified Person at law or in equity.

(g) The indemnity and contribution provisions contained in this Section 5 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of the Initial Purchasers or any Holder or any Person controlling any Initial Purchaser or any Holder, or by or on behalf of the Company or any Guarantors or the officers or directors of or any Person controlling the Company or any Guarantors, (iii) acceptance of any of the Exchange Securities and (iv) any sale of Registrable Securities pursuant to a Shelf Registration Statement.

6 General.

(a) *Remedies.* The Company and any Guarantors hereby agree that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Agreement and hereby agrees to waive the defense in any action for specific performance that a remedy at law would be inadequate.

(b) *No Inconsistent Agreements.* The Company and any Guarantors represent, warrant and agree that (i) the rights granted to the Holders hereunder do not in any way conflict with and are not inconsistent with the rights granted to the holders of any other outstanding securities issued or guaranteed by the Company or any Guarantor under any other agreement and (ii) neither the Company nor any Guarantor has entered into, or on or after the date of this Agreement will enter into, any agreement that is inconsistent with the rights granted to the Holders of Registrable Securities in this Agreement or otherwise conflicts with the provisions hereof.

(c) *Amendments and Waivers.* The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given unless the Company and any Guarantors have obtained the written consent of Holders of at least a majority in aggregate principal amount of the outstanding Registrable Securities affected by such amendment, modification, supplement, waiver or consent; provided that no amendment, modification, supplement, waiver or consent to any departure from the provisions of Section 5 hereof shall be effective as against any Holder of Registrable Securities unless consented to in writing by such Holder. Any amendments, modifications, supplements, waivers or consents pursuant to this Section 6(c) shall be by a writing executed by each of the parties hereto.

(d) *Notices.* All notices and other communications provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, telecopier, or any courier guaranteeing overnight delivery (i) if to a Holder, at the most current address given by such Holder to the Company by means of a notice given in accordance with the provisions of this Section 6(d), which address initially is, with respect to the Initial Purchasers, the address set forth in the Purchase Agreement; (ii) if to the Company and any Guarantors, initially at the Company's address set forth in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(d); and (iii) if to such other persons at their respective addresses as provided in the Purchase Agreement and thereafter at such other address, notice of which is given in accordance with the provisions of this Section 6(d). All such notices and communications shall be deemed to have been duly given: at the time delivered by hand, if personally delivered; five Business Days after being deposited in the mail, postage prepaid, if mailed; when receipt is acknowledged, if telecopied; and on the next Business Day if timely delivered to an air courier guaranteeing overnight delivery. Copies of all such notices, demands or other communications shall be concurrently delivered by the Person giving the same to the Trustee, at the address specified in the Indenture.

(e) *Successors and Assigns.* This Agreement shall inure to the benefit of and be binding upon the successors, assigns and transferees of each of the parties, including, without limitation and without the need for an express assignment, subsequent Holders; provided that nothing herein shall be deemed to permit any assignment, transfer or other disposition of Registrable Securities in violation of the terms of the Purchase Agreement or the Indenture. If any transferee of any Holder shall acquire Registrable Securities in any manner, whether by operation of law or otherwise, such Registrable Securities shall be held subject to all the terms of this Agreement, and by taking and holding such Registrable Securities such Person shall be conclusively deemed to have agreed to be bound by and to perform all of the terms and provisions of this Agreement and such Person shall be entitled to receive the

13

benefits hereof. The Initial Purchasers (in their capacity as Initial Purchasers) shall have no liability or obligation to the Company or the Guarantors (if any) with respect to any failure by a Holder to comply with, or any breach by any Holder of, any of the obligations of such Holder under this Agreement.

(f) *Release.* Notwithstanding any other provision of this Agreement, in the event that the Company is released from all of its obligations under the Indenture pursuant to Section 5.01 of the Indenture, the Company shall also be released from its obligations under this Agreement; provided that, the Surviving Entity (as defined in the Indenture) shall have fully assumed the Company's obligations hereunder.

(g) *Third Party Beneficiaries.* Each Holder shall be a third party beneficiary to the agreements made hereunder between the Company and any Guarantors, on the one hand, and the Initial Purchasers, on the other hand, and shall have the right to enforce such agreements directly to the extent it deems such enforcement necessary or advisable to protect its rights or the rights of other Holders hereunder.

(h) *Counterparts.* This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(i) *Headings.* The headings in this Agreement are for convenience of reference only, are not a part of this Agreement and shall not limit or otherwise affect the meaning hereof.

(j) *Governing Law.* This Agreement, and any claim, controversy or dispute arising under or related to this Agreement, shall be governed by and construed in accordance with the laws of the State of New York.

(k) *Entire Agreement; Severability.* This Agreement contains the entire agreement between the parties relating to the subject matter hereof and supersedes all oral statements and prior writings with respect thereto. If any term, provision, covenant or restriction contained in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable or against public policy, the remainder of the terms, provisions, covenants and restrictions contained herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated. The Company, any Guarantors and the Initial Purchasers shall endeavor in good faith negotiations to replace the invalid, void or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, void or unenforceable provisions.

This CREDIT AGREEMENT is entered into as of December 16, 2016 among STARWOOD PROPERTY TRUST, INC., a Maryland corporation (the "Borrower"), CERTAIN SUBSIDIARIES OF THE BORROWER, as Guarantors, each lender from time to time party hereto (collectively, the "Lenders" and individually, a "Lender"), and JPMORGAN CHASE BANK, N.A., as Administrative Agent.

In consideration of the mutual covenants and agreements set forth in this Agreement, and for good and valuable consideration, the receipt of which is hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE I. DEFINITIONS AND ACCOUNTING TERMS

1.01 **Defined Terms.** As used in this Agreement, the following terms shall have the meanings set forth below:

a Borrowing, conversion or continuation of Eurocurrency Rate Loans having an Interest Period of six months, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Appropriate Lenders. (d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans upon determination of such interest rate. At any time that Base Rate Loans are outstanding, the

If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein; provided, that if a Contingent Commitment Termination Notice is revoked by the Borrower in accordance with Section 2.05, as result of the refinancing specified therein not having occurred, the Borrower shall not be required to prepay the Loans (and the Loans shall not become due and payable) on the payment date set forth in such revoked Contingent Commitment Termination Notice (it being understood that a notice of prepayment of the Term Loans due to a refinancing of the Term Loans with the proceeds of a refinancing may also be stated to be contingent upon the consummation of such refinancing and may be similarly revoked in the event such refinancing is not consummated, in which case this proviso shall apply to such revocation). Any prepayment of a Eurocurrency Rate Loan shall be accompanied by all accrued interest on the amount prepaid, together with any additional amounts required pursuant to Section 3.05. (ii) If for any reason the Total Outstandings at any time exceeds the Borrowing Base Amount at such time, the Borrower shall within two (2) Business Days thereof either (x) pledge additional Borrowing Base Assets under the Collateral Documents or (y) prepay Loans (including Swing Line Loans) such that, after giving effect to such pledge and/or prepayment, the Borrower and its Subsidiaries are in

2.05 Termination or Reduction of Commitments.

(a) The Term Loan Commitments shall automatically and permanently terminate upon funding of the Term Loans on the Closing Date.

(b) The Borrower may, upon written notice to the Administrative Agent, terminate the Revolving Commitments, or from time to time permanently reduce the Revolving Commitments; provided that (i) any such notice shall be in a form acceptable to the Administrative Agent and be received by the Administrative Agent not later than 12:00 noon, New York City time, five Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of \$5,000,000 or any whole multiple of \$1,000,000 in excess thereof, (iii) after giving effect to any partial reduction of the Revolving Commitments, the remaining Revolving Commitments shall be greater than or equal to \$25,000,000, (iv) the Borrower shall not terminate or reduce the Revolving Commitments if, after giving effect thereto and to any concurrent prepayments hereunder, (x) the Total Revolving Credit Outstandings would exceed the Aggregate Revolving Commitments then in effect or (y) the Total Outstandings would exceed the Borrowing Base Amount at such time and (v) the Borrower shall pay any amounts required to be paid under Section 3.05 resulting from any prepayment of Revolving Credit Loans made in connection with such termination or reduction of Commitments; provided further, that any such notice delivered in connection with a termination in full of the Revolving Commitments, due to a refinancing of the Loans with the proceeds of such refinancing, may be, if expressly so stated to be, contingent upon the consummation of such refinancing (any such contingent termination notice being referred to herein as a "Contingent Commitment Termination Notice") and may be revoked by the Borrower in the event such

refinancing is not consummated (and the Borrower shall pay any amounts required to be paid under Section 3.05 resulting from any such revocation of such notice). The Administrative Agent will promptly notify the Lenders of any such notice of termination or reduction of the Revolving Commitments. Any reduction of the Revolving Commitments shall be applied to the Commitment of each Revolving Lender according to its Applicable Revolving Percentage. All fees in respect of the Revolving Credit Facility accrued until the effective date of any termination of the Revolving Commitments shall be paid on the effective date of such termination.

2.06 Borrowing Base Asset Proceeds; Distributions.

(a) Required Borrowing Base Accounts. The Secured Guarantors have established the Required Borrowing Base Accounts (or, with respect to the Deposit Accounts referred to in Section 6.21, the Secured Guarantors shall have established the Required Borrowing Base Accounts on or prior to the date required pursuant to Section 6.21). All funds on deposit in the Borrowing Base Accounts shall be collateral security for the Obligations. To the extent that a Borrowing Base Account is an interest-bearing account, all accrued interest earned with respect to such Borrowing Base Account shall become part of the balance in such Borrowing Base Account. Each Secured Guarantor shall include all interest and earnings on any such balance in its respective Borrowing Base Accounts as its income and shall be the owner of all funds on deposit in its Borrowing Base Accounts for federal and applicable state and local tax purposes. Subject to subsection (e) below, the Secured Guarantors shall have the exclusive right to manage and control all funds in the Borrowing Base Accounts (other than any Specified Borrowing Base Account), but, in any event, the Administrative Agent shall not have any fiduciary duty with respect to such funds or the Borrowing Base Accounts.

(b) Borrowing Base Asset Proceeds. The Secured Guarantors will, on or prior to the Closing Date (subject, however, to such later deadline as is provided for certain Required Borrowing Base Accounts pursuant to Section 6.21), irrevocably instruct (and after the Closing Date (or such later deadline, as applicable) will continue to irrevocably instruct), the applicable obligors, agents, trustees, servicers, sub-servicers or other applicable payors (as the case may be) with respect to all Borrowing Base Assets (other than with respect to encumbered Commercial Real Estate Ownership Interests and Starwood Fund Investment Assets) to deposit or otherwise transfer into a Required Borrowing Base Account, as applicable, all Borrowing Base Asset Proceeds in respect of such Borrowing Base Assets. Other than a direction to pay any such Borrowing Base Asset Proceeds to a different Required Borrowing Base Account, the Secured Guarantors shall not make any change in the foregoing instructions without the consent of the Administrative Agent. If, despite such instructions, any such Borrowing Base Asset Proceeds are received by the Borrower or its Subsidiaries other than as provided in the preceding sentence (after giving effect to any later deadline described above, if applicable), the Borrower shall hold (or shall cause the applicable Subsidiary to hold) such amount in trust for the benefit of the Administrative Agent, shall segregate (or shall cause the applicable Subsidiary to segregate) such amount from all other funds of the Borrower or such Subsidiary, as applicable, and shall, within two (2) Business Days following receipt thereof, cause such amount to be deposited into a Required Borrowing Base Account.

(c) Distributions. The Borrower will, on or prior to the Closing Date, irrevocably instruct (and after the Closing Date will continue to irrevocably instruct) each Subsidiary or

Starwood Fund (or related feeder fund) that directly or indirectly owns any encumbered Commercial Real Estate Ownership Interest or Starwood Fund Investment Asset to make any and all Distributions that are otherwise payable to any Loan Party or any Subsidiary (other than an Unrestricted Real Property Subsidiary) to a Secured Guarantor and into a Required Borrowing Base Account. If, despite such instructions, any such Distributions are received by the Borrower or its Subsidiaries other than as provided in the preceding sentence, the Borrower shall hold (or shall cause the applicable Subsidiary to hold) such amount in trust for the benefit of the Administrative Agent, shall segregate (or shall cause the applicable Subsidiary to segregate) such amount from all other funds of the Borrower or such Subsidiary, as applicable, and shall, within two (2) Business Days following receipt thereof, cause such amount to be deposited into a Required Borrowing Base Account.

(d) [intentionally omitted]

(e) Withdrawals from Borrowing Base Accounts. Each Secured Guarantor shall have the right (i) to access and make withdrawals from its Borrowing Base Accounts (other than any Specified Borrowing Base Account) unless an Event of Default shall have occurred and be continuing or would result therefrom and the Administrative Agent shall have blocked access to such Borrowing Base Account and (ii) in the case that an Event of Default shall have occurred and be continuing and the Administrative Agent shall have blocked access to such Borrowing Base Account, to access and make withdrawals from its Borrowing Base Accounts (other than any Specified Borrowing Base Account) as necessary to make the distributions contemplated by Section 7.06(f)(i). In addition, each Secured Guarantor shall have the right to make withdrawals from each Specified Borrowing Base Account if and to the extent that a Borrowing Base Release Transaction would be permitted pursuant to Section 2.15 with respect to amounts on deposit in such Specified Borrowing Base Account.

2.07 Interest.

(a) Subject to the provisions of subsection (b) below, (i) each Eurocurrency Rate Loan under a Facility shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Eurocurrency Rate for such Interest Period plus the Applicable Rate for such Facility and (ii) each Base Rate Loan under a Facility (including each Swing Line Loan) shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for such Facility (which, in the case of a Swing Line Loan, shall be the Applicable Rate for the Revolving Credit Facility).

(b) (i) While any Event of Default exists, the Borrower shall pay interest on the principal amount of all outstanding Obligations hereunder at a fluctuating interest rate per annum at all times equal to the Default Rate to the fullest extent permitted by applicable Laws.

(ii) Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest

hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law.

2.08 Fees. In addition to certain fees described in Section 2.13:

(a) Unused Fee. The Borrower shall pay to the Administrative Agent for the account of each Revolving Lender in accordance with its Applicable Revolving Percentage, an unused line fee (the "Unused Fee") equal to the Applicable Fee Rate times the actual daily amount by which the Aggregate Revolving Commitments exceeds the Outstanding Amount of Revolving Credit Loans, subject to adjustment as provided in Section 2.14. The Outstanding Amount of Swing Line Loans shall not be counted towards or considered usage of the Aggregate Revolving Commitments for purposes of determining the Unused Fee. The Unused Fee shall accrue at all times during the Revolving Availability Period, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date to occur after the Closing Date, and on the last day of the Revolving Availability Period. The Unused Fee shall be calculated quarterly in arrears.

(b) The Borrower shall pay to the Arrangers and the Administrative Agent for their own respective accounts the fees as have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

(c) The Borrower shall pay to the Administrative Agent for the account of the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever.

2.09 Computation of Interest and Fees. All computations of interest for Base Rate Loans the rate of interest on which is calculated on the basis of the Prime Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed, and all computations of interest for any Foreign Currency Revolving Credit Loan denominated in Pounds Sterling shall be calculated on the basis of a 365-day year for actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which such Loan is made, and shall not accrue on such Loan, or any portion thereof, for the day on which such Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.11(a), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent demonstrable error.

2.10 Evidence of Debt.

(a) The Loans made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of

61

business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent demonstrable error of the amount of the Loans made by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of demonstrable error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

(b) In addition to the accounts and records referred to in subsection (a) above, each Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Lender of participations in Swing Line Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

2.11 Payments Generally; Administrative Agent's Clawback.

(a) General. All payments to be made by the Borrower shall be made free and clear of and without condition or deduction for any counterclaim, defense, recoupment or setoff, except for any deduction or withholding required by applicable Laws. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Administrative Agent's Office in Dollars and in immediately available funds not later than 2:00 p.m., New York City time, on the date specified herein (or, in the case of principal or interest relating to Foreign Currency Revolving Credit Loans, not later than 2:00 p.m., Local Time, on the due date thereof to the Administrative Agent, for the account of the Revolving Lenders, in the relevant Foreign Currency and in immediately available funds). The Administrative Agent will promptly distribute to each Lender its Applicable Percentage in respect of the relevant Facility (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Lending Office. All payments received by the Administrative Agent after 2:00 p.m., Local Time, shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

(i) Funding by Lenders; Presumption by Administrative Agent. Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing of Eurocurrency Rate Loans (or, in the case of any Borrowing of Base Rate Loans, prior to 12:00 noon on the date of such Borrowing) that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the

62

Administrative Agent may assume that such Lender has made such share available on such date in accordance with Section 2.02 (or, in the case of a Borrowing of Base Rate Loans, that such Lender has made such share available in accordance with and at the time required by Section 2.02) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower jointly and severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount in immediately available funds with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Administrative Agent in connection with the foregoing, and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a

Lender that shall have failed to make such payment to the Administrative Agent.

(ii) Payments by the Borrower; Presumptions by Administrative Agent. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Appropriate Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Appropriate Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender in immediately available funds with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this subsection (a) shall be conclusive, absent demonstrable error.

(b) Failure to Satisfy Conditions Precedent. If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Loans set forth in Article IV

63

are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(c) Obligations of Lenders Several. The obligations of the Lenders hereunder to make Term Loans and Revolving Credit Loans, to fund participations in Swing Line Loans and to make payments pursuant to Section 11.04(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 11.04(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 11.04(c).

(d) Funding Source. Nothing herein shall be deemed to obligate any Lender to obtain the funds for its Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for its Loan in any particular place or manner.

2.12 Sharing of Payments by Lenders. Except to the extent that this Agreement or a court order expressly provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal or interest on the Obligations owing to it greater than its pro rata share thereof as provided herein then, in each case, the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Term Loans, Revolving Credit Loans and subparticipations in Swing Line Loans, as applicable, of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the applicable Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans and Revolving Credit Loans and other amounts owing them, provided that:

(i) if any such participations or subparticipations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations or subparticipations shall be rescinded and the purchase price restored to the extent of such recovery, without interest; and

(ii) the provisions of this Section shall not be construed to apply to (x) any payment made by or on behalf of the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender or a Disqualified Transferee), or (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Term Loans, Revolving Credit Loans or subparticipations in Swing Line Loans to any assignee or participant, other than an assignment to the Borrower or any Affiliate thereof (as to which the provisions of this Section shall apply).

The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of setoff and counterclaim with respect to

64

such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

2.13 Extensions of Maturity Date. Notwithstanding anything herein to the contrary, the Borrower may, at its election by written notice to the Administrative Agent (which shall promptly notify each of the Lenders) (each such election, an "Extension Option", the date of such election, the "Extension Date") extend the Revolving Commitments, the Revolving Credit Loans and the Term Loans (such extended Revolving Commitments, the "Extended Commitments" and such extended Revolving Credit Loans and Term Loans, the "Extended Loans") for additional terms of 6 months each (the "Extended Maturity Date"), subject to the following terms and conditions:

(a) there shall be no more than two (2) Extension Options exercised during the term of this Agreement;

(b) no Default or Event of Default shall have occurred or be continuing on the date of such written notice and on the Initial Maturity Date or first Extended Maturity Date, as applicable, or would result from the exercise of any Extension Option;

(c) each of the representations and warranties made by any Loan Party in or pursuant to the Loan Documents shall be true and correct in all material respects (or, if such representations and warranties are qualified by materiality, in all respects) on and as of the date of such written notice and on and as of such Extension Date (and after giving effect to such Extension Option) as if made on and as of such dates (except that any representations and warranties which expressly relate to an earlier date shall be true and correct in all material respects (or, if such representations and warranties are qualified by materiality, in all respects) as of such earlier date);

(d) the Borrower shall make the request for such Extension Option not earlier than 90 days and not later than 30 days prior to the Initial Maturity Date, or first Extended Maturity Date, as applicable;

(e) the latest Extended Maturity Date shall be no later than the Latest Maturity Date; and

(f) the Borrower shall pay or cause to be paid to each Lender on each such Extension Date a fee equal to 0.10% of the sum of the amount of the then existing Revolving Commitments of such Lender plus the Outstanding Amount of the Term Loans of such Lender.

2.14 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be

65

restricted as set forth in the definitions of "Majority Facility Lenders," "Required Lenders" and "Supermajority Lenders" and in Section 11.01.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise), or received by the Administrative Agent from a Defaulting Lender pursuant to Section 11.08, shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Swing Line Lenders hereunder; *third*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fourth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fifth*, to the payment of any amounts owing to the Lenders or the Swing Line Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender or any Swing Line Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *sixth*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *seventh*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans and funded and unfunded participations in Swing Line Loans are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.14(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. No Defaulting Lender shall be entitled to receive any Unused Fee payable under Section 2.08(a) for any period during which such Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(iv) Reallocation of Applicable Revolving Percentages to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Swing Line Loans shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Applicable Revolving Percentages (calculated without regard to such

66

Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender,

including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Repayment of Swing Line Loans. If the reallocation described in clause (a)(iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under applicable Law, prepay Swing Line Loans in an amount equal to each Swing Line Lender's Fronting Exposure.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent and the Swing Line Lenders agree in writing that a Lender shall no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Swing Line Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to Section 2.14(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.15 Sales and Releases of Borrowing Base Assets. The Borrower or any Subsidiary may directly or indirectly, dispose of or distribute (as a Restricted Payment or otherwise, in each case, to the extent otherwise permitted under this Agreement) Borrowing Base Assets (which, solely for purposes of this Section 2.15, shall include any Equity Interests of any Borrowing Base Covenant Subsidiary) (including any Borrowing Base Assets or Borrowing Base Asset Proceeds held in a Specified Borrowing Base Account), whereupon the related Investment Asset shall cease to be a Borrowing Base Asset and the related Borrowing Base Asset Proceeds shall cease to be Borrowing Base Asset Proceeds (each such transaction being referred to herein as a "Borrowing Base Release Transaction"), so long as, immediately prior to and after giving effect thereto and to any transfers of Borrowing Base Asset Proceeds pursuant to Section 2.06(e), other Borrowing Base Release Transactions, designations of Investment Assets as Borrowing Base Assets and borrowings, repayments or prepayments of Loans, in each case, occurring on such date, on a pro forma basis:

- (i) no Default or Event of Default has occurred and is continuing;
- (ii) the Borrower and its Subsidiaries are in compliance, on a *pro forma* basis, with the provisions of Section 7.12; and

67

(iii) either (A) there shall be no reduction in the Borrowing Base Coverage Ratio (after giving effect to any replacement Borrowing Base Assets included in the Borrowing Base Amount on such date; provided that, in connection with any Borrowing Base Release Transaction, the Borrower may designate additional Investment Assets as replacement Borrowing Base Assets up to five (5) Business Days prior to the consummation of such Borrowing Base Release Transaction and such replacement Borrowing Base Assets shall not contribute to the Borrowing Base Amount for purposes of this clause (A) or any other provision of this Agreement until the date on which such Borrowing Base Release Transaction is consummated) or (B) the Borrowing Base Coverage Ratio is not less than 1.10 to 1.00;

provided that, solely in the case of the Designated Real Property Acquisition, in the event that the purchase price to be paid by the Borrower and its Subsidiaries in connection therewith is required to be delivered in escrow to an escrow agent (which escrow agent shall be reasonably acceptable to the Administrative Agent) prior to (but no more than two Business Days prior to) the closing date of the Designated Real Property Acquisition, Borrowing Base Assets consisting of cash in a Specified Borrowing Base Account shall be permitted to be subject to a Borrowing Base Release Transaction so long as (x) the requirements set forth in clauses (i) and (ii) above shall have been met, (y) the escrow agreement related to such escrow arrangement shall require that all such cash be returned directly to the Specified Borrowing Base Account in the event that the Designated Real Property Acquisition is not consummated on or prior to the date that is two Business Days following the delivery thereof (and the Administrative Agent shall be a party thereto or a third party beneficiary with respect to such requirement which may not be changed without its consent) and (z) it shall be a condition subsequent that the Borrower and its Subsidiaries shall be in compliance with this clause (iii) on the date of the closing of the Designated Real Property Acquisition, on a pro forma basis after giving effect to any transfers of Borrowing Base Asset Proceeds pursuant to Section 2.06(e), other Borrowing Base Release Transactions, designations of Investment Assets as Borrowing Base Assets and borrowings, repayments or prepayments of Loans, in each case, occurring on such date;

it being understood that each Borrowing Base Release Transaction pursuant to this Section 2.15 shall be deemed to constitute a representation and warranty by the Borrower that the conditions set forth in clauses (i), (ii) and (iii) of this Section 2.15 shall have been met; provided that the Borrower shall deliver to the Administrative Agent a certificate from a Responsible Officer of the Borrower certifying compliance with the conditions set forth in clauses (i), (ii) and (iii) of this Section 2.15 (and, in the case of the Designated Real Property Acquisition, an additional certificate upon closing of the Designated Real Property Acquisition). Upon any such transfer of Borrowing Base Assets to a Person other than a Borrowing Base Subsidiary, such transferred assets shall cease to constitute Borrowing Base Assets and upon any such transfer of Borrowing Base Asset Proceeds (or any transfer of such Borrowing Base Asset Proceeds pursuant to Section 2.06(e)) to a Person other than a Secured Guarantor, such amounts shall cease to constitute Borrowing Base Asset Proceeds.

2.16 Increase in Commitments.

(a) Request for Increase. Provided that no Default shall have occurred and is then continuing, upon written notice to the Administrative Agent (which shall promptly notify the

Lenders), the Borrower may from time to time, request (x) an increase in the Aggregate Revolving Commitments (each, a “Revolving Commitment Increase”) and/or (y) the establishment of one or more new term loan commitments which shall be in the form of an increase to the Term Loan Facility (each, a “Term Commitment Increase”) by an aggregate amount (x) with respect to all such Revolving Commitment Increases collectively, not exceeding \$50,000,000 and (y) with respect to all such Term Commitment Increases collectively, not exceeding \$150,000,000; provided that any such request for an increase shall be in a minimum amount of \$25,000,000 (or such lesser amount as the Borrower and the Administrative Agent shall agree) or any whole multiple of \$1,000,000 in excess thereof. Each such notice shall specify (i) the amount of such increase and the Facility or Facilities involved and (ii) the date on which the Borrower proposes that the Commitment Increase shall be effective (each, an “Increase Effective Date”), which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Administrative Agent. Any existing Lender approached to provide all or a portion of a Commitment Increase may elect or decline, in its sole discretion, to provide such Commitment Increase.

(b) Additional Lenders. Subject to the approval of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed) and, with respect to any Revolving Commitment Increase, each Swing Line Lender that has a Swing Line Loan outstanding at such time, the Borrower may invite additional Eligible Assignees (“New Lenders”) together with each existing Lender, if any, participating in such Commitment Increase, the “Commitment Increase Lenders”) to provide a Commitment Increase pursuant to an Increased Facility Activation Notice and become Lenders pursuant to a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and its counsel (a “New Lender Joinder Agreement”).

(c) Revolving Commitment Allocations. If the Commitments are increased in accordance with this Section, the Administrative Agent and the Borrower shall determine the final allocation of such increase. The Administrative Agent shall promptly notify the Lenders of the final allocation of such increase and the Increase Effective Date. The Administrative Agent is authorized and directed to amend and distribute to the Lenders, including any party becoming a Lender on the Increase Effective Date, a revised Schedule 2.01 that gives effect to the increase and the allocation among the Lenders.

(d) Conditions to Effectiveness of Increase. As conditions precedent to each such increase, (i) the Borrower shall deliver to the Administrative Agent a certificate of each Loan Party dated as of the Increase Effective Date (in sufficient copies for each Lender) signed by a Responsible Officer of such Loan Party (x) (1) certifying and attaching the resolutions adopted by such Loan Party approving or consenting to such increase or (2) certifying that, as of such Increase Effective Date, the resolutions delivered to the Administrative Agent and the Lenders on the Closing Date (if such resolutions include approval of the Commitment Increase in an amount at least equal to such Commitment Increase) are and remain in full force and effect and have not been modified, rescinded or superseded since the date of adoption, and (y) in the case of the Borrower, certifying that, before and after giving effect to such increase, (A) the representations and warranties contained in Article V and the other Loan Documents are true and correct in all material respects on and as of such Increase Effective Date, except to the extent that (1) such representations and warranties specifically refer to an earlier date, in which case they are

true and correct in all material respects as of such earlier date, (2) any representation or warranty that is already by its terms qualified as to “materiality”, “Material Adverse Effect” or similar language shall be true and correct in all respects as of such applicable date (including such earlier date set forth in the foregoing clause (1)) after giving effect to such qualification and (3) for purposes of this Section 2.16, the representations and warranties contained in subsections (a) and (b) of Section 5.05 shall be deemed to refer to the most recent statements furnished pursuant to subsections (a) and (b), respectively, of Section 6.01, and (B) no Default shall have occurred and is then continuing, (ii) the Administrative Agent shall have received (x) a New Lender Joinder Agreement duly executed by the Borrower and each Eligible Assignee that is becoming a Lender in connection with such increase, which New Lender Joinder Agreement shall (in order to be effective) be acknowledged and consented to in writing by the Administrative Agent and each Swing Line Lender that has a Swing Line Loan outstanding at such time and (y) an Increased Facility Activation Notice executed by the Borrower, the Administrative Agent, the Commitment Increase Lenders providing such Commitment Increase and, in the case of a Revolving Commitment Increase, each Swing Line Lender that has a Swing Line Loan outstanding at such time, (iii) the Borrower shall have paid to the Arrangers any fee required to be paid by the Borrower as agreed to in writing by the Arrangers and the Borrower in connection therewith and (iv) the Borrower shall deliver or cause to be delivered such other officer’s certificates and legal opinions of the type delivered on the Closing Date to the extent reasonably requested by, and in form and substance reasonably satisfactory to, the Administrative Agent.

(e) Terms of New Loans and Commitments. The terms and provisions of Revolving Credit Loans made pursuant to a Revolving Commitment Increase shall be identical to the Revolving Credit Loans. The terms and provisions of Term Loans made pursuant to a Term Commitment Increase shall be identical to the Term Loans.

(f) Settlement Procedures. On each Increase Effective Date with respect to the Revolving Credit Facility, the Borrower shall (A) prepay the outstanding Revolving Credit Loans (if any) in full, (B) simultaneously borrow new Revolving Credit Loans hereunder in an amount equal to such prepayment (in the case of Eurocurrency Loans, with a LIBO Rate equal to the outstanding LIBO Rate and with Interest Period (s) ending on the date(s) of any then outstanding Interest Period(s)), as applicable (as modified hereby); provided that with respect to subclauses (A) and (B), (x) the prepayment to, and borrowing from, any existing Revolving Lender shall be effected by book entry to the extent that any portion of the amount prepaid to such Revolving Lender will be subsequently borrowed from such Revolving Lender and (y) the existing Revolving Lenders (including existing Revolving Lenders providing a Revolving Commitment Increase, if applicable) and the New Lenders shall make and receive payments among themselves, in a manner acceptable to the Administrative Agent, so that, after giving effect thereto, the Revolving Credit Loans are held ratably by such existing Revolving Lenders and New Lenders in accordance with the respective Revolving

Commitments of such Revolving Lenders (after giving effect to such Revolving Commitment Increase) and (C) pay to the Revolving Lenders the amounts, if any, payable under Section 3.05 as a result of any such prepayment. Concurrently therewith, the Revolving Lenders shall be deemed to have adjusted their participation interests in any outstanding Swing Line Loans so that such interests are held ratably in accordance with their Revolving Commitments as so increased. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro

rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (f).

- (g) Conflicting Provisions. This Section shall supersede any provisions in Section 2.11 or 11.01 to the contrary.

2.17 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, each Swing Line Lender, in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.17, may in its sole discretion make loans in Dollars (each such loan, a "Swing Line Loan") to the Borrower from time to time on any Business Day during the Revolving Availability Period, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Revolving Credit Loans of each Revolving Lender acting as Swing Line Lender, may exceed the amount of such Revolving Lender's Revolving Commitment; provided, however, that (x) after giving effect to any Swing Line Borrowing, (i) the Total Outstandings shall not exceed the Borrowing Base Amount at such time, (ii) the aggregate Revolving Credit Exposure of all Revolving Lenders shall not exceed the Aggregate Revolving Commitments and (iii) the Revolving Credit Exposure of any Revolving Lender (other than any Revolving Lender acting as Swing Line Lender to the extent such excess results solely by virtue of its outstanding Swing Line Loans) shall not exceed such Revolving Lender's Revolving Commitment, (y) the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan, and (z) without limiting the absolute discretion of each Swing Line Lender to make or decline to make Swing Line Loans, no Swing Line Lender shall be under any obligation to make any Swing Line Loan if it shall determine (which determination shall be conclusive and binding absent manifest error) that it has, or by such Swing Line Loan may have, Fronting Exposure. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.17, prepay under Section 2.03, and reborrow under this Section 2.17. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from each applicable Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Revolving Lender's Applicable Revolving Percentage times the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lenders and the Administrative Agent, which may be given by (A) telephone or (B) by a Swing Line Loan Notice; provided that any telephonic notice must be confirmed promptly by delivery to the Swing Line Lenders and the Administrative Agent of a Swing Line Loan Notice. Each such Swing Line Loan Notice must be received by the Swing Line Lenders and the Administrative Agent not later than 2:00 p.m., New York City time, on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of \$100,000, and (ii) the requested borrowing date, which shall be a Business Day. Promptly after receipt by the Swing Line Lenders of any Swing Line Loan Notice, each Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and, if not, such Swing Line Lender will notify the Administrative Agent (by telephone or in writing)

of the contents thereof. Unless each Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Lender) prior to 3:00 p.m., New York City time, on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lenders not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.17 (a), or (B) that one or more of the applicable conditions specified in Article IV is not then satisfied, then, subject to the terms and conditions hereof, such Swing Line Lender will, not later than 3:00 p.m., New York City time, on the borrowing date specified in such Swing Line Loan Notice, make the amount of its ratable portion of the Swing Line Loan to be made by such Swing Line Lender (such ratable portion to be calculated based upon such Swing Line Lender's Revolving Commitment (in its capacity as a Revolving Lender) to the total Revolving Commitments of all of the Swing Line Lenders (in their respective capacities as Revolving Lenders)) available to the Borrower.

- (c) Refinancing of Swing Line Loans.

(i) Any Swing Line Lender at any time in its sole discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes each Swing Line Lender to so request on its behalf), that each Revolving Lender make a Revolving Credit Loan as a Base Rate Loan in an amount equal to such Revolving Lender's Applicable Revolving Percentage of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the Aggregate Revolving Commitments and the conditions set forth in Section 4.02(a) and (b). Such Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Lender shall make an amount equal to its Applicable Revolving Percentage of the amount specified in such Committed Loan Notice available to the Administrative Agent in immediately available funds for the account of the Swing Line Lenders at the Administrative Agent's Office not later than 1:00 p.m., New York City time, on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.17(c)(ii), each Revolving Lender that so makes funds available shall be deemed to have made a Revolving Credit Loan as a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received ratably to each Swing Line Lender that made such Swing Line

Loans.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Loan in accordance with Section 2.17(c)(i), the request for Revolving Credit Loan submitted by any Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lenders that each of the Revolving Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Lender's payment to the Administrative Agent for the account of the Swing Line Lenders pursuant to Section 2.17(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the Swing Line Lenders any amount required to be paid by such

72

Revolving Lender pursuant to the foregoing provisions of this Section 2.17(c) by the time specified in Section 2.17(c)(i), each Swing Line Lender shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Swing Line Lender at a rate per annum equal to the greater of the Federal Funds Effective Rate and a rate determined by such Swing Line Lender in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by such Swing Line Lender in connection with the foregoing. If such Revolving Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Revolving Lender's Revolving Credit Loan included in the relevant Revolving Credit Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of any Swing Line Lender submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent manifest error.

(iv) Each Revolving Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.17(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Revolving Lender may have against any Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Revolving Lender's obligation to make Revolving Credit Loans pursuant to this Section 2.17(c) (but not its obligation to purchase and fund risk participations in Swing Line Loans) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(d) Repayment of Participations.

(i) At any time after any Revolving Lender has purchased and funded a risk participation in a Swing Line Loan, if any Swing Line Lender receives any payment on account of such Swing Line Loan, such Swing Line Lender will distribute to such Revolving Lender its Applicable Revolving Percentage thereof in the same funds as those received by such Swing Line Lender.

(ii) If any payment received by any Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by such Swing Line Lender under any of the circumstances described in Section 11.05 (including pursuant to any settlement entered into by such Swing Line Lender in its discretion), each Revolving Lender shall pay to such Swing Line Lender its Applicable Revolving Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate. The Administrative Agent will make such demand upon the request of such Swing Line Lender. The obligations of the Revolving Lenders under this

73

clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. Each Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Lender funds its Revolving Credit Loan or risk participation pursuant to this Section 2.17 to refinance such Revolving Lender's Applicable Revolving Percentage of any Swing Line Loan, interest in respect of such Applicable Revolving Percentage shall be solely for the account of the Swing Line Lenders that made such Swing Line Loan.

(f) Payments Directly to Swing Line Lender. The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lenders.

(g) Independent Swing Line Lender Obligations. No Swing Line Lender shall be responsible for the failure of any other Swing Line Lender to make the ratable portion of a Swing Line Loan to be made by such other Swing Line Lender on the date of any Swing Line Loan.

2.18 Foreign Currency Exchange Rate.

(a) No later than 12:00 Noon, Local Time, on each Calculation Date with respect to a Foreign Currency, the Administrative Agent shall determine the Exchange Rate as of such Calculation Date with respect to such Foreign Currency, provided that, upon receipt of a borrowing request in respect of Foreign Currency Revolving Credit Loans, the Administrative Agent shall determine the Exchange Rate with respect to the relevant Foreign Currency on the related Calculation Date (it being acknowledged and agreed that the Administrative Agent shall use such

Exchange Rate for the purposes of determining compliance with Sections 2.01 and 2.02 with respect to such borrowing request). The Exchange Rates so determined shall become effective on the relevant Calculation Date (a “Reset Date”), shall remain effective until the next succeeding Reset Date and shall for all purposes of this Agreement (other than Section 3.04(f), Section 11.21 and any other provision expressly requiring the use of a current Exchange Rate) be the Exchange Rates employed in converting any amounts between Dollars and Foreign Currencies.

(b) No later than 5:00 p.m., Local Time, on each Reset Date, the Administrative Agent shall determine the aggregate amount of the Dollar Amounts of the principal amounts of the relevant Foreign Currency Revolving Credit Loans then outstanding (after giving effect to any Foreign Currency Revolving Credit Loans to be made or repaid on such date).

(c) The Administrative Agent shall promptly notify the Borrower and the Lenders of each determination of an Exchange Rate hereunder.

ARTICLE III. TAXES, YIELD PROTECTION AND ILLEGALITY

3.01 Taxes.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes. (i) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by

74

applicable Laws. If any applicable Laws (as determined in the good faith discretion of the applicable Withholding Agent) require the deduction or withholding of any Tax from any such payment by the Administrative Agent or a Loan Party, then the Administrative Agent or such Loan Party shall be entitled to make such deduction or withholding.

(ii) If any Loan Party or the Administrative Agent shall be required by the Code to withhold or deduct any Taxes, including both United States Federal backup withholding and withholding taxes, from any payment, then (A) the Administrative Agent or such Loan Party shall withhold or make such deductions as are required, (B) the Administrative Agent or such Loan Party shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable Law, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes, the sum payable by the applicable Loan Party shall be increased as necessary so that after any required withholding or the making of all required deductions (including deductions applicable to additional sums payable under this Section 3.01) the applicable Recipient receives an amount equal to the sum it would have received had no such withholding or deduction been made.

(b) Payment of Other Taxes by the Loan Parties. Without limiting the provisions of subsection (a) above, each Loan Party shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(c) Tax Indemnifications. (i) Each Loan Party shall, and does hereby, jointly and severally, indemnify each Recipient, and shall make payment in respect thereof within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 3.01) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient, and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent demonstrable error.

(ii) Each Lender shall, and does hereby, severally indemnify, and shall make payment in respect thereof within ten (10) days after demand therefor, (x) the Administrative Agent against any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (y) the Administrative Agent and the Loan Parties, as applicable, against any Taxes attributable to such Lender’s failure to comply with the provisions of Section 11.06(d) relating to the maintenance of a Participant Register and (z) the Administrative Agent and the Loan Parties, as applicable, against any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent or a Loan Party in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally

75

imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent or a Loan Party shall be conclusive absent demonstrable error. Each Lender hereby authorizes the Administrative Agent and each Loan Party to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due to the Administrative Agent or a Loan Party under this clause (ii).

(d) Evidence of Payments. As soon as practicable after any payment of Taxes by any Loan Party to a Governmental Authority pursuant to this Section 3.01, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders; Tax Documentation.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 3.01(e)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Unless the applicable withholding agent has received forms or other documents reasonably satisfactory to it indicating that payments under any Loan Document to or for a Lender are not subject to withholding tax or are subject to such Tax at a rate reduced by an applicable tax treaty, the Borrower, the other Loan Parties, Administrative Agent or other applicable withholding agent shall withhold amounts required to be withheld by applicable Law from such payments at the applicable statutory rate.

(ii) Without limiting the generality of the foregoing:

(A) (i) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal

76

backup withholding tax and (ii) any Administrative Agent that is a U.S. Person, including, but not limited to, JPMorgan, in its capacity as the administrative agent for the Lenders under this Agreement and the other Loan Documents, shall deliver to the Borrower on or prior to the date on which such Administrative Agent becomes an Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), executed copies of IRS Form W-9 certifying that such Administrative Agent is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN-E (or W-8BEN, as applicable) establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed copies of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code (a "U.S. Tax Compliance Certificate") and (y) executed copies of IRS Form W-8BEN-E (or W-8BEN, as applicable); or

(iv) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN-E (or W-8BEN, as applicable), a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender

77

may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the

Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C) (i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered pursuant to this Section 3.01 expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(iv) Any Administrative Agent that is not a U.S. Person, including, but not limited to, J.P. Morgan Europe Limited, London Funding Office, shall deliver to the Borrower, on or prior to the date on which such Administrative Agent becomes an Administrative Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), a properly completed and executed IRS Form W-8IMY (indicating "Qualified Intermediary" or U.S. branch status) evidencing that the Borrower may make payments to such Administrative Agent, to the extent such payments are received by the Administrative Agent as an intermediary, without deduction or withholding of any taxes imposed by the United States.

(f) Treatment of Certain Refunds. At no time shall the Administrative Agent have any obligation to file for or otherwise pursue on behalf of a Lender, or have any obligation to pay

78

to any Lender, any refund of Taxes withheld or deducted from funds paid for the account of such Lender. If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified by any Loan Party or with respect to which any Loan Party has paid additional amounts pursuant to this Section 3.01, it shall pay to such Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by a Loan Party under this Section 3.01 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) incurred by such Recipient, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that such Loan Party, upon the request of the Recipient, agrees to repay the amount paid over to such Loan Party pursuant to this subsection (f) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Recipient in the event the Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this subsection, in no event will the applicable Recipient be required to pay any amount to such Loan Party pursuant to this subsection the payment of which would place the Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes that it deems confidential) to any Loan Party or any other Person.

(g) Survival. Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

(h) Payments made by Administrative Agent. Any payments made by the Administrative Agent to any Lender shall be treated as payments made by the applicable Loan Party.

(i) Lender treated as Partnership. If any Lender is treated as a partnership for purposes of an applicable Indemnified Tax or Other Tax, any withholding made by such Lender shall be treated as if such withholding had been made by the applicable Loan Party or the Administrative Agent.

3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Lending Office to perform any of its obligations hereunder or make, maintain or fund or charge interest with respect to any Loan or to determine or charge interest rates based upon the Eurocurrency Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to issue, make, maintain, fund or charge interest with respect to any such Loan or continue Eurocurrency Rate Loans or to convert Base Rate Loans to Eurocurrency Rate Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the

Eurocurrency Rate component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurocurrency Rate Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Eurocurrency Rate component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Eurocurrency Rate, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Eurocurrency Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Eurocurrency Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

3.03 Inability to Determine Rates. If in connection with any request for a Eurocurrency Rate Loan or a conversion to or continuation thereof, (a) the Administrative Agent determines that (i) deposits in the applicable currency are not being offered to banks in the London interbank market for the applicable amount and Interest Period of such Eurocurrency Rate Loan, (ii) adequate and reasonable means do not exist for determining the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or in connection with an existing or proposed Base Rate Loan or (iii) deposits in the applicable currency are not generally available, or cannot be obtained by the Lenders, in the applicable market (in each case with respect to clause (a)(i) above, “Impacted Loans”), or (b) the Administrative Agent or affected Lenders determine that for any reason the Eurocurrency Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan does not adequately and fairly reflect the cost to such Lenders of funding such Eurocurrency Rate Loan (any Foreign Currency affected by the circumstances described in the foregoing clause (a) or (b) is referred to as an “Affected Foreign Currency”), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make or maintain Eurocurrency Rate Loans shall be suspended, (to the extent of the affected Eurocurrency Rate Loans or Interest Periods), (y) in the event of a determination described in the preceding sentence with respect to the Eurocurrency Rate component of the Base Rate, the utilization of the Eurocurrency Rate component in determining the Base Rate shall be suspended and (z) in respect of any Foreign Currency Revolving Credit Loans which are Eurocurrency Loans, then (i) any such Foreign Currency Revolving Credit Loans in an Affected Foreign Currency requested to be made on the first day of such Interest Period shall not be made and (ii) any such outstanding Foreign Currency Revolving Credit Loans in an Affected Foreign Currency shall be due and payable on the first day of such Interest Period, in each case until the Administrative Agent upon the instruction of the affected Lenders revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans (to the extent of the affected

Eurocurrency Rate Loans or Interest Periods) or, failing that, in respect of Eurocurrency Loans denominated in Dollars, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein. Until such relevant notice has been withdrawn by the Administrative Agent, no further Eurocurrency Loans denominated in Dollars or Foreign Currency Revolving Credit Loans which are Eurocurrency Loans in an Affected Foreign Currency shall be made or continued as such, nor shall the Borrower have the right to convert Base Rate Loans to Eurocurrency Loans denominated in Dollars.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (a)(i) of this section, the Administrative Agent, in consultation with the Borrower and the affected Lenders, may establish an alternative interest rate for the Impacted Loans, in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (a) of the first sentence of this section, (2) the Administrative Agent or the affected Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

3.04 Increased Costs; Reserves on Eurocurrency Rate Loans.

(a) Increased Costs Generally. If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by, any Lender (except any reserve requirement contemplated by Section 3.04(e));

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense affecting this Agreement or Eurocurrency Rate Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount) then, upon request of such Lender, the

81

Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) Capital Requirements. If any Lender determines that any Change in Law affecting such Lender or any Lending Office of such Lender or such Lender's holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement, the Commitment of such Lender or the Loans made by, or participations in Swing Line Loans held by, such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) Certificates for Reimbursement. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in subsection (a) or (b) of this Section and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

(d) Delay in Requests. Failure or delay on the part of any Lender to demand compensation pursuant to the foregoing provisions of this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) Reserves on Eurocurrency Rate Loans. The Borrower shall pay to each Lender, as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Eurocurrency funds or deposits (currently known as "Eurocurrency liabilities"), additional interest on the unpaid principal amount of each Eurocurrency Rate Loan equal to the actual costs of such reserves allocated to such Eurocurrency Rate Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive), which shall be due and payable on each date on which interest is payable on such Eurocurrency Rate Loan, provided the Borrower shall have received at least ten (10) days' prior notice (with a copy to the Administrative Agent) of such additional interest from such Lender. If a Lender fails to give notice ten (10) days prior to the relevant Interest Payment Date, such additional interest shall be due and payable ten (10) days from receipt of such notice.

(f) Notwithstanding any other provision of this Agreement, if, after the date hereof, (i)(A) the adoption of any law, rule or regulation after the date of this Agreement, (B) any change in any law, rule or regulation or in the interpretation or application thereof by any

82

Governmental Authority after the date of this Agreement or (C) compliance by any Lender with any request, guideline or directive (whether or not having the force of law) of any Governmental Authority made or issued after the date of this Agreement, shall make it unlawful for any such Lender to make or maintain any Foreign Currency Revolving Credit Loan or to give effect to its obligations as contemplated hereby with respect to any Foreign Currency Revolving Credit Loan, or (ii) there shall have occurred any change in national or international financial, political or economic conditions (including the imposition of or any change in exchange controls, but excluding conditions otherwise covered by this Section 3.04) or currency exchange rates which would make it impracticable for the Lenders to make or maintain Foreign Currency Revolving Credit Loans denominated in the relevant currency to, or for the account of, the Borrower, then, by written notice to the Borrower and to the Administrative Agent:

(i) such Lender or Lenders may declare that Foreign Currency Revolving Credit Loans (in the affected currency or currencies) will not thereafter (for the duration of such unlawfulness) be made by such Lender or Lenders hereunder (or be continued for additional Interest Periods), whereupon any request for a Foreign Currency Revolving Credit Loan (in the affected currency or currencies) or to continue a Foreign Currency Revolving Credit Loan (in the affected currency or currencies), as the case may be, for an additional Interest Period shall, as to such Lender or Lenders only, be of no force and effect, unless such declaration shall be subsequently withdrawn; and

(ii) such Lender may require that all outstanding Foreign Currency Revolving Credit Loans (in the affected currency or currencies), made by it be converted to Base Rate Loans or Loans denominated in Dollars, as the case may be (unless repaid by the relevant Borrower as described below), in which event all such Foreign Currency Revolving Credit Loans (in the affected currency or currencies), shall be converted to Base Rate Loans or Loans denominated in Dollars, as the case may be, as of the effective date of such notice as provided in Section 3.04(g) and at the Exchange Rate on the date of such conversion or, at the option of the relevant Borrower,

repaid on the last day of the then current Interest Period with respect thereto or, if earlier, the date on which the applicable notice becomes effective.

In the event any Lender shall exercise its rights under (i) or (ii) above, all payments and prepayments of principal that would otherwise have been applied to repay the converted Foreign Currency Revolving Credit Loans of such Lender shall instead be applied to repay the Base Rate Loans or Loans denominated in Dollars, as the case may be, made by such Lender resulting from such conversion.

(g) For purposes of Section 3.04(f), a notice to the Borrower by any Lender shall be effective as to each Foreign Currency Revolving Credit Loan made by such Lender, if lawful, on the last day of the Interest Period, if any, currently applicable to such Foreign Currency Revolving Credit Loan; in all other cases such notice shall be effective on the date of receipt thereof by the Borrower.

3.05 Compensation for Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

83

(a) any continuation, conversion, payment or prepayment of any Loan other than a Base Rate Loan on a day other than the last day of the Interest Period for such Loan (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise);

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any portion of the Loans (other than a Base Rate Loan) on the date or in the amount notified by the Borrower; or

(c) any assignment of a Eurocurrency Rate Loan on a day other than the last day of the Interest Period therefor as a result of a request by the Borrower pursuant to Section 11.13;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain the Loans or from fees payable to terminate the deposits from which such funds were obtained. The Borrower shall also pay any customary administrative fees charged by such Lender in connection with the foregoing.

For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 3.05, each Lender shall be deemed to have funded each Eurocurrency Rate Loan made by it at the Eurocurrency Rate for such Loan by a matching deposit or other borrowing in the London interbank eurocurrency market for a comparable amount and for a comparable period, whether or not such Eurocurrency Rate Loan was in fact so funded.

3.06 Mitigation Obligations; Replacement of Lenders.

(a) Designation of a Different Lending Office. Each Lender may make any Loan to the Borrower through any Lending Office, provided that the exercise of this option shall not affect the obligation of the Borrower to repay the Loan in accordance with the terms of this Agreement. If any Lender requests compensation under Section 3.04, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then at the request of the Borrower such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) Replacement of Lenders. If any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, the Borrower may replace such Lender in accordance with Section 11.13.

3.07 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments, repayment of all Obligations hereunder, and resignation of the Administrative Agent.

84

ARTICLE V. REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants to the Administrative Agent and the Lenders that:

5.01 Existence, Qualification and Power. Each Loan Party and each Subsidiary thereof (a) is duly organized or formed, validly existing and, as applicable, in good standing under the Laws of the jurisdiction of its incorporation or organization, (b) has all requisite power and authority and all requisite governmental licenses, authorizations, consents and approvals to (i) own or lease its assets and carry on its business and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, and (c) is duly qualified and is licensed and, as applicable, in good standing under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification or license; except in each case referred to in clause (b)(i) or (c), to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

5.02 Authorization; No Contravention. The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is party have been duly authorized by all necessary corporate or other organizational action, and do not and will not (a) contravene the terms of any of such Person's Organization Documents; (b) conflict with or result in any breach or contravention of, or the creation of any Lien under, or require any payment to be made under (i) any Contractual Obligation to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries or (ii) any order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject; or (c) violate any Law; except in each case referred to in clause (b)(i) to the extent that such conflict or violation could not reasonably be expected to have a Material Adverse Effect.

5.03 Governmental Authorization; Other Consents. Other than notices and consents required under the terms of any Borrowing Base Asset (all of which have been given or obtained), no approval, consent, exemption, authorization, or other action by, or notice to, or

filing with, any Governmental Authority or any other Person is necessary or required in connection with (a) the execution, delivery or performance by any Loan Party of this Agreement or any other Loan Document, (b) the grant by any Secured Guarantor of the Liens granted by it pursuant to the Collateral Documents, (c) except for the filing of UCC financing statements and the delivery of Control Agreements, the perfection or maintenance of the Liens created under the Collateral Documents (including the first priority nature thereof, subject to Permitted Collateral Liens). In addition, no approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with the enforcement of any Loan Party of, or the exercise by the Administrative Agent or any Lender of its rights under, the Loan Documents or the remedies in respect of the Collateral pursuant to the Collateral Documents, other than, with respect to foreclosure upon or transfer of (i) any Investment Asset, notices that may be required under the documentation governing such Investment Asset, (ii) any Investment Asset, any restrictions on permitted transferees that may be set forth in, the documentation governing such Investment Asset (but only to the extent such restrictions on permitted transferees of such Investment Asset are reasonably standard and customary for assets that are the same type as such Investment Asset) and (iii) any Equity Interest in any Encumbered Real Property Pledged Subsidiary, any notice to, and/or prior written consent or approval from, any lender or agent for any lender required under the terms of any Indebtedness of any Subsidiary of such Encumbered Real Property Pledged Subsidiary.

5.04 Binding Effect. This Agreement has been, and each other Loan Document, when delivered hereunder, will have been, duly executed and delivered by each Loan Party that is party thereto. This Agreement constitutes, and each other Loan Document when so delivered will constitute, a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, except to the extent that the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, receivership, conservatorship, moratorium or other similar laws now or hereafter in effect relating to creditors' rights in general and to general principles of equity.

5.05 Financial Statements; No Material Adverse Effect.

(a) The Audited Financial Statements (i) were prepared in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein; (ii) fairly present the financial condition of the Borrower and its Subsidiaries as of the date thereof and their results of operations, cash flows and changes in shareholders' equity for the period covered thereby in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein; and (iii) show all material

indebtedness and other liabilities, direct or contingent, of the Borrower and its Subsidiaries as of the date thereof, including liabilities for Taxes, material commitments and Indebtedness.

(b) The Unaudited Financial Statements (i) were prepared in accordance with GAAP consistently applied throughout the period covered thereby, except as otherwise expressly noted therein, and (ii) fairly present the financial condition of the Borrower and its Subsidiaries as of the date thereof and their results of operations, cash flows and changes in shareholders' equity for the period covered thereby, subject, in the case of clauses (i) and (ii), to the absence of footnotes and to normal year-end audit adjustments.

90

(c) Since the date of the balance sheet included in the Audited Financial Statements, there has been no event or circumstance, either individually or in the aggregate, that has had or could reasonably be expected to have a Material Adverse Effect.

5.06 Litigation. There are no actions, suits, proceedings, claims or disputes pending or, to the knowledge of such Loan Party after due and diligent investigation, threatened or contemplated, at law, in equity, in arbitration or before any Governmental Authority, by or against such Loan Party or any of its Subsidiaries or against any of their properties or revenues that (a) challenges the validity or enforceability of this Agreement, any other Loan Document or any of the transactions contemplated hereby, or otherwise purports to restrict or prohibit the performance of all or any portion of this Agreement, any other Loan Document or any of the transactions contemplated hereby, or (b) either individually or in the aggregate could reasonably be expected to have a Material Adverse Effect.

5.07 No Default. Neither any Loan Party nor any Subsidiary thereof is in default under or with respect to any Contractual Obligation that could, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. No Default has occurred and is continuing or would result from the consummation of the transactions contemplated by this Agreement or any other Loan Document.

5.08 Ownership of Property; Liens. Each Loan Party and each of its Subsidiaries has good record and marketable title in fee simple to, or valid leasehold interests in, all real property necessary or used in the ordinary conduct of its business, except for such defects in title as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. The property of each Loan Party and its Subsidiaries is subject to no Liens, other than Liens permitted by Section 7.01.

5.09 Environmental Compliance. Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect:

(b) no Loan Party nor any of its Subsidiaries has used, managed, stored, treated, disposed of, or arranged for disposal of, Hazardous Materials, and Hazardous Materials are not otherwise present at any of their owned, leased or operated properties or at any other location for which any Loan Party or any of its Subsidiaries may be liable, in either case in a manner or under

91

circumstances that has resulted or could reasonably be expected to result in liability to, or interfere with the operations of, any Loan Party or any of its Subsidiaries; and

(c) no Loan Party nor any of its Subsidiaries has assumed or retained any liabilities under any Environmental Law or regarding any Hazardous Materials.

5.10 Insurance. The properties of the Borrower and its Subsidiaries are insured with financially sound and reputable insurance companies not Affiliates of the Borrower, in such amounts with such deductibles and covering such risks as are customarily carried by companies engaged in similar businesses and owning similar properties in localities where the Borrower or the applicable Subsidiary operates, except in the case of Subsidiaries that are not Loan Parties where the failure to maintain such insurance could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

5.11 Taxes. (a) No Loan Party shall engage in any transaction, investment, undertaking or activity that conceals the identity, source or destination of the proceeds from any category of prohibited offenses designated in any applicable law, regulation or other binding measure by the Organisation for Economic Cooperation and Development's Financial Action Task Force on Money Laundering.

(b) No Loan Party shall knowingly use the proceeds of any Loan, or lend, contribute or otherwise make available such proceeds to any Person to fund any activities of or business with any Person, or in any Designated Jurisdiction, that, at the time of such funding, is the subject or target of Sanctions, or in any other manner that will result in a violation by any individual or entity (including any individual or entity participating in the transaction, whether as a Lender, an Arranger, the Administrative Agent, a Swing Line Lender, or otherwise) of Sanctions.

7.15 Anti-Corruption Laws. No Loan Party nor any Subsidiary thereof shall use the proceeds of any Loan for any purpose which would breach the FCPA, or to the extent applicable, the UK Bribery Act 2010 or other similar anti-corruption legislation in other jurisdictions.

ARTICLE VIII. EVENTS OF DEFAULT AND REMEDIES

8.01 Events of Default. Any of the following shall constitute an Event of Default (each, an “Event of Default”):

(a) Non-Payment. The Borrower or any other Loan Party fails to pay (i) when and as required to be paid herein, any amount of principal of the Loans, or (ii) within three (3) Business Days after the same becomes due, any interest on the Loans, or any fee due hereunder, or (iii) within five (5) Business Days after the same becomes due, any other amount payable hereunder or under any other Loan Document; or

(b) Specific Covenants. The Borrower or any Loan Party, as applicable, fails to perform or observe any term, covenant or agreement contained in any of Section 2.06, 6.01, 6.02, 6.03, 6.05, 6.10, 6.11, 6.12, 6.13, 6.16, 6.17, 6.18, 6.21 or Article VII, or any Grantor fails to perform or observe any term, covenant or agreement contained in the applicable Collateral Document; or

(c) Other Defaults. Any Loan Party fails to perform or observe any other covenant or agreement (not specified in subsection (a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days; or

114

(d) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of the Borrower or any other Loan Party herein, in any other Loan Document, or in any document delivered in connection herewith or therewith shall be incorrect or misleading in any material respect (except to the extent that any such representation or warranty is already by its terms qualified as to “materiality,” “Material Adverse Effect” or similar language, in which case it shall be true and correct in all respects as of such date after giving effect to such qualification) when made or deemed made (or with respect to any representation or warranty that is expressly stated to have been made as of a specific date, as of such specific date); or

(e) Cross-Default. (i) Any Specified Loan Party or any Significant Subsidiary thereof (A) fails to make any payment when due (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness or Guarantee (other than Indebtedness hereunder and Indebtedness under Swap Contracts) or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness or Guarantee or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event occurs, the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness or the beneficiary or beneficiaries of such Guarantee (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to be demanded or to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity, or such Guarantee to become payable or cash collateral in respect thereof to be demanded, or (ii) there occurs under any Swap Contract an “Early Termination Date” (as defined in such Swap Contract, or any similar term defined therein) resulting from any event of default under such Swap Contract as to which a Specified Loan Party is the “Defaulting Party” (as defined in such Swap Contract, or any similar term defined therein); provided, that (x) subsection (e)(i) shall not apply to any redemption, repurchase, conversion or settlement with respect to any Convertible Debt Security pursuant to its terms unless such redemption, repurchase, conversion or settlement results from a default thereunder or an event that would otherwise constitute an Event of Default and (y) a default, event, occurrence or condition described in this subsection (e) shall not at any time constitute an Event of Default unless, at such time, the aggregate outstanding amount of Indebtedness that is subject to defaults, events, occurrences or conditions of the type described in clause (i) above (after giving effect to clause (x) of this proviso), together with the Swap Termination Value of all Swap Contracts that are subject to defaults, events, occurrences or conditions of the type described in clause (ii) above, exceeds in the aggregate the applicable Threshold Amount; or

(f) Insolvency Proceedings, Etc. Any Specified Loan Party or any Significant Subsidiary thereof institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and

115

continues undismissed or unstayed for 60 calendar days, or an order for relief is entered in any such proceeding; or

(g) Inability to Pay Debts; Attachment. (i) Any Specified Loan Party or any Significant Subsidiary thereof becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or (ii) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of any such Person and is not released, vacated or fully bonded within thirty (30) days after its issue or levy; or

(h) Judgments. There is entered (i) one or more final judgments or orders for the payment of money against one or more Specified Loan Parties or Significant Subsidiaries thereof in an aggregate amount (with respect to all such judgments and orders) exceeding the applicable Threshold Amount (to the extent not covered by independent third-party insurance as to which the insurer does not dispute coverage), or (ii) any one or more non-monetary final judgments that have, or could reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and, in either case, (A) enforcement proceedings are commenced by any creditor upon such judgment or order, or (B) there is a period of 10 consecutive days during which a stay of enforcement of such judgment, by reason of a pending appeal or otherwise, is not in effect; or

(i) ERISA. (i) An ERISA Event occurs with respect to a Pension Plan or Multiemployer Plan which has resulted or could reasonably be expected to result in liability of one or more Loan Parties or Subsidiaries thereof to the Pension Plan, Multiemployer Plan or the PBGC in an aggregate amount (with respect to all such ERISA Events) in excess of \$25,000,000, or (ii) one or more Loan Parties or ERISA Affiliates shall fail to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its withdrawal liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount (with respect to all such failures) in excess of \$25,000,000; or

(j) Invalidity of Loan Documents. Any provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder or satisfaction in full of all the Obligations, ceases to be in full force and effect; or any Loan Party or any other Person contests in any manner the validity or enforceability of any provision of any Loan Document; or any Loan Party denies that it has any or further liability or obligation under any Loan Document, or purports to revoke, terminate or rescind any provision of any Loan Document; or

(k) Change of Control. There occurs any Change of Control; or

(l) Collateral Documents. Any Collateral Document after delivery thereof shall for any reason (other than pursuant to the terms thereof) cease to create a valid and perfected first priority Lien (subject to Liens permitted by Section 7.01) on the Collateral purported to be covered thereby except to the extent any such perfection or priority is not required thereby; or

(m) REIT Status. The Borrower shall, for any reason, lose or fail to maintain its status as a REIT.

116

8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing:

(a) [intentionally omitted];

(b) the Administrative Agent shall, at the request of, or may, with the consent of, the Required Lenders, take any or all of the following actions:

(i) declare the commitment of each Lender to make Loans to be terminated, whereupon such commitments and obligations shall be terminated;

(ii) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(iii) exercise on behalf of itself and the Lenders all rights and remedies available to it, the Lenders under the Loan Documents;

provided, however, that upon the occurrence of an Event of Default specified in Section 8.01(f) with respect to any Specified Loan Party, the obligation of each Lender to make Loans shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable, without further act of the Administrative Agent or any Lender.

8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations shall, subject to the provisions of Section 2.14, be applied by the Administrative Agent in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (including fees, charges and disbursements of counsel to the Administrative Agent and amounts payable under Article III) payable to the Administrative Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including fees, charges and disbursements of counsel to the respective Lenders and amounts payable under Article III), ratably among them in proportion to the respective amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans and other Obligations, ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

117

Fourth, to payment of that portion of the Obligations constituting unpaid principal of the Loans, ratably among the Lenders in proportion to the respective amounts described in this clause Fourth held by them; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

9.01 Appointment and Authority. Each of the Lenders hereby irrevocably appoints JPMorgan to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent and the Lenders, and, except as expressly provided in Section 9.06, neither the Borrower nor any other Loan Party shall have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” herein or in any other Loan Documents (or any other similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between contracting parties.

9.02 Rights as a Lender. The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

9.03 Exculpatory Provisions. The Administrative Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents, and its duties hereunder shall be administrative in nature. Without limiting the generality of the foregoing, the Administrative Agent:

- (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;
- (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Supermajority Lenders, Required Lenders or Majority Facility Lenders, as applicable (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that the Administrative Agent shall not be

118

required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

- (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity; and

- (d) shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Transferees. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Transferee or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Transferee.

The Administrative Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Supermajority Lenders, Required Lenders or Majority Facility Lenders, as applicable (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 11.01 and 8.02) or (ii) in the absence of its own gross negligence, willful misconduct or breach in bad faith as determined by a court of competent jurisdiction by final and nonappealable judgment. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until notice describing such Default is given in writing to the Administrative Agent by the Borrower or a Lender.

The Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

9.04 Reliance by Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In

119

determining compliance with any condition hereunder to the making of any Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

9.05 Delegation of Duties. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

9.06 Resignation of Administrative Agent.

(a) The Administrative Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the prior approval of the Borrower (such approval not to be unreasonably withheld or delayed, and which approval shall not be required following the occurrence and during the continuance of an Event of Default), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation (or such earlier day as shall be agreed by the Required Lenders) (the “Resignation Effective Date”), then the retiring Administrative Agent may (but shall not be obligated to) on behalf of the Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above, provided that in no event shall any such successor Administrative Agent be a Defaulting Lender. Whether or not a successor has been appointed, such resignation shall become effective in accordance with such notice on the Resignation Effective Date.

(b) If the Person serving as Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition thereof, the Required Lenders may, to the extent permitted by applicable law, by notice in writing to the Borrower and such Person remove such Person as Administrative Agent and, with the prior approval of the Borrower (such approval not to be unreasonably withheld or delayed, and which approval shall not be required following the occurrence and during the continuance of an Event of Default), appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders) (the

120

“Removal Effective Date”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than as provided in Section 3.01(g) and other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent’s resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 11.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

(d) Any resignation by JPMorgan as Administrative Agent pursuant to this Section shall also constitute its resignation as a Swing Line Lender. If JPMorgan resigns as a Swing Line Lender, it shall retain all the rights of a Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.17(c). Upon the appointment by the Borrower of a successor Swing Line Lender hereunder (which successor shall in all cases be a Lender other than a Defaulting Lender), (a) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Swing Line Lender and (b) the retiring Swing Line Lender shall be discharged from all of their respective duties and obligations hereunder or under the other Loan Documents.

9.07 Non-Reliance on Administrative Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will,

such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

9.08 No Other Duties, Etc. Anything herein to the contrary notwithstanding, none of the Arrangers, the Syndication Agent or the Documentation Agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement or any of the other Loan Documents, except in its capacity, as applicable, as the Administrative Agent or a Lender.

9.09 Administrative Agent May File Proofs of Claim; Credit Bidding. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Sections 2.07 and 11.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Sections 2.07 and 11.04.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States (Title 11,

United States Code) including under Sections 363, 1123 or 1129 thereof, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a) through (k) of Section 11.01 of this Agreement, (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

9.10 Collateral and Guaranty Matters. Without limiting the provisions of Section 9.09, the Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion,

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon

termination of all Commitments and the payment in full of all Obligations (other than contingent indemnification obligations), (ii) that is sold, transferred or otherwise disposed of or to be sold, transferred or otherwise disposed of as part of or in connection with any sale, transfer or other disposition permitted hereunder to a Person that is not obligated to grant a Lien on such property in favor of the Administrative Agent for the benefit of the Secured Parties or (iii) subject to Section 11.01, if approved, authorized or ratified in writing by the Required Lenders; and

(b) to release any Subsidiary of the Borrower that is a Guarantor from its obligations under this Agreement or the Guaranty, as applicable, if such Person ceases to be a Subsidiary of the Borrower as a result of a transaction permitted hereunder.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.10.

The Administrative Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Administrative Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

ARTICLE X. CONTINUING GUARANTY

10.01 Guaranty. Each Guarantor hereby absolutely and unconditionally guarantees, jointly and severally, as a guaranty of payment and performance and not merely as a guaranty of collection, prompt payment when due, whether at stated maturity, by required prepayment, upon acceleration, demand or otherwise, and at all times thereafter, of any and all of the Obligations, whether for principal, interest, premiums, fees, indemnities, damages, costs, expenses or otherwise, of the Borrower to the Secured Parties, and whether arising hereunder or under any other Loan Document (including all renewals, extensions, amendments, refinancings and other modifications thereof and all costs, attorneys' fees and expenses incurred by the Secured Parties in connection with the collection or enforcement thereof). The Administrative Agent's books and records showing the amount of the Obligations shall be admissible in evidence in any action or proceeding, and shall be binding upon each Guarantor, and conclusive for the purpose of establishing the amount of the Obligations absent demonstrable error. This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Obligations or any instrument or agreement evidencing any Obligations, or by the existence, validity, enforceability, perfection, non-perfection or extent of any collateral therefor, or by any fact or circumstance relating to the Obligations which might otherwise constitute a defense to the obligations of any Guarantor under this Guaranty, and each Guarantor hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to any or all of the foregoing.

Anything contained in this Guaranty to the contrary notwithstanding, it is the intention of each Guarantor and the Secured Parties that the obligations of each Guarantor hereunder at any time shall be limited to an aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code of the United States (Title 11, United States Code) or any comparable provisions of any similar federal or state law. To that end, but only in the event and to the extent that after giving effect to Section 10.11, such Guarantor's obligations with respect to the Obligations or any payment made pursuant to such Obligations would, but for the operation of the first sentence of this paragraph, be subject to avoidance or recovery in any such proceeding under applicable Debtor Relief Laws after giving effect to Section 10.11, the amount of such Guarantor's obligations with respect to the Obligations shall be limited to the largest

amount which, after giving effect thereto, would not, under applicable Debtor Relief Laws, render such Guarantor's obligations with respect to the Obligations unenforceable or avoidable or otherwise subject to recovery under applicable Debtor Relief Laws. To the extent any payment actually made pursuant to the Obligations exceeds the limitation of the first sentence of this paragraph and is otherwise subject to avoidance and recovery in any such proceeding under applicable Debtor Relief Laws, the amount subject to avoidance shall in all events be limited to the amount by which such actual payment exceeds such limitation, and the Obligations as limited by the first sentence of this paragraph shall in all events remain in full force and effect and be fully enforceable against such Guarantor. The first sentence of this paragraph is intended solely to preserve the rights of the Secured Parties hereunder against such Guarantor in such proceeding to the maximum extent permitted by applicable Debtor Relief Laws and neither such Guarantor, the Borrower, any other Guarantor nor any other Person shall have any right or claim under such sentence that would not otherwise be available under applicable Debtor Relief Laws in such proceeding.

10.02 Rights of Lenders. Each Guarantor consents and agrees that the Secured Parties may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness hereof: (a) amend, extend, renew, compromise, discharge, accelerate or otherwise change the time for payment or the terms of the Obligations or any part thereof; (b) take, hold, exchange, enforce, waive, release, fail to perfect, sell, or otherwise dispose of any security for the payment of this Guaranty or any Obligations; (c) apply such security and direct the order or manner of sale thereof as the Administrative Agent and the Lenders in their sole discretion may determine; and (d) release or substitute one or more of any endorsers or other guarantors of any of the Obligations. Without limiting the generality of the foregoing, each Guarantor consents to the taking of, or failure to take, any action which might in any manner or to any extent vary the risks of such Guarantor under this Guaranty or which, but for this provision, might operate as a discharge of such Guarantor.

10.03 Certain Waivers. Each Guarantor waives (a) any defense arising by reason of any disability or other defense of the Borrower or any other guarantor, or the cessation from any cause whatsoever (including any act or omission of any Secured Party, but excluding satisfaction thereof by way of payment) of the liability of the Borrower; (b) any defense based on any claim that such Guarantor's obligations exceed or are more burdensome than those of the Borrower; (c) the benefit of any statute of limitations affecting such Guarantor's liability hereunder; (d) any

right to proceed against the Borrower, proceed against or exhaust any security for the Obligations, or pursue any other remedy in the power of any Secured Party whatsoever; (e) any benefit of and any right to participate in any security now or hereafter held by any Secured Party; and (f) to the fullest extent permitted by law, any and all other defenses or benefits that may be derived from or afforded by applicable law limiting the liability of or exonerating guarantors or sureties. Each Guarantor expressly waives all setoffs and counterclaims and all presentments, demands for payment or performance, notices of nonpayment or nonperformance, protests, notices of protest, notices of dishonor and all other notices or demands of any kind or nature whatsoever with respect to the Obligations, and all notices of acceptance of this Guaranty or of the existence, creation or incurrence of new or additional Obligations.

10.04 Obligations Independent. The obligations of each Guarantor hereunder are those of a primary obligor, and not merely as surety, and are independent of the Obligations and

125

the obligations of any other guarantor, and a separate action may be brought against each Guarantor to enforce this Guaranty whether or not the Borrower or any other Person or entity is joined as a party.

10.05 Subrogation. Each Guarantor shall not exercise any right of subrogation, contribution, indemnity, reimbursement or similar rights with respect to any payments it makes under this Guaranty until all Commitments have been terminated and all of the Obligations and any amounts payable under this Guaranty (in each case, other than contingent indemnification and expense reimbursement obligations to the extent no claim has been asserted therefor) have been paid in full. If any amounts are paid to any Guarantor in violation of the foregoing limitation, then such amounts shall be held in trust for the benefit of the Secured Parties and shall forthwith be paid to the Secured Parties to reduce the amount of the Obligations, whether matured or unmatured.

10.06 Termination; Reinstatement. This Guaranty is a continuing and irrevocable guaranty of all Obligations now or hereafter existing and shall remain in full force and effect until all Commitments are terminated and all Obligations and any other amounts payable under this Guaranty (in each case, other than contingent indemnification and expense reimbursement obligations to the extent no claim has been asserted therefor) have been paid in full in cash. Notwithstanding the foregoing, this Guaranty shall continue in full force and effect or be revived, as the case may be, if any payment by or on behalf of the Borrower or any other Guarantor is made, or any of the Secured Parties exercises its right of setoff, in respect of the Obligations and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by any of the Secured Parties in their discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Laws or otherwise, all as if such payment had not been made or such setoff had not occurred and whether or not the Secured Parties are in possession of or have released this Guaranty and regardless of any prior revocation, rescission, termination or reduction. The obligations of the Guarantors under this paragraph shall survive termination of this Guaranty.

10.07 Subordination. Each Guarantor hereby subordinates the payment of all obligations and indebtedness of the Borrower owing to such Guarantor, whether now existing or hereafter arising, including but not limited to any obligation of the Borrower to such Guarantor as subrogee of the Secured Parties or resulting from such Guarantor's performance under this Guaranty, to the payment in full in cash of all Obligations. If the Secured Parties so request, any such obligation or indebtedness of the Borrower to such Guarantor shall be enforced and performance received by such Guarantor as trustee for the Secured Parties and the proceeds thereof shall be paid over to the Secured Parties on account of the Obligations, but without reducing or affecting in any manner the liability of any Guarantor under this Guaranty.

10.08 Stay of Acceleration. If acceleration of the time for payment of any of the Obligations is stayed, in connection with any case commenced by or against any Guarantor or the Borrower under any Debtor Relief Laws, or otherwise, all such amounts shall nonetheless be payable by a Guarantor immediately upon demand by the Secured Parties.

126

10.09 Condition of the Borrower. Each Guarantor acknowledges and agrees that it has the sole responsibility for, and has adequate means of, obtaining from the Borrower and any other guarantor such information concerning the financial condition, business and operations of the Borrower and any such other guarantor as such Guarantor requires, and that none of the Secured Parties has any duty, and such Guarantor is not relying on the Secured Parties at any time, to disclose to such Guarantor any information relating to the business, operations or financial condition of the Borrower or any other guarantor (each Guarantor waiving any duty on the part of the Secured Parties to disclose such information and any defense relating to the failure to provide the same).

10.10 Limitations on Enforcement. If, in any action to enforce this Guaranty or any proceeding to allow or adjudicate a claim under this Guaranty, a court of competent jurisdiction determines that enforcement of this Guaranty against any Guarantor for the full amount of the Obligations is not lawful under, or would be subject to avoidance under, Section 548 of the Bankruptcy Code or any applicable provision of comparable state law, the liability of such Guarantor under this Guaranty shall be limited to the maximum amount lawful and not subject to avoidance under such law.

10.11 Contribution. At any time a payment in respect of the Obligations is made under this Guaranty, the right of contribution of each Guarantor against each other Guarantor shall be determined as provided in the immediately following sentence, with the right of contribution of each Guarantor to be revised and restated as of each date on which a payment (a "Relevant Payment") is made on the Obligations under this Guaranty. At any time that a Relevant Payment is made by a Guarantor that results in the aggregate payments made by such Guarantor in respect of the Obligations to and including the date of the Relevant Payment exceeding such Guarantor's Contribution Percentage (as defined below) of the aggregate payments made by all Guarantors in respect of the Obligations to and including the date of the Relevant Payment (such excess, the

“Aggregate Excess Amount”), each such Guarantor shall have a right of contribution against each other Guarantor who either has not made any payments or has made payments in respect of the Obligations to and including the date of the Relevant Payment in an aggregate amount less than such other Guarantor’s Contribution Percentage of the aggregate payments made to and including the date of the Relevant Payment by all Guarantors in respect of the Obligations (the aggregate amount of such deficit, the “Aggregate Deficit Amount”) in an amount equal to (x) a fraction the numerator of which is the Aggregate Excess Amount of such Guarantor and the denominator of which is the Aggregate Excess Amount of all Guarantors multiplied by (y) the Aggregate Deficit Amount of such other Guarantor. A Guarantor’s right of contribution pursuant to the preceding sentences shall arise at the time of each computation, subject to adjustment at the time of each computation; provided, that no Guarantor may take any action to enforce such right until all of the Obligations and any amounts payable under this Guaranty (other than, in each case, contingent indemnification and expense reimbursement obligations to the extent no claim has been asserted therefor) have been paid in full in cash and all Commitments are terminated, it being expressly recognized and agreed by all parties hereto that any Guarantor’s right of contribution arising pursuant to this Section 10.11 against any other Guarantor shall be expressly junior and subordinate to such other Guarantor’s obligations and liabilities in respect of the Obligations and any other obligations owing under this Guaranty. As used in this Section 10.11, (i) each Guarantor’s “Contribution Percentage” shall mean the percentage obtained by dividing (x) the Adjusted Net Worth (as defined below) of such

Guarantor by (y) the aggregate Adjusted Net Worth of all Guarantors; (ii) the “Adjusted Net Worth” of each Guarantor shall mean the greater of (x) the Net Worth (as defined below) of such Guarantor and (y) zero; and (iii) the “Net Worth” of each Guarantor shall mean the amount by which the fair saleable value of such Guarantor’s assets on the date of any Relevant Payment exceeds its existing debts and other liabilities (including contingent liabilities, but without giving effect to any Obligations arising under this Guaranty) on such date. All parties hereto recognize and agree that, except for any right of contribution arising pursuant to this Section 10.11, each Guarantor who makes any payment in respect of the Obligations shall have no right of contribution or subrogation against any other Guarantor in respect of such payment until all of the Obligations (other than, in each case, contingent indemnification and expense reimbursement obligations to the extent no claim has been asserted therefor) have been paid in full in cash and all Commitments are terminated. Each of the Guarantors recognizes and acknowledges that the rights to contribution arising hereunder shall constitute an asset in favor of the party entitled to such contribution. In this connection, each Guarantor has the right to waive its contribution right against any Guarantor to the extent that after giving effect to such waiver such Guarantor would remain solvent, in the determination of the Required Lenders.

ARTICLE XI. MISCELLANEOUS

11.01 Amendments, Etc. No amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party, as the case may be, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, however, that notwithstanding the foregoing provisions of this Section 11.01, no such amendment, waiver or consent shall:

- (a) waive any condition set forth in Section 4.01(a) without the written consent of each Lender;
- (b) extend or increase the Commitment of any Lender (or reinstate any Commitment terminated pursuant to Section 8.02) without the written consent of such Lender;
- (c) postpone any date fixed by this Agreement or any other Loan Document for any payment (excluding mandatory prepayments) of principal, interest, fees or other amounts due to the Lenders (or any of them) hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby;
- (d) reduce the principal of, or the rate of interest specified herein on, any Loan, or (subject to clause (iii) of the second proviso to this Section 11.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly affected thereby; provided, however, that only the consent of the Required Lenders shall be necessary to amend the definition of “Default Rate” or to waive any obligation of the Borrower to pay interest at the Default Rate;
- (e) change any provision of this Section or the definition of “Majority Facility Lenders,” “Required Lenders,” “Supermajority Lenders” or any other provision hereof

specifying the number or percentage of Lenders required to amend, waive or otherwise modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender;

- (f) change any of the terms or provisions in any Loan Document requiring pro rata payments, distributions, commitment reductions or sharing of payments without the written consent of each Lender; provided, that with the consent of the Required Lenders, such terms and provisions may be amended on customary terms in connection with an “amend and extend” transaction, but only if all Lenders that consent to such “amend and extend” transaction are treated on a pro rata basis;
- (g) release (i) the Borrower from its obligations under this Agreement or any other Loan Document or (ii) all or substantially all of the value of the Guaranty, in each case without the written consent of each Lender, except as expressly provided in the Loan Documents;

- (h) release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender;
- (i) amend, modify or waive any provision affecting the Borrowing Base Amount or the component definitions thereof which has the effect of increasing the Borrowing Base Amount (but excluding any technical amendments to the definition of Borrowing Base Amount or any component definition thereof) without the written consent of the Supermajority Lenders;
- (j) amend, modify or waive Section 8.03 without the written consent of each Lender directly affected thereby; or
- (k) add any currencies as Foreign Currencies under this Agreement in which a Lender is required to make Loans, in each case without the written consent of each Lender directly affected thereby.

and, provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lenders in addition to the Lenders required above, affect the rights or duties of the Swing Line Lenders under this Agreement; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document; and (iii) any fee letter between any of the Loan Parties, on the one hand, and the Administrative Agent and/or the Arrangers, on the other hand, may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto. Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that by its terms affects any Defaulting Lender disproportionately adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

129

Notwithstanding any provision herein to the contrary, the Administrative Agent, with the consent of the Borrower, may:

- (i) amend, modify or supplement any Loan Document without the consent of any Lender in order to correct, amend or cure any ambiguity, inconsistency or defect or correct any typographical error or other manifest error in any Loan Document so long as such amendment, modification or supplement does not impose additional obligations on any Lender, provided that the Administrative Agent shall promptly give the Lenders notice of any such amendment, modification or supplement; and
- (ii) amend, supplement or enter into additional Loan Document to add collateral or perfect its Lien on any Collateral without the consent of any Lender.

Notwithstanding any provision herein to the contrary, without the consent of any other Person, the applicable Loan Party or Loan Parties and the Administrative Agent may (in its or their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law or to terminate any Control Agreements which are not required under the Collateral Documents and to enter into Control Agreements to the extent required under the Loan Documents.

11.02 Notices; Effectiveness; Electronic Communication.

(a) Notices Generally. Except in the case of notices and other communications expressly permitted to be given by telephone (and except as provided in subsection (b) below), all notices and other communications provided for herein shall be in writing and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by facsimile or electronic mail as follows, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

- (i) if to a Loan Party, the Administrative Agent or any Swing Line Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 11.02; and
- (ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire (including, as appropriate, notices delivered solely to the Person designated by a Lender on its Administrative Questionnaire then in effect for the delivery of notices that may contain material non-public information relating to the Borrower).

Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by facsimile shall be deemed to have been given when sent (except that, if

130

not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (b) below, shall be effective as provided in such subsection (b).

(b) Electronic Communications. Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail, FpML messaging, and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent, each Swing Line Lender or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by them, provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement) and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; provided that, for both clauses (i) and (ii), if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to any Loan Party, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Loan Party's or the Administrative Agent's transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet; provided, however, that in no event shall any Agent Party have any liability to any Loan Party, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages). The Borrower acknowledges and agrees that the DQ List

131

shall be deemed suitable for posting and may be posted by the Administrative Agent on the Platform, including the portion of the Platform that is designated for "public side" Lenders.

(d) Change of Address, Etc. Each of the Borrower, the Administrative Agent and each Swing Line Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent and each Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, facsimile number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

(e) Reliance by Administrative Agent and Lenders. The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices, Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of a Loan Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall, jointly and severally, indemnify the Administrative Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of a Loan Party and believed by such Person in good faith to be genuine. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

11.03 No Waiver; Cumulative Remedies; Enforcement. No failure by any Lender or the Administrative Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.02 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Swing Line Lender from exercising the rights and remedies that inure to its benefit (solely in its capacity as a Swing Line Lender, as the case may be) hereunder and under the other Loan Documents, (c) any Lender from exercising setoff rights in accordance with Section 11.08 (subject to the terms of Section 2.11), or (d) any Lender from filing proofs of claim or appearing

132

and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then (i) the Required Lenders shall have the rights otherwise ascribed to the Administrative Agent pursuant to Section 8.02 and (ii) in addition to the matters set forth in clauses (b) and (c) of the preceding proviso and subject to Section 2.11, any Lender may, with the consent of the Required Lenders, enforce any rights and remedies available to it and as authorized by the Required Lenders.

11.04 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses. The Borrower shall pay (i) all reasonable out-of-pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable invoiced fees, charges and disbursements of counsel for the Administrative Agent), in connection with the syndication of the credit facilities provided for herein, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), provided, that the Borrower shall not be obliged to reimburse the fees, charges and disbursements of more than one law firm for the Administrative Agent and all Lenders in connection with the preparation, negotiation, execution and delivery of this Agreement and the other Loan Documents, and (ii) all out-of-pocket expenses incurred by the Administrative Agent or any Lender (including the reasonable invoiced fees, charges and disbursements of any counsel for the Administrative Agent or any Lender), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans.

(b) Indemnification by the Borrower. Subject to and without duplication of the foregoing subsection (a), the Borrower hereby indemnifies the Administrative Agent (and any sub-agent thereof), each Arranger, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and holds each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable invoiced fees, charges and disbursements of any counsel for any Indemnitee) arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder, the consummation of the transactions contemplated hereby or thereby, or, in the case of the Administrative Agent (and any sub-agent thereof) and its Related Parties only, the administration of this Agreement and the other Loan Documents, (ii) the Loans or the use or proposed use of the proceeds therefrom, (iii) any actual or alleged presence or Release of Hazardous Materials at, on, under or emanating from any property owned, leased or operated by any Loan Party or any of its Subsidiaries, or any Environmental Liability related in any way to any Loan Party or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party or the Borrower's or such Loan Party's directors, shareholders or creditors, and regardless of whether any Indemnitee is a party thereto, **IN ALL CASES, WHETHER OR NOT CAUSED BY OR ARISING, IN**

WHOLE OR IN PART, OUT OF THE COMPARATIVE, CONTRIBUTORY OR SOLE NEGLIGENCE OF THE INDEMNITEE; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, willful misconduct or breach in bad faith of such Indemnitee's obligations hereunder or under any other Loan Document, if the Borrower has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction; and provided, further that any indemnity with respect to Taxes shall be governed solely by Section 3.01. Notwithstanding the foregoing, the Borrower shall not be liable for any losses, claims, damages, liabilities or related expenses incurred by or asserted against an Indemnitee as a direct result of the settlement by such Indemnitee of any such loss, claim, damage, liability or expense that would otherwise be indemnified hereunder, except for settlements entered into with the Borrower's consent (which may not be unreasonably withheld or delayed).

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fail to indefeasibly pay any amount required under subsection (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), any Arranger, any Swing Line Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), such Arranger, such Swing Line Lender or such Related Party, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the Total Credit Exposure at such time) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender), such payment to be made severally among them based on such Lenders' Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought), provided, further, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), such Arranger or such Swing Line Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), such Arranger or such Swing Line Lender in connection with such capacity. The obligations of the Lenders under this subsection (c) are subject to the provisions of Section 2.11(c).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, and acknowledges that no other Person shall have, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in subsection (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed to such unintended recipients by such Indemnitee through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the

from the gross negligence or willful misconduct of, or breach in bad faith by, such Indemnitee as determined by a final and nonappealable judgment of a court of competent jurisdiction.

(e) Payments. All amounts due under this Section shall be payable not later than ten (10) Business Days after demand therefor.

(f) Survival. The agreements in this Section shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations.

11.05 Payments Set Aside. To the extent that any payment by or on behalf of any Loan Party is made to the Administrative Agent or any Lender, or the Administrative Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by the Administrative Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by the Administrative Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the Obligations and the termination of this Agreement.

11.06 Successors and Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section; (ii) by way of participation in accordance with the provisions of subsection (d) of this Section; or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment, Term Loans and Revolving Credit Loans (including for purposes of

this subsection (b), participations in Swing Line Loans) at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment under any Facility, Term Loans and/or the Revolving Credit Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate Dollar Amount of the Commitment (which for this purpose includes Term Loans and Revolving Credit Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Term Loans or Revolving Credit Loans, as applicable, of the assigning Lender subject to each such assignment, determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date, shall not be less than \$5,000,000, in the case of any assignment in respect of the Revolving Credit Facility (or, in the case of Foreign Currency Revolving Credit Loans, the Applicable Minimum Amount), or \$1,000,000, in the case of any assignment in respect of the Term Loan Facility, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided, however, that concurrent assignments to members of an Assignee Group and concurrent assignments from members of an Assignee Group to a single Eligible Assignee (or to an Eligible Assignee and members of its Assignee Group) will be treated as a single assignment for purposes of determining whether such minimum amount has been met.

(ii) Qualified Purchaser/Qualified Institutional Buyer. The assignee on the date it becomes a Lender hereunder shall certify in the applicable Assignment and Assumption that it is, or meets the criteria for being, both a "qualified purchaser" (within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations thereunder) and a "qualified institutional

buyer” (within the meaning of Rule 144A under the Securities Act of 1933, as amended). Any failure to include such a certification in an Assignment and Assumption shall render such Assignment and Assumption void *ab initio* and of no force or effect for any purpose.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (1) an Event of Default has occurred and is continuing at the time of such assignment or (2) such assignment is to a

136

Lender, an Affiliate of a Lender or an Approved Fund; provided that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required if such assignment is to a Person that is not a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender; and

(C) the consent of each Swing Line Lender that has a Swing Line Loan outstanding at such time shall be required for any assignment in respect of the Revolving Credit Facility.

(iv) Assignment and Assumption. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee in the amount of \$3,500; provided, however, that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment. The assignee, if it is not a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire.

(v) No Assignment to Certain Persons. No such assignment shall be made (A) to the Borrower or any of the Borrower’s Affiliates or Subsidiaries, or (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B), or (C) to a natural person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person).

(vi) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable pro rata share of the Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Swing Line Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, if any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

137

(vii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender’s rights and obligations under this Agreement with respect to the Loans or the Commitment assigned, except that this clause (vii) shall not apply to the Swing Line Lenders’ rights and obligations in respect of Swing Line Loans.

Subject to compliance with the foregoing provisions of this subsection (b) and acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, and 11.04 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender’s having been a Defaulting Lender. Upon request, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with and, in any event subject to the requirements set forth in subsection (d), of this Section (and, if such requirements are not met, shall be void *ab initio*).

(c) Register. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower (and such agency being solely for tax purposes), shall maintain at the Administrative Agent’s U.S. Office a copy of each Assignment and Assumption delivered to it

(or the equivalent thereof in electronic form) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent demonstrable error and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Person which is, and which certifies in writing to such Lender that it is, both a “qualified purchaser” (within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations thereunder) and a “qualified institutional buyer” (within the meaning of Rule 144A under the Securities Act of 1933, as amended) (but excluding a natural person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of a natural person, a Defaulting Lender or the Borrower or the Borrower’s Affiliates or Subsidiaries) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a

138

portion of its Commitment and/or the Loans (including such Lender’s participations in Swing Line Loans) owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Each Lender shall be responsible for the indemnity under Section 11.04(c) without regard to the existence of any participation.

Any agreement or instrument pursuant to which a Lender sells such a participation shall include a certification by the participant that it is, or meets the criteria for being, both a “qualified purchaser” (within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations thereunder) and a “qualified institutional buyer” (within the meaning of Rule 144A under the Securities Act of 1933, as amended), and shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in the first proviso to Section 11.01 that affects such Participant. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section (it being understood that the documentation required under Section 3.01(e) shall be delivered to the Lender who sells the participation); provided that such Participant agrees to be subject to the provisions of Sections 3.06 and 11.13 as if it were an assignee under paragraph (b) of this Section. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.06 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.08 as though it were a Lender, provided such Participant agrees to be subject to Section 2.12 as though it were a Lender.

Each Lender that sells a participation, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall retain a copy of each Participant’s certification (each such certification, a “Participant Certification”) as to its status as a “qualified purchaser” and “qualified institutional buyer” described above, and shall maintain a register on which it enters the name and address of each Participant and the principal amounts of (and stated interest on) each participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”); provided that other than its obligation to provide certifications with respect to or copies of any Participant Certifications to the Borrower pursuant to a request made by the Borrower in accordance with this paragraph, no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any commitments, loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, absent demonstrable error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. Upon the written request

139

of the Borrower, each Lender that has sold a participation shall certify to the Borrower that it has received and retains a copy of each of its Participants’ Participant Certifications, and shall upon the further request of the Borrower provide a copy thereof to the Borrower, provided that the Borrower may only so request copies of the Participant Certifications to the extent that they reasonably and in good faith believe that receipt of a copy of the Participant Certification(s) retained by a Lender is necessary in order for Borrower to confirm they are exempt from registration under the Investment Company Act of 1940, as amended, by virtue of the provisions of Section 3(c)(7) thereof. The Borrower hereby agrees to maintain the confidentiality of all information furnished to them pursuant to this paragraph, except that same may be disclosed (a) to the Borrower and to its and the Borrower’s respective directors, officers, employees, accountants and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such information and instructed to keep such information confidential), (b) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (c) to any Governmental Authority or (d) with the written consent of the Lender that disclosed the information to them. The Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 3.01 or 3.04 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation

and the participating Lender would have been entitled to receive such greater payment.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment, or grant of a security interest, to secure obligations to a Federal Reserve Bank or any other central bank; provided that no such pledge or assignment or grant shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee or grantee for such Lender as a party hereto.

(g) Transfers to Non-Qualified Purchasers/Qualified Institutional Buyers. Notwithstanding anything herein to the contrary, in no event may any Loan or any interest therein be assigned to or otherwise acquired by (whether by assignment or participation or through a swap or other derivative transaction) any Person which is not both a “qualified purchaser” (within the meaning of the Investment Company Act of 1940, as amended, and the rules and regulations thereunder) and a “qualified institutional buyer” (within the meaning of Rule 144A under the Securities Act of 1933, as amended). Any assignment or acquisition not in compliance with the foregoing sentence shall be void *ab initio* and of no force or effect, and shall not be effective to transfer any interest whatsoever herein.

(h) Certain Transactions. Notwithstanding anything herein to the contrary, no Lender will incur any indebtedness that it believes would subject the Borrower (or any part of the Borrower) to the “taxable mortgage pool” provisions under Code Section 7701(i) under the anti-avoidance rules of Treasury Regulation Section 301.7701(i)-1(g).

140

(i) Resignation as Swing Line Lender after Assignment. Notwithstanding anything to the contrary contained herein, if at any time a Swing Line Lender assigns all of its Revolving Commitment and Revolving Credit Loans pursuant to subsection (b) above, such Swing Line Lender may, (i) upon 30 days’ notice to the Borrower and the Revolving Lenders, resign as a Swing Line Lender. In the event of any such resignation as a Swing Line Lender, the Borrower shall be entitled to appoint from among the Revolving Lenders a successor Swing Line Lender hereunder; provided, however, that no failure by the Borrower to appoint any such successor shall affect the resignation of such resigning Swing Line Lender. If a Swing Line Lender resigns, it shall retain all the rights of a Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Revolving Credit Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.17(c). Upon the appointment of a successor Swing Line Lender, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Swing Line Lender.

(j) Disqualified Transferees.

(i) No assignment or participation shall be made to any Person that was a Disqualified Transferee as of the date (the “Trade Date”) on which the assigning Lender entered into a binding agreement to sell and assign all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Transferee for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any assignee that becomes a Disqualified Transferee after the applicable Trade Date (including as a result of the delivery of a notice pursuant to, and/or the expiration of the notice period referred to in, the definition of “Disqualified Transferee”), (x) such assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower of an Assignment and Assumption with respect to such assignee will not by itself result in such assignee no longer being considered a Disqualified Transferee. Any assignment in violation of this clause (j)(i) shall not be void, but the other provisions of this clause (j) shall apply.

(ii) If any assignment or participation is made to any Disqualified Transferee without the Borrower’s prior written consent in violation of clause (i) above, or if any Person becomes a Disqualified Transferee after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Transferee and the Administrative Agent, require such Disqualified Transferee to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 11.06), all of its interest, rights and obligations under this Agreement to one or more Eligible Assignees at the lesser of (x) the principal amount thereof and (y) the amount that such Disqualified Transferee paid to acquire such interests, rights and obligations, in each case plus accrued interest, accrued fees and all other amounts (other than principal amounts) payable to it hereunder.

(iii) Notwithstanding anything to the contrary contained in this Agreement, Disqualified Transferees (A) will not (x) have the right to receive information, reports or

141

other materials provided to Lenders by the Borrower, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Transferee will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Transferees consented to such matter, and (y) for purposes of voting on any plan of reorganization or plan of liquidation pursuant to any Debtor Relief Laws (a “Debtor Relief Plan”), each Disqualified Transferee party hereto hereby agrees (1) not to vote on such Debtor Relief Plan, (2) if such Disqualified Transferee does vote on such Debtor Relief Plan notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar

provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such Debtor Relief Plan in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to (A) post the list of Disqualified Transferees provided by the Borrower and any updates thereto from time to time (collectively, the “DQ List”) on the Platform, including that portion of the Platform that is designated for “public side” Lenders and/or (B) provide the DQ List to each Lender requesting the same.

11.07 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its Related Parties (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent required or requested by any regulatory authority purporting to have jurisdiction over such Person or its Related Parties (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or any Eligible Assignee invited to be a Lender pursuant to Section 2.16(b) or (ii) any actual or prospective party (or its Related Parties) to any swap, derivative or other transaction under which payments are to be made by reference to the one or more Loan Parties and their obligations, this Agreement or payments hereunder (it being understood that the DQ List may be

142

disclosed to any assignee or Participant, or prospective assignee or Participant, in reliance on this clause (f), (g) on a confidential basis to (i) any rating agency in connection with rating one or more of the Loan Parties or the credit facility provided hereunder or (ii) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers or other market identifiers with respect to the credit facilities provided hereunder, (h) with the consent of the Borrower or (i) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent, any Lender, or any of their respective Affiliates on a nonconfidential basis from a source other than the Borrower. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement customarily included in league table measurements to market data collectors and similar service providers to the lending industry. For purposes of this Section, “Information” means all information received from the Borrower, or any Subsidiary thereof relating to the Loan Parties or any Subsidiary thereof or any of their respective businesses, other than (i) any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any Subsidiary thereof and (ii) information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry; provided that, in the case of information received from the Borrower or any Subsidiary thereof after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each of the Administrative Agent and the Lenders acknowledges that (a) the Information may include material non-public information concerning the Borrower or a Subsidiary thereof, as the case may be, (b) it has developed compliance procedures regarding the use of material non-public information and (c) it will handle such material non-public information in accordance with applicable Law, including United States Federal and state securities Laws.

11.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent, to the fullest extent permitted by applicable law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or any such Affiliate to or for the credit or the account of any Loan Party against any and all of the obligations of such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness; provided, that if any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.14 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement

143

describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender and their respective Affiliates under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or their respective Affiliates may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

11.09 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or

agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

11.10 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic imaging means (e.g. “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart of this Agreement.

11.11 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by the Administrative Agent and each Lender, regardless of any investigation made by the Administrative Agent or any Lender or on their behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default at the time of making any Loan, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

11.12 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or

144

impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 11.12, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent or the Swing Line Lenders, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

11.13 Replacement of Lenders. If (i) any Lender requests compensation under Section 3.04, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, (ii) any Lender is a Defaulting Lender, (iii) any Lender (such Lender, a “Non-Consenting Lender”) refuses to consent to any amendment, waiver or other modification of any Loan Document requested by the Borrower that requires the consent of a greater percentage of the Lenders than Required Lenders and such amendment, waiver or other modification is consented to by the Required Lenders or (iv) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 11.06), all of its interests, rights (other than its existing rights to payments pursuant to Sections 3.01 and 3.04) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that:

- (a) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 11.06(b);
- (b) such Lender shall have received payment of an amount equal to 100% of the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee and any amounts payable by the Borrower pursuant to Section 3.01, 3.04 or 3.05 from the Borrower (it being understood that the Assignment and Assumption relating to such assignment shall provide that any interest and fees that accrued prior to the effective date of the assignment shall be for the account of the replaced Lender and such amounts that accrue on and after the effective date of the assignment shall be for the account of the replacement Lender);
- (c) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;
- (d) such assignment does not conflict with applicable Laws; and
- (e) in the case of clause (iii) above, no Event of Default shall have occurred and be continuing at the time of such replacement.

145

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or

otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each Lender agrees that, if the Borrower elects to replace such Lender in accordance with this Section 11.13, it shall promptly execute and deliver to the Administrative Agent an Assignment and Assumption to evidence the assignment and shall deliver to the Administrative Agent any Note (if a Note has been issued in respect of such Lender's Loans) subject to such Assignment and Assumption; provided that the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall be recorded in the Register.

11.14 Governing Law; Jurisdiction; Etc.

(a) GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK (INCLUDING SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAWS, BUT OTHERWISE WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES).

(b) SUBMISSION TO JURISDICTION. EACH LOAN PARTY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT IT WILL NOT COMMENCE ANY ACTION, LITIGATION OR PROCEEDING OF ANY KIND OR DESCRIPTION, WHETHER IN LAW OR EQUITY, WHETHER IN CONTRACT OR IN TORT OR OTHERWISE, AGAINST THE ADMINISTRATIVE AGENT, ANY LENDER, OR ANY RELATED PARTY OF THE FOREGOING IN ANY WAY RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS RELATING HERETO OR THERETO, IN ANY FORUM OTHER THAN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, AND EACH OF THE PARTIES HERETO IRREVOCABLY AND UNCONDITIONALLY SUBMITS TO THE JURISDICTION OF SUCH COURTS AND AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION, LITIGATION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE COURT OR, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, LITIGATION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION.

(c) WAIVER OF VENUE. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY

146

COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

(d) SERVICE OF PROCESS. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 11.02. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

11.15 Waiver of Jury Trial. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

11.16 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the Arrangers and the Lenders are arm's-length commercial transactions between such Loan Party and its Affiliates, on the one hand, and the Administrative Agent, the Arrangers and the Lenders, on the other hand, (B) each Loan Party has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each Loan Party is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent, each Arranger and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for any Loan Party or any of its Affiliates, or any other Person and (B) none of the Administrative Agent, any Arranger or any Lender has no obligation to any Loan Party or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Arrangers, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Loan Parties and their respective Affiliates, and none of the Administrative Agent, any Arranger or any Lender has any obligation to disclose any of such interests to the Loan Parties or any of their respective Affiliates. To the fullest extent

147

permitted by law, each Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Arrangers and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

11.17 Electronic Execution of Assignments and Certain Other Documents. The words “execute,” “execution,” “signed,” “signature,” and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other modifications, Committed Loan Notices, Swing Line Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

11.18 USA PATRIOT Act. Each Lender that is subject to the Act (as hereinafter defined) and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”), it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Loan Party in accordance with the Act. Each Loan Party shall, promptly following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the Act.

11.19 ENTIRE AGREEMENT. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS REPRESENT THE FINAL AGREEMENT AMONG THE PARTIES WITH RESPECT TO THE SUBJECT MATTER HEREOF AND THEREOF AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS, OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.

11.20 Investment Asset Reviews. The Administrative Agent, individually or at the request of the Required Lenders, may engage in its reasonable discretion, on behalf of the Lenders, an independent consultant, which may be an accounting firm (each, an “Independent Valuation Provider”) to complete a review and verification of the accuracy and reliability of the Borrower’s calculation and reporting of the Adjusted Net Book Value of any Investment Asset included in the calculation of the Borrowing Base Amount (each, an “Investment Asset Review”)

148

at any time, each such Investment Asset Review to be shared with the Lenders and the Borrower. The Borrower agrees to pay the Administrative Agent, not later than 10 Business Days after receipt of a reasonably detailed invoice therefor, the documented out-of-pocket cost of each such Investment Asset Review reasonably incurred by the Administrative Agent; provided that the Borrower shall not be required to reimburse such costs with respect to more than one Investment Asset Review per fiscal year with respect to each such Investment Asset; provided further that the limitations on reimbursement contained in the foregoing proviso shall not apply if an Event of Default has occurred and is continuing.

11.21 Conversion of Currencies.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which, in accordance with normal banking procedures in the relevant jurisdiction, the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of the Borrower in respect of any sum due to any party hereto or any holder of the obligations owing hereunder (the “Applicable Creditor”) shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than the currency in which such sum is stated to be due hereunder (the “Agreement Currency”), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Borrower contained in this Section 11.21 shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

11.22 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-In Action on any such liability, including, if applicable:

- (i) a reduction in full or in part or cancellation of any such liability;

149

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

150

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.
